Three Kisses, One Midnight Roshani Chokshi, Sandhya Menon, Evelyn Skye, 2022-08-30 New York Times bestselling authors Roshani Chokshi, Evelyn Skye, and Sandhya Menon craft a spellbinding novel about discovering the magic of true love on one fateful, magical night in *Three Kisses, One Midnight*. The town of Moon Ridge was founded 400 years ago and everyone born and raised there knows the legend of the young woman who perished at the stroke of twelve that very same night, losing the life she was set to embark on with her dearest love. Every century since, one day a year, the Lady of Moon Ridge descends from the stars to walk among the townsfolk, conjuring an aura upon those willing to follow their hearts’ desires. “To summon joy and love in another’s soul For a connection that makes two people whole For laughter and a smile that one can never miss Sealed before midnight with a truehearted kiss.” This year at Moon Ridge High, a group of friends known as The Coven will weave art, science, and magic during a masquerade ball unlike any other. Onny, True, and Ash believe everything is in alignment to bring them the affection, acceptance, and healing that can only come from romance—with a little help from Onny’s grandmother’s love potion. But nothing is as simple as it first seems. And as midnight approaches, The Coven learn that it will take more than a spell to recognize those who offer their love and to embrace all the magic that follows.

The Time Machine illustrated H. G. Wells, 2022-06-22 The *Time Machine* by H. G. Wells is a science fiction classic, which lends itself well to visualization. This version, illustrated by Yoann Laurent-Rouault, an illustrator master who graduated from the Beaux-Arts, and published in the international literary collection *Memoria*

Books, is a reference on the time travel theme. Wells transports us in the year 802 701, in a society made up of the “Elois”, who live peacefully in a kind of big Garden of Eden, eating fruits and sleeping high up, while underground lives another species, also descending from men, the “Morlocks”, who do not stand the light anymore, living in the dark for too long now. At night, they return to the surface, going back up by the wells, in order to kidnap some Elois that they eat ; these last became livestock unknowingly. In The Time Machine, made into a movie several times, the last of them in 2002 by Simon Wells, the great-grandson of H. G. Wells, time is both a pretext to move the class struggle and warn... and also, in a way, a full character, who fascinates, arbitrates, transcends... The illustrations come to reinforce the time travel and provide a new experience to the reader.

An aging death-metal rock god, his taste for the unnatural is as widely known to his legions of fans as the notorious excesses of his youth. But nothing he possesses is as unlikely or as dreadful as his latest purchase, an item he discovered on the Internet: I will sell my stepfather's ghost to the highest bidder . . . For a thousand dollars, Jude has become the owner of a dead man's suit, said to be haunted by a restless spirit. But what UPS delivers to his door in a black heart-shaped box is no metaphorical ghost, no benign conversation piece. Suddenly the suit's previous owner is everywhere: behind the bedroom door . . . seated in Jude's restored Mustang . . . staring out from his widescreen TV. Waiting—with a gleaming razor blade on a chain dangling from one hand . . .

From Blood and Ash Jennifer L. Armentrout, 2020-03-30 Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
