*The Bossy Billionaire* Samantha Skye,2024-03-05 The minute I found out my real identity, things were never the same. Now I have a bookshop on the brink of bankruptcy and I have no idea how to get my shop profitable, until my brother's best friend shows up to be my new business coach. Huxley Hamilton is a billionaire who is smart and suave with women falling at his feet. He is also frustrating, infuriating, bossy and a playboy, his reputation precedes him wherever he goes. He shows an interest in my bookshop as a favor to my brother, but I don't need his help, his annoying smirk or the feeling of butterflies that dance inside of me whenever he is around. We don't see eye to eye at first but then the tables turn when he starts taking an interest in me. His hand fits too well around my waist, his protectiveness feels exactly like what I have been missing and he pushes me to do things that are well out of my comfort zone. But the magnetic attraction we have stalls when one of his ex's comes back into town. You know what they say, once a playboy, always a playboy. Except now I know how to play the game. I just don't know all the players and I think they are all after me.

OLIVER. Let me go, I say. ORLANDO. I will not, till I please: you shall hear me. My father charged you in his will to give me good education: you have trained me like a peasant, obscuring and hiding from me all gentleman-like qualities: the spirit of my father grows strong in me, and I will no longer endure it: therefore, allow me such exercises as may become a gentleman, or give me the poor allottery my father left me by testament; with that I will go buy my fortunes. OLIVER. And what wilt thou do? beg, when that is spent? Well, sir, get you in; I will not long be troubled with you: you shall have some part of your will: I pray you leave me. ORLANDO. I no further offend you than becomes me for my good.
