

# Free Whatsapp Last Seen

PRIYANKA BOSE SARKAR

**WhatsApp** Amelia Johns,Ariadna Matamoros-Fernández,Emma Baulch,2023-11-28 In the 2010s, as chat apps became a primary mode of communication for many people across the world, WhatsApp quickly outpaced rival messaging apps and developed into a platform. In this book, the authors provide a comprehensive account of WhatsApp's global growth. Charting WhatsApp's evolution from its founding in 2009 to the present day, they argue that WhatsApp has been transformed from a simple, 'gimmickless' app into a global communication platform. Understanding this development can shed light on the trajectory of Meta's industrial development, and how digital economies and social media landscapes are evolving with the rise of 'superapps'. This book explores how WhatsApp's unique characteristics mediate new kinds of social and commercial transactions; how they pose new opportunities and challenges for platform regulation, civic participation and democracy; and how they give rise to new kinds of digital literacy as WhatsApp becomes integrated into everyday digital cultures across the globe. Accessibly written, this book is an essential resource for students and scholars of digital media, cultural studies, and media and communications.

*Introduction to WhatsApp* Gilad James, PhD, WhatsApp is a popular mobile application that was founded in 2009 by Jan Koum and Brian Acton. The app allows users to send text messages and voice messages, make voice and video calls, share images, documents, user locations, and other media. In addition to personal messaging, WhatsApp also offers a range of features for businesses, including WhatsApp Business, which allows small businesses to communicate with their customers and share updates over the app. WhatsApp has grown to become one of the most widely used messaging apps in the world, with over 2 billion active users across 180 countries. WhatsApp makes use of end-to-end encryption to ensure that only the sender and recipient of a message can access its contents. The company has been praised for its commitment to user privacy, although it has also faced scrutiny over its handling of false information and its role in facilitating political unrest. Nevertheless, the app remains a vital tool for communication and connection, particularly in countries where other messaging apps are restricted or banned. Its continued popularity is a testament to the users' trust in its security and reliability.

*Mobile Communication and Online Falsehoods in Asia* Carol Soon,2023-06-11 This book focuses on developments and trends pertaining to online falsehoods and mobile instant messaging services (MIMS), the impact of online falsehoods transmitted via MIMS, and practice and intervention. As the reliance on mobile devices for news seeking and information sharing continues to grow, the spread of online falsehoods on MIMS is a problem that confounds academics, practitioners, and policymakers. Recent developments in countries such as Brazil and India demonstrate how MIMS facilitate the spread of online falsehoods. Given that a number of non-academic and non-governmental institutions in the region are doing important work in countering the influence of online falsehoods, this book also includes contributions by practitioners who design initiatives and programmes in this area. The book is a timely contribution in addressing the distinct issues of online falsehoods in a large, technophilic region such as Asia, grappling with problems of online falsehoods on so many fronts, including ideological extremism, political opportunism, cyber scams, political activism, digitalised learning, geopolitical tensions, and more. Relevant to researchers and policymakers, this book provides a timely and critical analysis of both research and practice conducted in the Asian context by scholars hailing from a range of disciplines such as media studies, political communication, cultural studies, and cognitive science.

**WhatsApp** Dr Tuhin Shambhu Banerjee,2016-08-04 Do you feel stuck in communicating? Are you communicating with little response? Do social messaging platforms like WhatsApp intimidate you? In WhatsApp - Unlocking The Goldmine motivational speaker Dr Banerjee talks straight about why our communication in social media platform spiral out of control and how to get back in the driver's seat. Dr Banerjee shares his two decades experience in leveraging communication to achieve success. Through stories, humour, and dozens of practical tips, he shows the way to anyone apprehensive in communicating using WhatsApp and shares framework to win. In these pages you'll discover: • How to find your communication style • How to stop using wrong communication techniques in WhatsApp • How to get free from situations that own you • How to protect your inner wellbeing Your life is brimming with endless opportunities, but only if you control your communication through WhatsApp. If you are aspiring for improved communication using social messaging platform in your personal and professional, but doesn't know how, this book is for you.

**Step of Life Beyond One's Imagination** Sarfaraj Khan,2021-10-08 This book is tribute to loyal life. I have just try to pen down some of the real facts which is known by all but still behave as unknown, why? still I am searching the answers. Atmosphere surrounding me, as my friend's story about his pain and grief for her. Help me to understand about reality of life. 'My question from you'. What are you doing? why you are destructed? what is your role? What is your problem? Where is your studies? How you forget your Ami-papa? This is called LOVE for her (girlfriend)? please my dear come out from all these, because life is beyond one's imagination. Rather all are questions for you, but they are enough to understand about your life, This WHY, will give you WAY to WIN the WAR of Life. "Loss of everything in the name of Love is not a solution." I try to write all the problems of students with best solution, nothing new but it will definitely help in your life to understand in better way. Student life, designed for success! Make it. "As you are the best judge for yourself."

SOULMATES PRIYANKA BOSE SARKAR,2020-05-11 "I don't know, Joy! I don't want to understand either, whether these tears are symbolic of love or not. All I know is I can't do without my best friend..." June loves Joy, but still, she is in a dilemma. She is still explaining herself that Joy is only her best friend. Joy never forces her to confess, but he is sure that she loves him more than herself. June, though thwarted in her relationship with Som, still wants to keep up with it as she has some deep-seated convictions. The definition of love for her was quite different unless she came across Joy. Joy is determined never to let his soulmate suffer alone, so he is never late to hold her hand and make her rise in love. He soulfully pleads, "Love me June, love me the way I love..." with the belief that the day will soon come when June will surrender to her heart and do away with the dilemma. But time has a different story to knead.

*Polaroid* Felereen Adorisa Tariang,2021-02-28 Leyahra is the girl next door, who embarks on teenage life with the idea that "fairy tales do come true," only to find doses of reality checks along the way. Her story could strike a chord with teenagers and young adults but could bring a surge of nostalgia to older generations. Find out how Leyahra ends up dismantling the idea of a "Disney princess" kind of a fairy tale and immerses herself into the idea of an "Elle Woods" kind of a fairy tale in Polaroid.

*Appified* Jeremy W Morris,Sarah Murray,2018-10-23 Snapchat. WhatsApp. Ashley Madison. Fitbit. Tinder. Periscope. How do we make sense of how apps like these-and thousands of others-have embedded themselves into our daily routines, permeating the background of ordinary life and standing at-the-ready to be used on our smartphones and tablets? When we look at any single app, it's hard to imagine how such a small piece of software could be particularly notable. But if we look at a collection of them, we see a bigger picture that reveals how the quotidian activities apps encompass are far from banal: connecting with friends (and strangers and enemies), sharing memories (and personally identifying information), making art (and trash), navigating spaces (and reshaping places in the process). While the sheer number of appsis overwhelming, as are the range of activities they address, each one offers an opportunity for us to seek out meaning in the mundane. Appified is the first scholarly volume to examine individual apps within the wider historical and cultural context of media and cultural

studies scholarship, attuned to issues of politics and power, identity and the everyday.

**Learning and Collaboration Technologies: New Challenges and Learning Experiences** Panayiotis Zaphiris, Andri Ioannou, 2021-07-03 This two-volume set LNCS 12784 and 12785 constitutes the refereed proceedings of the 8th International Conference on Learning and Collaboration Technologies, LCT 2021, held as Part of the 23rd International Conference, HCI International 2021, which took place in July 2021. Due to COVID-19 pandemic the conference was held virtually. The total of 1276 papers and 241 posters included in the 39 HCII 2021 proceedings volumes was carefully reviewed and selected from 5222 submissions. The papers of LCT 2021, Part I, are organized in topical sections named: Designing and Developing Learning Technologies; Learning, Teaching and Collaboration Experiences; On-line vs. in Class Learning in Pandemic Times.

**I Wish I Could Tell Her** Ajay K Pandey, 2022-07-12 If a good-looking face was the definition of beauty, then no one would have loved their ailing and wrinkled parents. When Vasu first sets his eyes on the charming and pretty Radhika, he forgets all about his 'average' looks. An amiable and kind-hearted boy, Vasu is looked down upon by others due to his dark skin tone. His sister Kavya sees his inner goodness and wants him to realise that he is no less than others. Radhika considers Vasu to be her best friend, while he cannot help falling in love with her. Will his 'average' looks come in the way of his happily ever after? What happens when Vasu is harshly judged based on his skin tone? Will he be able to overcome his insecurities? I Wish I Could Tell Her is a heartwarming story of a boy's struggle in search of his identity. Vasu's emotional tale shall engulf you in tears, both of pain and laughter.

**Freakish Love** Sia Bear, 2023-08-28 Do people find their true love? Or is it something only out of reach for Aditi? After traumatizing events at the bare age of 6, all Aditi wants is for someone to love her, to seek that love and worship that special someone despite the struggles she faces every day. But this wouldn't be a story to tell if it didn't involve painful twists and heartbreaking turns. She finds her special man, but Kabir is someone Aditi cannot have. He knows her like no one else, he loves her like no one else. The undeniable power of their sex makes her life glorious and the unbridled expression of love freely erupts in spasms of ecstasy. But the fates are pitted against the two lovers. Aditi knows life has always been cruel to her so why would it be any different this time? Filled with heartbreak, love and passion, Freakish Love will take you through a whirlwind that is Aditi's life where she finds the cathartic release of erotic emotions in the stubborn man and paints a canvas of her imaginary dirty sex .

**How To Say No** Michelle Elman, 2023-08-17 Say NO to demanding friends. NO to parties you don't want to go to. NO to being tied to your phone. NO to unwanted hugs. This is an empowering, essential and playful guide to setting boundaries. Growing up is a minefield. You have to navigate new friendships, new teachers, your body changes, people are kissing, there never seems to be enough hours in the day ... and why is everyone suddenly posting their breakfast on social media?! Author and life coach Michelle Elman is here to show you how to say no and take control. 'No' makes you strong. 'No' makes you confident. 'No' makes you realise your worth and what you deserve. From setting boundaries with friendships, phones, family, your body and much more, and with funny and informative illustrations, this important, playful and empowering book is a one-stop guide to creating the rules to your own life, and knowing when it's okay to say NO! Suitable for readers aged 10+

**The Last Words We Said** Leah Scheier, 2021-08-31 A Sydney Taylor Young Adult Honor Book All the Bright Places meets If I Stay in this heart-wrenching, romantic novel about a tight-knit group of teen girls coping with a devastating loss and what happens when your best friend is also your first love...and your first heartbreak. Nine months ago, Danny disappeared. His closest friends, Ellie, Rae, and Deenie, are all dealing with the loss differently. Rae's pouring herself into rage-baking. Deenie's deepening her commitment to Orthodox Judaism. And Ellie—who was Danny's girlfriend and closest friend—is the only one who doesn't believe he's dead. Because she still sees him. In chapters that alternate between past and present, the story of Ellie and Danny unspools—from their serendipitous meeting to Danny's effortless absorption into the girls' friend group to Danny and Ellie falling for each other. In the past, they were the perfect couple...until it all went wrong. In the present, Ellie's looking for answers. She, Rae, and Deenie all have secrets, and they each hold a clue about the night Danny disappeared. Can the friends come together to uncover the truth about Danny? Or will tragedy drive them apart for good?

**The WhatsApp India Story** Sunetra Sen Narayan, Shalini Narayanan, 2024-02-13 WhatsApp is used by over half a billion people in India today in all fields - in business, corporate and informal sectors, in government, for education and among friends, families and acquaintances. This book critically explores the social messaging app's rapid expansion in India and its growing influence and looks at whether, as a form of horizontal communication, it poses a challenge to more traditional structures of communication. The book examines WhatsApp's spread in the personal and professional lives of Indians and the myriad ways in which people in India are using the app in social and business interactions, including among people living with disabilities. Using case studies, interviews, surveys and in-depth research, it analyses key aspects of WhatsApp's massive popularity and its impact on how people communicate. It also explores its impact on the psycho-social dynamics in India, including the dissemination of fake news and politically motivated content, and the consequent need for media regulation in the country. One of the first books to analyse the pervasiveness of WhatsApp and social media apps in different areas of Indian society, this book will be of interest to scholars and students of media studies, communication studies, digital media, cultural studies, cyberculture studies, sociology and social policy and media law.

**How to Avoid a Climate Disaster** Bill Gates, 2021-02-16 #1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

**Handbook Of The Sociology Of Youth In Brics Countries** Dwyer Tom, Gorshkov Mikhail K, Modi Ishwar, 2017-11-08 Youth are, by definition, the future. This book brings initial analyses to bear on youth in the five BRICS countries: Brazil, Russia, India, China and South Africa, which are home to nearly half of the world's youth. Very little is known about these youth outside of their own countries since the mainstream views on youth and youth culture are derived from the available literature on youth in the industrialized West, which is home to a small part of the world's youth. This book aims to help fill in this gap. The handbook examines the state of youth, their past, present and permits the development of insights about future. The BRICS countries have all engaged in development processes and some remarkable improvements in young people's lives over recent decades are documented. However, the chapters also show that these gains can be undermined by instabilities, poor decisions and external factors in those countries. Periods of economic growth, political progress, cultural opening up and subsequent reversals

rearticulate differently in each society. The future of youth is sharply impacted by recent transformations of economic, political and social realities. As new opportunities emerge and the influence of tradition on youth's lifestyles weakens and as their norms and values change, the youth enter into conflict with dominant expectations and power structures. The topics covered in the book include politics, education, health, employment, leisure, Internet, identities, inequalities and demographics. The chapters provide original insights into the development of the BRICS countries, and place the varied mechanisms of youth development in context. This handbook serves as a reference to those who are interested in having a better understanding of today's youth. Readers will become acquainted with many issues that are faced today by young people and understand that through fertile dialogues and cooperation, youth can play a role in shaping the future of the world. Contents: History of Concepts and Theoretical and Methodological Assumptions into Research on Youth: Knowledge about Youth in Brazil and the Challenges in Consolidating This Field of Study (Marilia Pontes Sposito)Historical, Theoretical and Methodological Background for Youth Studies in Russia (Mikhail K Gorshkov and Frants E Sheregi)Sociology of Youth: Substantive and Conceptual Issues (N Jayaram)Chinese Youth Studies in a Changing Society (Meng Lei)Review of Historical and Contemporary Concepts and Theoretical Assumptions in Youth Studies of South Africa (Mokong Simon Mapadimeng)Demographic Characteristics of Youth: Youth in Brazil: Concepts, Issues and Socio-Demographic Characteristics (Celi Scalon and Lygia Costa)Demographics of Youth in Russia (Sergei V Zakharov and Ekaterina S Mitrofanova)Indian Youth Population: Socio-Demographic Characteristics (Vinod Chandra)Demographic Characteristics of Chinese Youth (Zhang Yi and Tian Feng)The Demographic Profile of Youth in South Africa: Past, Present and Future (Martin E Palamuleni)Identity and Generation: Youth Generations and Processes of Identity Formation in Brazil (Wivian Weller and Lucélia de Moraes Braga Bassalo)Russian Youth: Specifics of Identities and Values (Svetlana V Mareeva)Contemporary Youth: Change of Referent, Loss of Identity (Ashok Kaul and Chittaranjan Das Adhikary)Youth Culture and Social Ecology: State, Market, Technology, and Grassroots Participation (Meng Lei)South African Youth Identity and Generation (Jayanathan Govender)Consumption and Leisure: Young

**Digital Business Models** Sébastien Ronteau,Laurent Muzellec,Deepak Saxena,Daniel Trabucchi,2022-12-19 A business model basically describes the way a company makes money. Yet, often we use digital services for free (e.g. Facebook, Google or WhatsApp) or for what seems to be a relatively minor price (e.g. Blablacar, Airbnb, and Amazon). Digital business models are different to traditional business models. Digital Business Models explains the key challenges and characteristics of the various business models that are used by digital businesses. These companies can be a source of inspiration for traditional bricks-and-mortar companies that aim to go digital and/or revamp their traditional business model. Most businesses rely on some form of digital technology for their marketing communication, customer relationship management, supply chain or distribution, yet digital transformation entails a complete reassessment of the way value is created and captured. Digital Business Models details the successful customer acquisition tactics and the development of business ecosystems by digital players. Using the relevant academic and managerial body of knowledge, the authors define the concepts, describe the various ways digital businesses create and capture value and propose some useful tools for managers to analyse a situation, formulate or implement a strategy.Different digital business types are evaluated, such as multisided platforms, digital merchants, subscription-based model, freemium, social media and sharing economy. Each chapter is illustrated with several examples and the appendix comprises four full-length case studies.

Adopting the Tune of Phrase: An Mental Symphony within **Free Whatsapp Last Seen**

In a global consumed by screens and the ceaseless chatter of fast interaction, the melodic elegance and mental symphony developed by the published term frequently disappear in to the backdrop, eclipsed by the constant noise and distractions that permeate our lives.
