Scanner Log Journal for Police Fire EMS Aviation Military Maritime Sergeant Turner,2018-04-27

A scanner sends out an alert for a reported factory explosion with injuries. Let's say you hear a call for Battalion 2 Chief, truck 11, 14, 17, ladder 12, ladder 13, Med 4, Med 7, and Med 9. So where do you keep all this information for immediate and future reference for years to come? This Scanner Log Journal has been developed as a place to record such events. All recorded events will be easily found in one journal-no more scraps of paper. The Scanner Log Journal contains spaces for marking with a circle which First Responders are involved, indicating the date, time, and weather and location to describe each event as it happens. In addition, there are pages to record lists of your favorite departments, their phone numbers and frequencies. There are also pages to list agencies and their phone numbers. This Scanner Log Journal makes a great gift for scanner users and all First Responders.

The Right Wrong Thing Ellen Kirschman,2024-04-23 “Highly satisfying . . . Perceptively treats complex racial, feminist, personal, and political issues while providing intimate knowledge of cops’ shop procedure.” —Publishers Weekly Officer Randy Spelling has always wanted to be a cop. The eager rookie comes from a law enforcement family and, at least as far as police department psychologist Dr. Dot Meyerhoff is concerned, the young woman is up to the challenge. But when Officer Spelling mistakenly shoots and kills a pregnant teen, the community is outraged, and the family of the victim demands justice. Feeling protective of the traumatized cop in her care, Dot tries to stop Officer Spelling from her desperate attempts to apologize to the girl’s family. But Dot’s efforts fail, with catastrophic results. Now Dot is taking this into her own hands, despite the police chief demanding that she back off. For Dot, this case feels all too personal for her to walk away, even if it means being in the line of danger herself. Praise for the Dot Meyerhoff Mysteries “Riveting, compelling and authentic! Ellen Kirschman’s been-there done-that experience makes this a real standout.” —Hank Phillippi USA Today-bestselling author of The House Guest “Psychological thriller writing at its finest.” —D.P. Lyle, award-winning author of the Jake Longly series “An inherently absorbing read from beginning to end and marks author Ellen Kirschman as a novelist of exceptional storytelling talent.” —Midwest Book Review “Gutsy and emotionally anchored in real life.” —Hallie Ephron, New York Times-bestselling author of Careful What You Wish For “Ellen Kirschman is one to watch.” —Bookreporter.com
