**The Book of Hidden Things** Francesco Dimitri, 2018-07-03

From one of the most significant figures of the last generation of fantasy, comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

**Write This Book** Pseudonymous Bosch, 2013-04-02 This imaginative companion to the New York Times bestselling *Secret Series* teases, prompts, and leads readers through the steps of

writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless author: I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not missing. A certain author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!
