The Confidential Internet Intelligence Manuscript Mark Joyner,2003-10-01 If I could show you one simple technique that in 5 minutes would increase your Internet sales by 32%, would you do it? What if I had a collection of these techniques that took me years to test and perfect, would you want to use them? Of course - and that's why people are going crazy about this manuscript. No other marketer has ever revealed information this sensitive. For years, I've kept this information quiet - now, you've probably heard the buzz that I've finally released my CONFIDENTIAL Internet Intelligence Manuscript to the public. Jay Conrad Levinson said he'd easily pay \$2,000 or more for this document. He said, Every page is a true revelation. Joe Vitale said, Everyone selling ANYTHING on the Net should keep a copy of this on their desk. This simple document is probably the most powerful thing I've ever written. These simple techniques will increase your sales by 32% (at least). How can you do this? Well, it's quite easy to use and purely scientific. These aren't just theories and guesses - these are SPECIFIC things you can do right now that will increase your sales. And each of these techniques have been SCIENTIFICALLY proven. This book reveals the results of years of research conducted at Aesop

showing EXACTLY the simple techniques I use that dramatically increase Internet sales. One of these techniques increased our sales by a clearly measurable 412%. If I could reach out and grab you through this cover I'd shake you to make you realize how important what I'm about to show you is. What if this manuscript is exactly what you need to turn your sales around? There's a reason people are going crazy for this document. DON'T YOU WANT TO KNOW WHY?
