Funny Pictures Daniel Ira Goldmark, Charles Keil, 2011-07-21 This collection of essays explores the link between comedy and animation in studio-era cartoons, from filmdom's earliest days through the twentieth century. Written by a who's who of animation authorities, Funny Pictures offers a stimulating range of views on why animation became associated with comedy so early and so indelibly, and illustrates how animation and humor came together at a pivotal stage in the development of the motion picture industry. To examine some of the central assumptions about comedy and cartoons and to explore the key factors that promoted their fusion, the book analyzes many of the key filmic texts from the studio years that exemplify animated comedy. Funny Pictures also looks ahead to show how this vital American entertainment tradition still thrives today in works ranging from The Simpsons to the output of Pixar.

Born to Be Awkward Mike Bender, Doug Chernack, 2015 From the folks who brought us the bestselling Awkward Family Photos series comes a tribute to those awkward early years of life. Our first few years are the most photographed time of our lives. Our parents document every milestone and then feel compelled to share these photos with the world. The only problem is, we haven't developed our motor skills and can't control our faces, or any other parts of our body for that matter. This, of course, leads to some of the most hilarious and unexpected family pictures. From our first post-delivery scowl, to our first throw-up, and yes, even to our first bikini--Born to Be Awkward is a celebration of what is literally the most uncomfortable stage of life.

Rex Wrecks It! Ben Clanton, 2017 Can three friends channel one dinosaur's destructive impulses into a more cooperative, constructive playtime?

Awkward Family Pet Photos Mike Bender, Doug Chernack, 2011-11-01 The authors of the New York Times bestseller Awkward Family Photos are back with a hilarious tribute to the unbreakable and sometimes uncomfortable bond between people and their pets. There are few things more rewarding than having a pet. They love us unconditionally, shower us with attention, and because of them, we actually live longer. So, what can possibly be awkward about our animal BFFs? Well . . . nothing. In fact, we're the awkward ones. We adore our pets, but let's face it--sometimes L-O-V-E makes us go a little overboard. Like giving them middle names, throwing them elaborate birthday parties, and making them a Christmas sweater to match with the rest of the family. Truth is, what they cherish most is our companionship. And maybe that's the reason we care about them so much--because for such simple pleasures, they allow us to be as awkward as we want.
