Free People Tricia Gates Brown,2005-11-01 AT ONCE AN INTRODUCTION TO GLOBAL ECONOMICS AND a Christian ethical examination of it, 'Free People' looks at one of the most pressing challenges facing followers of Jesus today. How does one love God and neighbor while enmeshed in a globalized economy, where our lives are networked with and impact the lives of people all around the world? Written in a highly readable style, this book defines global economics in terms a non-economist can appreciate, and describes how the global economy dominates people - from sweatshop workers in Bangladesh, to coffee farmers in Central America, to citizens of northern democracies. The second half of the book offers a fresh look at biblical insights on wealth and its usage, and at the New Testament concept of principalities and powers. Finally, 'Free People' suggests ways for Christians to live humanly in these times, by looking at the lives of specific people who - in simple, practical ways - resist the dehumanizing power of global economics.

Search: Theory and Practice in Journalism Online Murray Dick,2013-08-30 Whether uncovering breaking stories, finding reliable background information, or finding the right contributors for stories and packages, there is now a wealth of information available to journalists online - but where to begin? In *Search: Theory and Practice in Journalism Online*, Murray Dick provides a practical and theoretical overview of the journalistic research potential in various online tools. Written by a leading expert in the field, the book offers experience-based guidance into online search for journalism. Key features: - Up-to-date coverage of advanced search, the 'invisible web', social media, multimedia and the verification of online material - A critical overview of theory in online ethics, verification, and use of social media in journalism online - Original research into search theory, privacy, trust and rights issues online - Student-friendly pedagogy based upon professional practice and informed by experts in online research *Search: Theory and Practice in Journalism Online* is essential reading for undergraduate students of digital journalism, online reporting and journalism studies.

Free People from Mental Slavery (Vol S. Mazibuko,2020-11-25 Vol. 2 of *Free People from Mental Slavery*. God bestowed him with blessings for serving the world with his emancipated mind. This book is based on on man's experience of making the world a better place.

North Carolina's Free People of Color, 1715-1885 Warren Eugene Milteer Jr.,2020-07-01 In *North Carolina's Free People of Color, 1715-1885*, Warren Eugene Milteer Jr. examines the lives of free persons categorized by their communities as "negroes," "mulattoes," "mustees," "Indians," "mixed-bloods," or simply "free people of color." From the colonial period through Reconstruction, lawmakers passed legislation that curbed the rights and privileges of these non-enslaved residents, from prohibiting their testimony against whites to barring them from the ballot box. While such laws suggest that most white North Carolinians desired to limit the freedoms and civil liberties enjoyed by free people of color, Milteer reveals that the two groups often interacted—praying together, working the same land, and occasionally sharing households and starting families. Some free people of color also rose to prominence in their communities, becoming successful businesspeople and winning the respect of their white neighbors. Milteer's innovative study moves beyond depictions of the American South as a region controlled by a strict racial hierarchy. He contends that although North Carolinians frequently sorted themselves into races imbued with legal and social entitlements—with whites placing themselves above persons of color—those efforts regularly clashed with their concurrent recognition of class, gender, kinship, and occupational distinctions. Whites often determined the position of free nonwhites by designating them as either valuable or expendable members of society. In

early North Carolina, free people of color of certain statuses enjoyed access to institutions unavailable even to some whites. Prior to 1835, for instance, some free men of color possessed the right to vote while the law disenfranchised all women, white and nonwhite included. North Carolina's Free People of Color, 1715-1885 demonstrates that conceptions of race were complex and fluid, defying easy characterization. Despite the reductive labels often assigned to them by whites, free people of color in the state emerged from an array of backgrounds, lived widely varied lives, and created distinct cultures—all of which, Milteer suggests, allowed them to adjust to and counter ever-evolving forms of racial discrimination.

Constitution for a Free People, for City, County, Provincial, State and National Governments Douglas Robinson Buck, 2017-01-31 Constitution for a Free People presents all the principles and tools needed to create a charter for freedom for any government: city, county, state, nation, or colony on the Moon or Mars. It is based on the inspired original Constitution for the United States, with worthy safeguards to secure liberty for the people and curb the growth of power by any person or special group. It assumes that men and women are born free and that most, when they arrive at the years of majority, are able to come together, deliberate on their common needs, and solve problems. It hails the U.S. Constitution as a charter of liberty and shows how the ideas behind its creation can become the basis for any government. Many statements from the Founders of the United States are given in support. This is not a history book, although some history is included. It is not a political science tome, although may be used as a handbook for students and statesmen. It is not a political tract, although conservative by nature. And it is not a novel or fiction. It is a plan for a government of the people, by the people and for the people, a plan to keep most political decision making close to home, a plan to secure for all people their best hope for liberty, prosperity and happiness.

1968_x000D_ Rehabilitation Act of 1973_x000D_ Pregnancy Discrimination Act of 1978

The Free People's Village Sim Kern, 2023-09-12 From environmental journalist and founder of the #TransRightsReadathon Sim Kern, comes the eat-the-rich climate fiction you won't want to put down: In an alternate 2020 timeline, Al Gore won the 2000 election and declared a War on Climate Change rather than a War on Terror. For twenty years, Democrats have controlled all three branches of government, enacting carbon-cutting schemes that never made it to a vote in our world. Green infrastructure projects have transformed U.S. cities into lush paradises (for the wealthy, white neighborhoods, at least), and the Bureau of Carbon Regulation levies carbon taxes on every financial transaction. English teacher by day, Maddie Ryan spends her nights and weekends as the rhythm guitarist of Bunny Bloodlust, a queer punk band living in a warehouse-turned-venue called The Lab in Houston's Eighth Ward. When Maddie learns that the Eighth Ward is to be sacrificed for a new electromagnetic hyperway out to the wealthy, white suburbs, she joins Save the Eighth, a Black-led organizing movement fighting for the neighborhood. At first, she's only focused on keeping her band together and getting closer to Red, their reckless and enigmatic lead guitarist. But working with Save the Eighth forces Maddie to reckon with the harm she has already done to the neighborhood—both as a resident of the gentrifying Lab and as a white teacher in a predominantly Black school. When police respond to Save the Eighth protests with violence, the Lab becomes the epicenter of “The Free People’s Village”—an occupation that promises to be the birthplace of an anti-capitalist revolution. As the movement spreads across the U.S., Maddie dreams of a queer, liberated future with Red. But the Village is beset on all sides—by infighting, police brutality, corporate-owned media, and rising ecofascism. Maddie’s found family is increasingly at risk from state violence, and she must decide if she’s willing to sacrifice everything in pursuit of justice. Full of furious kindness, radical community, passionate politics, and authentic friendships, The Free People's Village is a sharply-written paean to hope, set in a vivid, brilliantly imagined future that alternately filled me with loathing and yearning. From the carefully crafted timelines to the intensely real characters, this was a story that yanked me into its world and didn't let me surface for hours. You live because you still can, and you organize because you still can, and you fight because you still can. – Premee Mohamed, Nebula Award-winning author of *And What Can We Offer You Tonight* “A thought-provoking, exciting ride. The Free People's Village is a mesmerizing portrait of revolutions — the internal ones that call us to find and fight for the best versions of ourselves; the external that consume, invigorate, and demand as they explore paths to justice. Grounded in an imaginative landscape and rounded out by an inclusive, complex cast, this novel masterfully explores identity, morality, and the choices we make as vehicles that hold radical power in the quest for liberation. More than a love letter to Houston, its bayous, and people forgotten and remembered, Sim Kern's world sings with possibility, hope, and joy that will leave you laughing--and crying — -long after the last bomb has dropped. — Ehigbor Okosun, author of *Forged by Blood Beautiful*, brilliant, and unflinching, The Free People's Village will both inspire you and devour you...in the best possible way. — Nicky Drayden, author of *Escaping Exodus* and *The Prey of Gods*

The Last Flight Julie Clark, 2020-06-23 THE INSTANT NEW YORK TIMES, USA TODAY BESTSELLER, & INTERNATIONAL BESTSELLER! Look for *The Lies I Tell*, the next novel from Julie Clark, coming in June 2022! *The Last Flight* is thoroughly absorbing—not only because of its tantalizing plot and deft pacing, but also because of its unexpected poignancy and its satisfying, if bittersweet, resolution. The characters get under your skin.—The New York Times Book Review Two women. Two flights. One last chance to disappear. Claire Cook has

a perfect life. Married to the scion of a political dynasty, with a Manhattan townhouse and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, nothing is quite as it seems. That perfect husband has a temper that burns bright and he's not above using his staff to track Claire's every move. What he doesn't know is that Claire has worked for months on a plan to vanish. A plan that takes her to the airport, poised to run from it all. But a chance meeting in the airport bar brings her together with a woman whose circumstances seem equally dire. Together they make a last-minute decision. The two women switch tickets, with Claire taking Eva's flight to Oakland, and Eva traveling to Puerto Rico as Claire. They believe the swap will give each of them the head start they need to begin again somewhere far away. But when the flight to Puerto Rico crashes, Claire realizes it's no longer a head start but a new life. Cut off, out of options, with the news of her death about to explode in the media, Claire will assume Eva's identity, and along with it, the secrets Eva fought so hard to keep hidden. For fans of Lisa Jewell and Liv Constantine, *The Last Flight* is the story of two women—both alone, both scared—and one agonizing decision that will change the trajectory of both of their lives. Praise for *The Last Flight*: *The Last Flight* is a wild ride: One part *Strangers on a Train*, one part *Breaking Bad*, with more twists than an amusement park roller coaster! Julie Clark is a devilishly inventive storyteller. —Janelle Brown, *New York Times* bestselling author of *Watch Me Disappear* and *Pretty Things* *The Last Flight* is everything you want in a book: a gripping story of suspense; haunting, vulnerable characters; and a chilling and surprising ending that stays with you long after the last page. —Aimee Molloy, *New York Times* bestselling author of *The Perfect Mother* The perfect combination of beautiful prose and high suspense, and an ending that I guarantee will catch you off guard. —Kimberly Belle, internationally bestselling author of *Dear Wife* and *The Marriage Lie* *The Last Flight* sweeps you into a thrilling story of two desperate women who will do anything to escape their lives. Both poignant and addictive, you'll race through the pages to the novel's chilling end. A must read of the summer! —Kaira Rouda, internationally bestselling author of *Best Day Ever* and *The Favorite*

A Simple Path to Following Jesus Rusty George, 2020-12-01 New Christians are full of questions. What now? How do I become more like Jesus? Where do I start making changes in my life? What does God want from me? This little book has the answers, based on Micah 6:8 (NIV): What does the Lord require of you? To act justly and to love mercy and to walk humbly with your God. Pastor Rusty George explains that Christianity doesn't have to be complicated. In this one verse God has revealed the simple, practical path to following Jesus. This small book is the perfect tool for churches or individuals to give to new Christians.
