Desktop Publishing Made Easy James Anthony Kennedy, 2003 Step-by-step, jargon-free tutorials on all the skills needed for the exercises make for easy learning and enables learners to work on their own. Graphics and screen-dumps integrated with the text allow the learner to see how he/she is progressing. Numbered completion instructions add to the ease of exercise completion and extra exercises at the end of each chapter help in the retention of information. Design principles are discussed comprehensively and then utilized in the Document Analysis chapter. It is suitable for all versions of Microsoft Publisher (MP) as the few differences between MP 97/98 and 2000 are highlighted within a section of the book. Tutorials are indexed for easy reference. This book offers the learner a collection of DTP exercises, tutorials on the skills needed for each exercise and instructions for their completion.
