**Video Poker for the Intelligent Beginner** Bob Dancer,2009-06 Bob Dancer is the world's number one video poker expert. His real-life video poker successes are legendary, but he's also a world-class teacher. Now, after years of creating the industry standards in video poker reports, strategy cards, and software, Dancer has written the quintessential beginner's guide on the game. Video Poker for the Intelligent Beginner is a how-to-win blueprint for players seeking the fast track to the upper levels of this beatable game. First, you'll master the techniques for finding and identifying the highest-returning games. Then you'll learn how to generate, understand, and implement the computer-perfect strategies that yield the ultimate goal: monetary profit! In addition, Video Poker for the intelligent beginner imparts Dancer's professional insight relative to the game's many nuances and related considerations--including in-depth coverage of slot clubs, casino promotions, progressives, team play, scouting, and tournaments. Plus, this is the first book to explain in detail how Dancer's powerful Video Poker for Winners! software can be employed to solve previously unanswered questions about bankroll needs, promotions analysis, and profit potential. Bob Dancer is the best. Now you can know what he knows about the most exploitable gambling game of them all.

**Mike's Guide to Better Slot Play** M.J. Veaudry,2011-11-06 Tired of losing at the slots and going home with empty pockets? Let Mike show you a process with rules and techniques for improving your slot play. A proven way to manage your money better and to make sure you leave with your winnings. In the 2014 edition you will find material that covers the new multi-play, multi-game machines. The material has also been expanded to include maxi-line slot machines that only let you play the maximum lines. Tips on how to extend your play and winnings on these machines have also been updated. Mike will explain how slot machines really work and using this information he will show you how you can be a better slot player. The book will not guarantee that you will win at slots but it will show you how to extend your playing time. It will also focus on techniques to make sure you keep more of your winnings. The book is easy to read and understand. It makes an excellent gift for anyone you know who loves to play slot machines.

Break the One-Armed Bandits Frank Scoblete,1994 One of America's bestselling gaming authors has written the definitive book on slot machines. Players can learn what makes some machines player-friendly and other machines player-deadly and how to distinguish between them. In the land of the one-armed bandits, this new book is the road map slot players need.

Game Programming Patterns Robert Nystrom,2014-11-03 The biggest challenge facing many game programmers is completing their game. Most game projects fizzle out, overwhelmed by the complexity of their own code. Game Programming Patterns tackles that exact problem. Based on years of experience in shipped AAA titles, this book collects proven patterns to untangle and optimize your game, organized as independent recipes so you can pick just the patterns you need. You will learn how to write a robust game loop, how to organize your entities using components, and take advantage of the CPUs cache to improve your performance. You'll dive deep into how scripting engines encode behavior, how quadrees and other spatial partitions optimize your engine, and how other classic design patterns can be used in games.

**Slots Conquest** Frank Scoblete,2010-10-01 Think all slot machines are the same? If so, that's why you're losing money. Slots Conquest will teach readers all the nuances of slot machines to improve the odds of winning. Written by one of the most experienced professional gamblers in the profession, Slots Conquest opens up the secret world of slot machines to everyone so that readers can learn how to identify the machines that will give the best odds to win. Different machines offer different odds of success, and this book explains how to identify the best machines to play in the casino to guarantee walking out a winner. Whether you're a longtime fan of the one-armed bandit or brand new to slot machines, Slots Conquest will change your approach to slot machines instantly.
