Cowboys and Indians Gordon Sinclair,1999 When J.J. Harper of the Island Lake Tribal Council was fatally shot on a wintry Winnipeg street in 1988, the city police department was quick to absolve the officer involved from all blame. Less than a day after the shooting, Police Chief Herb Stephen announced that Harper had died during a struggle for Constable Robert Cross's gun. But the truth was not so cut and dried. Far from closing the case, Stephen's remarks were just the start of this dramatic tale of sex, death, threats, flimsy charges, and a police force so out of control that a prominent lawyer, a senior Crown attorney, and a respected journalist all had reason to suspect they were being watched by the police. Pursued doggedly byWinnipeg Free Presscolumnist Gordon Sinclair Jr., the stranger-than-fiction story of the shooting of J.J. Harper points a finger at the growing disaster of race relations and policing in Canada's inner cities.

The Lovely and the Lost Jennifer Lynn Barnes,2019-05-04 A teenage girl, her friends, and their search-and-rescue dogs must uncover long-buried secrets to save a life in this unputdownable mystery from Jennifer Lynn Barnes, #1 bestselling author of The Inheritance Games. Kira Bennett's earliest memories are of living alone and wild in the woods. She has no idea how long she was on her own or what she had to do to survive, but she remembers the moment that Cady Bennett and one of her search-and-rescue dogs found her. Adopted into the Bennett family, Kira still struggles with human interaction years later, but she excels at the family business: search and rescue. Together with Cady's son, Jude, and their neighbor, Free, Kira works alongside Cady to train the world's most elite search-and-rescue dogs. Someday, all three teenagers hope to put their skills to use, finding the lost and bringing them home. When Cady's estranged father, the enigmatic Bales Bennett, tracks his daughter down and asks for her help in locating a missing child—one of several visitors who has disappeared in the Sierra Glades National Park in the past twelve months -- the teens find themselves on the front lines sooner than they could have ever expected. As the search through seven hundred and fifty thousand acres of unbridled wilderness intensifies, Kira becomes obsessed with finding the missing child. She knows all too well what it's like to be lost in the wilderness, fighting for survival, alone. But this case isn't simple. There is more afoot than a single missing girl, and Kira's memories threaten to overwhelm her at every turn. As the danger mounts and long-held family secrets come to light, Kira is forced to question everything she thought she knew about her adopted family, her true nature, and her past.
