*Battle of the Linguist Mages* Scotto Moore,2022-01-11 “This is a stand-alone novel with material enough for six... By the halfway point, it had blown my mind twice... an audacious, genre-bending whirlwind.” —New York Times “It reads like Snow Crash had a dance-off with Gideon the Ninth, in a world where language isn't a virus from outer space, it's a goddamn alien invasion.” —Charles Stross In modern day Los Angeles, a shadowy faction led by the Governor of California develops the arcane art of combat linguistics, planting the seeds of a future totalitarian empire. Isobel is the Queen of the medieval rave-themed VR game Sparkle Dungeon. Her prowess in the game makes her an ideal candidate to learn the secrets of power morphemes—unnaturally dense units of meaning that warp perception when skilfully pronounced. But Isobel’s reputation makes her the target of a strange resistance movement led by spellcasting anarchists, who may be the only thing stopping the cabal from toppling California over the edge of a terrible transformation, with forty million lives at stake. Time is short for Isobel to level up and choose a side—because the cabal has attracted much bigger and weirder enemies than the anarchist resistance, emerging from dark and vicious dimensions of reality and heading straight for planet Earth! At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*My Life with Earth, Wind & Fire* Maurice White,Herb Powell,2016-09-13 Foreword by Steve Harvey and afterword by David Foster The Grammy-winning founder of the legendary pop/R&B/soul/funk/disco group tells his story and charts the rise of his legendary band in this sincere memoir that captures the heart and soul of an artist whose groundbreaking sound continues to influence music today. With its dynamic horns, contrasting vocals, and vivid stage shows, Earth, Wind & Fire was one of the most popular acts of the late twentieth century—the band “that changed the sound of black pop” (Rolling Stone)—and its music continues to inspire modern artists including Usher, Jay-Z, Cee-Lo Green, and Outkast. At last, the band’s founder, Maurice White, shares the story of his success. Now in his seventies, White reflects on the great blessings music has brought to his life and the struggles he’s endured: his mother leaving him behind in Memphis when he was four; learning to play the drums with Booker T. Jones; moving to Chicago at eighteen and later Los Angeles after leaving the Ramsey Lewis Trio; forming EWF, only to have the original group fall apart; working with Barbra Streisand and Neil Diamond; his diagnosis of Parkinson’s; and his final public performance with the group at the 2006 Grammy Awards. Through it all, White credits his faith for his amazing success and guidance in overcoming his many challenges. *Keep Your Head to the Sky* is an intimate, moving, and beautiful memoir from a man whose creativity and determination carried him to great success, and whose faith enabled him to savor every moment.
