Stephen M. Silverman

S. Sylvan Simon, Moviemaker David C.

Tucker, 2021-01-29 He was Red Skelton's favorite director, and mentored Lucille Ball in the art of physical comedy. In his 15-year Hollywood career, S. Sylvan Simon (1910-1951) directed and/or produced more than 40 films, with stars like Lana Turner, Abbott and Costello, and Wallace Beery. Though he loved to make moviegoers laugh, he demonstrated his versatility with murder mysteries, war stories, and musicals. After a decade at MGM, he moved to Columbia, where he produced his own projects, including the Western melodrama *Lust for Gold*, and popular slapstick comedies like *The Fuller Brush Girl*. As head of production, reporting to irascible Harry Cohn, he produced the award-winning *Born Yesterday*, and was working on *From Here to Eternity* when his life ended tragically at the age of 41. This first-ever account of Simon's life and career draws on interviews with family and colleagues, genealogical records, archival materials, and his own annotated scripts to tell the story of a stage-struck boy from Pittsburgh whose talent and tenacity made him a Hollywood success. The filmography provides production histories, critical commentary, and excerpts from published reviews. An appendix covers books written or edited by Simon, including his anthologized plays for amateur groups.

Treating Selective Mutism as a Speech-Language Pathologist Emily R. Doll,2021-09-03 Selective

mutism (SM) is an anxiety disorder in which individuals are unable to communicate in certain environments or contexts (such as at school or in the community) despite having appropriate speech and language skills in other settings. By drawing on their extensive knowledge of language development, language complexity, and therapeutic approaches, speech-language pathologists (SLPs) can provide life-changing results for children with SM. Treating Selective Mutism as a Speech-Language Pathologist is a comprehensive yet accessible resource designed to bridge the gap in the current SM literature and empower SLPs to treat this disorder effectively. This valuable professional resource has tools for SLPs at every stage of their careers, from new clinicians preparing for potential cases of SM to experienced SLPs looking to expand their knowledge base. The first three chapters of Treating Selective Mutism as a Speech-Language Pathologist offer a base of understanding by exploring the roots and characteristics of SM. The text then walks clinicians through effective assessment and diagnosis strategies. The final chapters provide evidence-based treatment strategies, as well as practical guides and activities, for supporting children with SM. Key Features: * Ready-to-use activities, handouts, and forms that can be reproduced and implemented during a therapy session * Up-to-date empirical evidence regarding the etiological factors of SM * Overview of the collaborative team approach necessary for treating SM * Suggestions regarding specific assessment materials and a specific protocol to guide data

collection during assessment * Specific, evidence-based treatment strategies provided in a clear, easy-to-understand manner Disclaimer: Please note that ancillary content (such as documents, audio, and video, etc.) may not be included as published in the original print version of this book.

Tribes with Flags Charles Glass, 2012-06-30 The ABC News correspondent's riveting chronicle of his journey through the Middle East—and being held hostage by pro-Iranian terrorists in Beirut. A New York Times Notable Book—with an introduction by the author. On June 18, 1987, Charles Glass was kidnapped by pro-Iranian terrorists in a Shiite Muslim suburb of Beirut and held for sixty-two days. His daring escape on August 18, 1987, made headlines worldwide. But Glass never forgot the reason he was in Lebanon or abandoned the idea of a book capturing the splendid vitality and diversity of life in the Middle East. *Tribes with Flags* is the book Glass always meant it to be: A chronicle of his journey from the southern Turkish coast, around the bay of Alexandretta, and through Syria, Jordan, and Lebanon. Glass visited farms, slums, and refugee camps as well as royal friends in feudal palaces, capturing the entire spectrum of Levantine life. The journey ends with a gripping account of Glass's kidnapping in Beirut—an intimate portrayal of life as a hostage—and his successful flight to freedom. "A literary and spiritual ramble through the countries of the Levant . . . Glass's account of two months' captivity and his escape bring to an exciting conclusion this engrossing, informative, unusual travel book." —Publishers Weekly

Amateur Movie Makers ,1951

The Reluctant Film Art of Woody Allen Peter J. Bailey, 2016-05-27 For five decades, no American filmmaker has been as prolific—or as paradoxical—as Woody Allen. From *Play It Again, Sam* (1972) to *Midnight in Paris* (2011) and *Blue Jasmine* (2013), Allen has produced an average of one film a year; yet in many of these movies Allen reveals a progressively skeptical attitude toward both the value of art and the cultural contributions of artists. In this second edition Peter J. Bailey extends his classic study to consider Allen's work during the twenty-first century. He illuminates how the director's decision to leave New York to shoot in European

cities such as London, Paris, Rome, and Barcelona has affected his craft. He also explores Allen's shift toward younger actors and interprets the evolving critical reaction to his films—authoritatively demonstrating why the director's lifelong project of moviemaking remains endlessly deserving of careful attention.

Determined to adhere to his last orders, Rezkin extends his protection to an unlikely assortment of individuals he meets along the way, often leading to humorous and poignant incidents. New dangers begin to arise that threaten not only Rezkin and his friends, but possibly everyone in Ashai.
