Scanner Log Journal for Police Fire EMS Aviation Military Maritime Sergeant

Turner,2018-04-27 A scanner sends out an alert for a reported factory explosion with injuries. Let's say you hear a call for Battalion 2 Chief, truck 11, 14, 17, ladder 12, ladder 13, Med 4, Med 7, and Med 9. So where do you keep all this information for immediate and future reference for years to come? This Scanner Log Journal has been developed as a place to record such events. All recorded events will be easily found in one journal-no more scraps of paper. The Scanner Log Journal contains spaces for marking with a circle which First Responders are involved, indicating the date, time, and weather and location to describe each event as it happens. In addition, there are pages to record lists of your favorite departments, their phone numbers and frequencies. There are also pages to list agencies and their phone numbers. This Scanner Log Journal makes a great gift for scanner users and all First Responders.

Officer's Guide to Fire Service EMS Gordon M. Sachs, 1999 Emergency medical service represents more than 80 per cent of the response activity in emergency response agencies. The whole concept of EMS has undergone drastic changes and improvements over the past three decades. With the ongoing threat of deadly diseases, the methods once practiced to treat trauma victims are not necessarily the best, or safest, procedures. In this day and age, change is the only constant.
