**Justice Betrayed** Jeffrey David, 2016-09-15 A murder trial, a jury deliberating intensely on the death penalty, venal political corruption, and a staunch investigation set the stage for this story of two judges. One is a respected, seasoned veteran of the bench who has risen from Magistrate Court Judge to District Court and then to the Chief Justiceship of the state's Supreme Court; the other a young Administrative Law Judge, riveted by his duty, immovable and undeterred by enticement or violence, and unwilling to be silenced or swerve him from his sworn oath to uphold the law. Set in the cities and courthouses, the mesas, mountains, and high desert plains of New Mexico, this book drives forward like a charging battle tank, and all these events lead to the prize of a vacant U.S. Senate seat and all the potency and might that goes with it.

**Oregon Search & Seizure Survival Guide** Anthony Bandiero, 2021-03-08 This book provides concise, targeted information for Oregon police officers. The Fourth Amendment only prohibits one type of search or seizure, the unreasonable one. This book explains what those factors are. It is written in a checklist type format and officers around the country have expressed their appreciation for its down-to-Earth writing style and easy-to-apply format.

No Call Too Small Lake Oswego Review Staff, 2015-03-15 LAKE OSWEGO, ORE. -- The affluent town of Lake Oswego is considered one of the finest communities in Oregon. With great schools, a thriving arts community, countless parks, a celebrated library and a business community dedicated to customer service, it's easy to see why many national publications rank Lake Oswego as one of Oregon's finest communities. But one of Lake Oswego's best kept secrets (maybe not among criminals) is that it boasts one of the finest police departments in all of Oregon. What other conclusion can you make when serious crime in Lake Oswego is almost non-existent and the police respond with tireless dedication to every kind of call, because they believe: There is no call too small. As journalists at the weekly Lake Oswego Review, we document these calls every week in our popular police log. Our first book, No Call too Small, highlights some of our favorite calls from 2009 to 2014. We apologize in advance for any milk snorted through noses, busted guts and sudden snorts of laughter.
