Finnish Video Games Juho Kuorikoski, 2015-05-11 In the past three decades Finland's video game industry has become the backbone of Finnish cultural export. Angry Birds and Clash of Clans are dominating sales around the world and the small Nordic nation has become a gaming superpower. Drawing on more than 60 interviews, this book covers the Finnish video game phenomenon as told by the people behind its success. The history of the industry is documented in detail for the first time. Two hundred game reviews are included, presenting the best (and worst) of commercial video games made in Finland.

Antique Arcade Games Michael Ford, 2008-12-01 Mike Munves was a major distributor of electromechanical arcade games from the 1930's into the 1970's. His catalogs are now considered reference works for this unique part of Americana. This book contains electromechanical games that were enjoyed the world over long before video games existed. These are games you will never have the opportunity to see in person because they are so rare and some have disappeared completely. Includes: 1939 Catalog, 1951 Supplement, 1952 Supplement, 1953 Catalog, 1954 Price Revisions, 1954 Supplement, 1956 Catalog, 1958 Catalog, 1961 Supplement, 1962 Supplement This book also includes a full reprint of the Mike Munves mini-book Profits In

Pennies 1942. This book was distributed to dealers and it explained how to run a profitable arcade business. This is an amazing look back into an almost forgotten era of arcade games. These electromechanical wonders filled arcades and thrilled children and adults until they were eclipsed by the invasion of video games, but they have not lost their charm one bit.

Craig Stockwell, 1994-04 -- Hundreds of silly cartoon gadgets, and two complete Toon adventures! -- Also includes the map of Anytown, a cartoon adventure setting. The Buffyverse Catalog Don Macnaughtan, 2015-08-21 This bibliographic guide covers the “Buffyverse”—the fictional worlds of the acclaimed television series *Buffy the Vampire Slayer* (1997-2003) and its spinoff *Angel* (1999-2004), as well as the original *Buffy* feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse (episodes, DVDs, novels, comic books, games, and more) and the secondary materials created about the shows, including books, essays, articles, documentaries, dissertations, fan production and websites. This vast and diverse collection of information about these two seminal

shows and their feature-film forebear provides an accessible, authoritative and comprehensive survey of the subject.

The Gamer's Bucket List Chris Watters, 2015-11-24 Discover what video games are worth playing and why in this comprehensive guide by a video game expert. From pixelated pioneer adventures to stunning space odysseys, the boundaries of the video game world are expanding every day. Grand epics and gritty mysteries. Fierce competition and friendly cooperation. Powerful emotions and uproarious laughter. Video games are fantastically diverse and wonderfully creative, but not all games are created equal. With so many games out there on so many different consoles, computers, and devices, how do you decide which games are worth playing? Backed by years of writing about games professionally and decades spent playing them, Chris Watters lays out a list of 50 games to entertain and enlighten you. Whether you're trying to learn more about the world of gaming or strengthening your claim to true gaming fluency, these are the games you'll want to play, and why you'll want to play them. Praise for *The Gamer's Bucket List* "A comprehensive starter's guide to the wonderful world of video games. Watters's punchy prose is a delight; his brief, informal summaries perfectly capture the best of what the art form has to offer. The perfect book for anyone who's never played Minecraft, but is too ashamed to admit it." —Laura Parker, contributing writer, *The Economist* "We are all going to die. You can't avoid it. But you can choose how you go. Outside, in the sunshine, like some sort of animal, or inside your darkened living room, playing games? If you want to get through the 50 excellent games in this book, then the choice is clear." —Tim Schafer, President and CEO of Double Fine Productions
