**PI Revelations** Rob Kimmons,2016-09-16 You might be an avid fan of crime novels, but what's the true story behind your favorite form of fiction? Author Rob Kimmons brings his decades of law enforcement and PI experience to this collection of authentic investigative cases. Kimmons shares some of his most interesting encounters, from brushes with the rich and famous to bringing the guilty to justice. The adventures include working on Donald Trump's divorce, seizing Mexico's Air Force One, and many, many more. Ranging from dirty divorces to tracking down killers, the revelations in this book will keep you turning the pages, eager to read more. PI Revelations: True Celebrity, Political & Cop Case Stories brings the complex world of private investigation to life, offering a behind-the-scenes glimpse into the life of a private investigator, including the perilous highs of pursuit and the ho-hum lows of surveillance.

**Revivify Your Home** Grace Mase,2019-04-23 Everyone deserves a better life through a better home. Improving your home can upgrade your life. Are you thinking about remodeling, renovating, adding-on or building your home? Revivify Your Home will change how you approach your project. Author Grace Mase, founder and CEO of BEYREP, is like a fairy godmother for home improvements. She will provide you peace of mind by helping you take control of your home improvement project and avoid the costly heartaches. Like tidying up with Marie Kondo's KonMari Method, Grace will show you a simple and strategic framework to guide you through the journey to successfully achieve your home improvement goals. When starting a major home improvement project, many homeowners would cold-call contractors or glorified handymen to gut and remodel their house without an architectural plan. It is like asking urgent care to perform delicate heart surgery without an attending heart surgeon's guidance. Fortunately, no reputable urgent care facility would take such a request, but not all contractors and handymen share the same ethical standards. This approach is a huge gamble. Perhaps it is not surprising that homeowner frustration with home improvement projects has consistently ranked as one of the top consumer complaints nationwide for over twenty years, according to the National Association of Consumer Agency Administrators and the Consumer Federation of America. Grace has heard many horror stories of home improvement projects gone wrong and transformed several potential disasters into successful projects. With architecture degrees from UC Berkeley and Yale University and experience as a former UC Berkeley Campus Architect, she has numerous successful renovation projects under her professional belt. Many homeowners stumble through their home improvement project because they are not prepared and don't know what to expect. They don't enjoy it and feel like they are on an emotional rollercoaster. Most of them don't realize that renovating or remodeling their home is a significant emotional as well as a financial investment and rush in unprepared for such a significant undertaking. Others want to improve their home, but never take the first step because of their fear of being taken advantage of, or fear of the unknown. Grace will guide you through the process of planning strategically, preparing mentally and emotionally, and making smart decisions that save time and save money. Drawn from her experience on thousands of projects, Grace shares her proven process that resulted in the creation of her patented BEYREP personalized online home improvement tool. Each chapter contains key insights, best practices, and strategies to help you through the process and bring order to chaos, ensuring your home improvement will be a rewarding experience that you'll enjoy for a lifetime. Revivify Your Home: Take Control of Your Home Improvement With Peace of Mind and Level Up Your Life will help you upgrade your life by empowering you to improve your home with confidence and peace of mind.

Each chapter covers a different continent (North America, Central and South America, Europe, Africa and the Middle East, Asia, Australasia) whilst offering top tips for getting the most out of each ride - including recommended stops, viewpoints on route and how to make the ride shorter/longer depending on how much time you have. Ride is also jam-packed with facts and figures on the world's most famous cyclists and iconic races, plus information on the history of cycling, how to choose a bike and what kit to take.

The Low-FODMAP Diet Cookbook: 150 Simple, Flavorful, Gut-Friendly Recipes to Ease the Symptoms of IBS, Celiac Disease, Crohn's Disease, Ulcerative Colitis, and Other Digestive Disorders Sue Shepherd,2014-07-15 150 delectable and digestible recipes

perfectly suited to the low-FODMAP diet—scientifically proven to reduce symptoms of irritable bowel syndrome (IBS) and other chronic digestive disorders The low-FODMAP diet is changing lives. If you suffer from the pain and discomfort of a digestive condition such as IBS, Crohn’s disease, ulcerative colitis, or nonresponsive celiac disease, it just might change yours. The Complete Low-FODMAP Diet (cowritten by Sue Shepherd) introduced this revolutionary treatment, which is rapidly becoming the first-line recommendation by doctors and dietitians worldwide. FODMAP is an acronym that stands for a group of difficult-to-digest carbohydrates found in foods such as wheat, milk, beans, soy, and some fruits, vegetables, nuts, and sweeteners. More than three quarters of adults with IBS who reduce their intake of these foods gain relief. Now, this follow-up cookbook brings you 150 simple, delicious, and brand-new recipes that are full of flavor but low in FODMAPs. The mix includes: breakfasts to start the day off right (Blueberry Pancakes; Banana-Chocolate Chip Muffins) starters and sides for every occasion (Spring Rolls; Chicken, Bacon, and Pesto Mini Pizzas; Stuffed Roasted Bell Peppers) soups and salads full of flavor (Vietnamese Beef Noodle Salad; Creamy Seafood Soup) entrées that make you feel good (Chicken and Vegetable Curry; Speedy Spaghetti Bolognese; Beef Satay Stir-Fry with Peanut Sauce) desserts that satisfy (Flourless Chocolate Cake; Almond Cookies; Baked Blueberry Cheesecakes). The low-FODMAP diet puts an end to suffering in silence, fearing the possible consequences of every meal, or confining yourself to a handful of bland, “safe” foods. The only thing missing from this comprehensive collection is the FODMAPs—and you’d never know it!

*Health Is Simple, Disease Is Complicated* James Forleo, DC,2008-07-22 \*\*\*WINNER, 2009 Living Now Book Award, Gold Metal In this breakthrough book, Dr. James Forleo proposes a return to the body as the site of self-healing. The problem, he says, is that we don’t understand the language of signs and symptoms it uses to communicate its healing messages. Health Is Simple helps readers decipher that language and access the great realms of health and vitality the body contains. Written in a clear, engaging style, the book takes a systems approach to health, walking readers through the basic design and function of each major organ system—the nerve, endocrine, immune, musculo-skeletal, cardiovascular, respiratory, digestive, and elimination systems—and offers a set of simple practices to boost their performance. With only a few minutes a day, readers can radically improve their health and well-being. Based on his work with hundreds of patients, the program emphasizes simple correctives to diet and lifestyle, a new perspective on digestion and elimination, and the alignment of the spine and structural system. Case studies demonstrate successfully resolved conditions from chronic headaches, anxiety, and respiratory disorders to exhaustion, autoimmune disorders, and allergies. Health Is Simple offers readers access to the same customized program the author’s celebrity clients have enjoyed, with the possibility of achieving the same spectacular results.

**It Is Forgiven** Emp,2012-01-25 She was a bullied child. She was a rape victim. She was a battered woman. She was a betrayed daughter and goddaughter. She was a refugee. But she is a survivor. In this memoir, author EMP narrates her life journey, sharing her hopes, her dreams, and her darkest moments. She shares the details about her upbringing in Hungary, her tormented childhood and teen years, her introduction to the man who would become her abuser, and her move to a foreign country. It Is Forgiven recounts her experiences of domestic violence, emotional and sexual abuse, and years and years of betrayal. She examines how one horrific event led to another and how the abuse escalated in both frequency and violence. It Is Forgiven tells the story of a battered woman and of her courage in escaping from the situation to benefit her and her young children. It is a story that inspires hope and encourages other women facing similar circumstances to speak out instead of suffering in silence.
