**Eric Burnett**

**Sing, and Don't Cry** Cate Kennedy, 2008 *Sing, and Don't Cry* is Cate Kennedy's sensual and touching evocation of her time spent working as a volunteer in small town Mexico. The people she comes to love in Tequisquiapan, and their gusto for celebration, pilgrimage and family, force her to cast a penetrating light on her own Western values and ways. 'What is truly essential, and who is truly poor?' asks Kennedy in a book that also challenges the reader to care more for his or her world. Described as 'a travel book with a social conscience' this essential memoir, from the award-winning fiction writer and poet, is funny, warm, yet ultimately disarming.

**Aztec Plays for the Classroom** Eric Burnett, 2003-04 Written to integrate social studies and language arts, *Aztec Plays for the Classroom* will take your students back to the world of the Aztecs and provide them an outlet for their enthusiasm. The four plays— "Cinderhoatl", "Jackotl and the Cornstalk", "Rumpelcatchacoldal", and "The Three Little Aztecs"— have been adapted from classic fairy tales and include numerous historical facts from the Aztec era. The thirty character parts vary in length and difficulty, and will motivate even the most passive learner. Not only will your class and your audience stay entertained and focused, they will also be learning a ton about Aztec society. The level of information and kid-friendly word choice make these plays suitable for grades three through eight and a fifty question comprehension assessment is included.

**Big Chicas Don't Cry** Annette Chavez Macias, 2022-08-09 Four cousins navigate love, loss, and the meaning of family over the course of one memorable year in this heartfelt family drama. Cousins Mari, Erica, Selena, and Gracie are inseparable. They aren't just family but best friends--sharing secrets, traditions, and a fierce

love for their abuelita. But their idyllic childhood ends when Mari's parents divorce, forcing her to move away. With Mari gone, the girls' tight-knit bond unravels. Fifteen years later, Mari's got the big house and handsome husband, but her life is in shambles. Erica's boyfriend just dumped her, and her new boss hates her. Selena can't seem to find her place in the world--not Mexican enough for her family, not white enough for her colleagues. And Gracie is a Catholic school teacher with an all-consuming crush, but she can't trust herself when it comes to romance. As rocky as the cousins' lives have become, nothing can prepare them for the heartbreaking loss of a loved one. When tragedy reunites them, will they remember their abuelita's lessons about family and forgiveness--or are fifteen years of separation too much to overcome?

Aztec Warrior God: Chapter One, Emergence David Towner,2021-08-13 After the fall of the Aztec Empire on August 13th, 1521, many surviving Mexica withdraw into a secret level of the underworld (Mictlan) to rebuild the culture without interference from the outside world. The god of war, Huitzilopochtli, then grants immortality to five warriors and eight designated intellectuals who are tasked

with restoring Aztec culture while creating a harmonious, prosperous and unified planet. Their immortality is preserved by a well-guarded water source known as the "Healing Waters". Over the next five hundred years, the intellectuals anonymously integrate themselves into various cultures around the world to develop an understanding of technology, cultural development and languages, always returning to the underworld to share the knowledge with their society. Meanwhile, the warriors hone their fighting skills and prepare for their emergence into modern society. On the 500th anniversary of the fall of their empire (August 13th, 2021), the immortals emerge to discover a world that has been crippled by a Lassa virus pandemic. Upon discovering that the virus was created in a lab by a Russian Oligarch named Adrian Volkov, who is also manipulating and selling vaccines to the highest bidder, they decide to negotiate with him to help distribute vaccines to the most devastated countries. When Volkov makes it clear that he has no interest in supporting their cause, the warriors decide that his organization must be destroyed.
