Safari: A Stanley Hastings Mystery (Stanley Hastings Mysteries) Parnell Hall,2014-11-15 The new Stanley Hastings mystery caper, which takes the ever-loquacious private detective on safari in Zambia . . . What could possibly go wrong? Stanley Hastings on safari? I don't think so. Neither did Stanley, until Alice's small inheritance—coupled with scrimping on a few luxuries like food and rent—allowed them to book a group trip to Zambia. Now the New York PI is hiking with lions, canoeing with hippos, and having close encounters with elephants and giraffes. It's a dangerous safari. The leader is a reckless, gung-ho, great white hunter who delights in leaping from the jeep with a hearty "Come on, gang, let's see where this lion is going!" And a series of bizarre accidents quickly dwindles the group's numbers. Why was the guide's young spotter foolish enough to walk under a sausage fruit tree . . . just as one of the huge sausage fruits fell? How did the leaves of a poisonous plant wind up in a tourist's salad? Are these really accidents? A stabbing tips the scale. It's murder, and the only policeman in a hundred miles is a park ranger (whose only murder case was that of an ivory poacher shot dead in plain sight). It's up to Stanley to crack the case . . . if he can just avoid being eaten by a lion.

But he and Christina end up seeing much more and find themselves embroiled in a hot, dusty, safari-style mystery! It all starts when a white lion goes missing. . . followed by mischievous monkeys. . . mysterious messages. . . a snapping snake. . .and ends up with Grant coming face-to-face with the most fearsome creature of them all! RRROOOAAARRR! Come along for a wild ride through the sunny, South African savanna. This mystery incorporates history, geography, culture and cliffhanger chapters that keep kids begging for more! Saturday Safari Caren Cantrell,2020-12-10 Today is Saturday, and that means Safari! Elliott has waited all week for this adventure. He jumps out of bed, throws on his safari gear, and grabs his camera. Maybe today he'll see an animal he's never seen before like a crocodile or a rhinoceros. If he does, he'll have to be quick to snap a picture and add it to his prized collection. Would you like to come on Safari with Elliott? Yes? Great! Grab your safari gear and don't forget the sunscreen. But let me warn you. Elliott has a crazy, wild imagination. What he sees isn't always what it appears to be. Still want to go? Awesome! Have a wonderful safari adventure!
