The Penguin Book of Card Games David

Parlett,2008-08-07 The Penguin Book of Card Games is the authoritative up-to-date compendium, describing an abundance of games to be played both for fun and by serious players. Auctions, trumpless hands, cross-ruffing and lurching: card players have a language all of their own. From games of high skill (Bridge) to games of high chance (Newmarket) to trick-taking (Whist) and banking (Pontoon), David Parlett, seasoned specialist in card games, takes us masterfully through the countless games to choose from. Not content to merely show us games with the conventional fifty-two card pack, Parlett covers many games played with other types of cards - are you brave enough to play with Tarot? With a 'working description' of each game, with the rules, variations and origins of each, as well as an appendix of games invented by the author himself, The Penguin Book of Card Games will delight, entertain and inform both the novice and the seasoned

player.

Savage Chickens Doug Savage, 2011-03-01 As a vegan, the only chickens I consume are Savage's. I never miss a meal.-Dan Piraro, cartoonist of Bizarro We've all been forced to endure jobs we don't like. We get up, go to work, go to bed, and do it again. No one knows these pains better than Doug Savage, whose dream of being a cartoonist was eclipsed by his ho-hum office job. That is, until he started doodling chicken cartoons on Post-its and turned them into one of the Internet's most popular cartoon blogs. Savage Chickens is a collection of cartoons starring Doug's beloved chickens and their officemates that will get a laugh out of even the most jaded number-crunching colleague. Doug blends cynicism, optimism, and interactive activities to create a portable pep talk for the overworked and

underappreciated that will keep you sane-and amused-during the morning bus ride, the meeting-filled Monday, the tenth load of laundry, the bathroom break, or the red-eye to the coast. Watch a Video
