

Free Police, Fire, And EMS Scanner

Gordon M. Sachs

Scanner Log Journal for Police Fire EMS Aviation Military Maritime Sergeant Turner, 2018-04-27 A scanner sends out an alert for a reported factory explosion with injuries. Let's say you hear a call for Battalion 2 Chief, truck 11, 14, 17, ladder 12, ladder 13, Med 4, Med 7, and Med 9. So where do you keep all this information for immediate and future reference for years to come? This Scanner Log Journal has been developed as a place to record such events. All recorded events will be easily found in one journal-no more scraps of paper. The Scanner Log Journal contains spaces for marking with a circle which First Responders are involved, indicating the date, time, and weather and location to describe each event as it happens. In addition, there are pages to record lists of your favorite departments, their phone numbers and frequencies. There are also pages to list agencies and their phone numbers. This Scanner Log Journal makes a great gift for scanner users and all First Responders.

Scanner Master Massachusetts Communications Guide Richard Barnett, Edward Soomre, 1994 Includes exact channel usages of nearly all police, fire, and EMS frequencies.

Scanners And Secret Frequencies Henry Eisenson, 1994-01-01 This cynical and immensely entertaining book describes the scanner world, the people in it, the equipment they use, and how they acquire and tune in to the secret frequencies.

New York Metro/Northern New Jersey Guide Warren M. Silverman, 1997-01-01 The operations of major public-safety organizations are explained, and the exact channel usages of almost all police, fire, and EMS frequencies are supplied.

Bathroom Reader for Fire Officers Drs. Tim and, 2019-04-27 Fire/EMS service -200 years of tradition - is now being challenged on a daily basis for new leadership skill sets. For the past 18 years we have studied and evaluated what is and what is not working for today's public safety leader. Therefore, we have compiled articles to challenge and inspire you to become a better leader in today's Fire - EMS - Police public safety environment. Doesn't matter what sector of the Fire- EMS - Police you are serving, your rank, your title or position - these short articles can be an inspiration for any leader/rank in the public safety service or in a leadership role. The title, by the way, should not imply that toilet paper is not valuable!

Officer's Guide to Fire Service EMS Gordon M. Sachs, 1999 Emergency medical service represents more than 80 per cent of the response activity in emergency response agencies. The whole concept of EMS has undergone drastic changes and improvements over the past three decades. With the ongoing threat of deadly diseases, the methods once practiced to treat trauma victims are not necessarily the best, or safest, procedures. In this day and age, change is the only constant. This book is designed to improve the quality of your EMS delivery.

Emergency Radio! Norm Schrein, Norman H. Schrein, 1994 A terrific guide to scanning and listening in on the frequencies used by emergency services so you can hear the news while it is happening even before radio and TV news reports it!
