Hungry Games Kate Heddings, 2020-10-20 Test your cooking (and puzzle) skills with this entertaining, clever recipe book that puts your cooking knowledge to the test! Who doesn't love a good puzzle? And what sounds more satisfying than being able to eat your results afterwards? If you've ever tried cooking, you will be all too familiar with how puzzling certain recipes can be—from figuring out proper techniques to deciphering improper instructions. So why not make a game out of it? In *Hungry Games*, former food editor Kate Heddings embarks on a journey to turn her recipe challenges into a game of recipe rehab, testing the skills of cooks who know it all by finding mistakes intentionally inserted into each recipe. Ranging from easy to difficult, these recipes contain both cooking mistakes (time, temp, quantities) editorial mistakes (out of order ingredients, spelling mistakes, etc.), and brings some fun back to cooking. Paired with traditional food-themed crossword puzzles and word search games, *Hungry Games* is perfect for every avid cook or puzzle fan—and gives the phrase “playing with your food” new meaning.

Cooking with Dice Jennifer Howlett, 2017-11-02 Turn your kitchen into an adventure zone! *Cooking with Dice* is like a traditional tabletop role playing game, but it comes with a delicious twist. You take on the role of a chef-adventurer, and cook your way out of trouble... in real life... in your own kitchen. Think of it as a Counter-top Role-Playing Game. Or maybe a LERP - a Live Eating Role Playing game. The game combines the best parts of an RPG with real-life cooking. You're presented with a set of character sheets, a scenario, a selection of formulas, roll tables, and a scoring system that allows you to level up your characters. You can play solo, cooperatively, or competitively with friends and family. In the first installment of the series, *The Acid Test*, you're tasked with helping a pair of acid dragons to impress their friends and neighbors with a legendary cocktail party. But there's a catch: they want to feature appetizers cooked with acid, rather than fire. No need for an oven or stove - you'll be using acidic ingredients like vinegar and lemon juice to take the place of heat (though you might use the microwave here or there to speed things up a bit.) Your goal is to use your superlative cooking skills to blow the socks off of the dragons that hired you. It's going to take some effort, though. These dragons aren't easy to please. To help you on your quest, you're equipped with ten easy-to-follow formulas: Quickles Ceviche Tomato Bombs Dragonfly Jam Quark and Quackers Mascarpone Rollups Fancy-Pants Mayonnaise Tea Sandwiches Yogurt Freezer Tarts Buttermilk Cheese Critters Poppin' Lemon Drop Drinks Summer Nachos: Acid 3 Ways Each of the ten formulas comes with multiple roll charts to help you create your own unique recipes. You can use our roll charts to swap out key ingredients to make THOUSANDS of dishes from each formula. It's a fun game to play again and again.

Edible Games Cookbook Jenn Sandercock, 2019-05 Edible games are fabulous and delicious food experiences to play with friends and family. Think of it as tasty treats meet good, old-fashioned fun. The Little Red Cliff Yeo Hong Eng, 2014-08 *The Little Red Cliff* portrays life in the 1950s and 1960s in Tanah Merah Kechil (Little Red Cliff) in a corner of Bedok District along the eastern coast of Singapore. Author Yeo Hong Eng chronicles the story of his family, the Yeo family, as they struggled to make a living during the lean years after the Japanese Occupation. He describes in detail how his parents developed the land for farming and exploited other available resources, such as sand mining during rainy seasons, until they were forced to leave the land in 1963. He also explains how they processed coconuts into cooking oil and bamboo into food, materials for building trellises, farming accessories, and basic toys. Whether they were working in animal husbandry or in vegetable cultivation, his grandmother and parents used the age-old methods passed down from their parents and grandparents to work with the land and their animals. What's more, they made sure to take time from their work to celebrate important festivals, entertainment, and the joys and sorrows of everyday life. They attended wayangs (street plays), flew kites, and made their own playthings-shuttles, spinners, sling shots, and musical instruments-with whatever raw materials they had on hand. In *The Little Red Cliff*, Yeo Hong Eng shares a description of family life in Singapore in the mid-twentieth century-its lows and highs, its struggles and joys.

You Might Want To Marry My Husband Yap Swi Neo, 2021-12-01 My first aunt, Tua-Ee, left hand on hip, right hand holding a ladle of boiling salted vegetable and duck soup, would administer the test. Looking straight into our eyes, she would ask, “Is the soup done?” If we got it wrong, she scolded us, “Next time, what would your mother-in-law say, ah? Your mother n-e-v-e-r teach you. Where to put your face? So malu!” My cousin and I swore we would never ever get married and live with mothers-in-law who would administer the “Is the soup done?” test and put our mothers to shame. In this intimate collection of autobiographical stories that every woman should read, Swi offers tales of deep reflection that relate to the tears and laughter, and the love and pain felt by girls and women in Malaysia and Singapore over the last 75 years. Swi recalls the convent sisters in Malacca who educated her and her classmates about sex, the camaraderie among girlfriends, and desires fulfilled. She explores issues of life and death and shares memories of the unforgettable men in her life. Swi holds in high regard the mothers under banana leaf umbrellas who dreamed great dreams for their children, and she introduces us to memorable characters including ‘bling, bling, the real thing, Pansy’, a lecherous Baba patriarch and his complaining wife, a Jonker Street cake shop baker whose strong arms are made to hug, a Singaporean academic with low EQ, and a nameless Malaysian bondmaid who must secure her place in a wealthy household. These are stories from the heart.

Jane Austen's Card Games - 11 Classic Card Games And 3 Supper Menus From The Novels And Letters Of Jane Austen Jo Ann Staples,2018-09-25 Card playing was a favorite pastime for many of Jane Austen's characters. Jane Bennet and Charles Bingley bonded over vingt-un, Mr. Woodhouse entertained Mrs. Goddard with piquet, and Fanny Price dealt the cribbage cards for Lady Bertram. There are ten card games mentioned by name in Jane Austen's novels and an eleventh, brag, was so enjoyed by her brother's family at Godmersham that she wrote a comic poem about it in one of her letters to Cassandra. An evening card party often involved a little bit of hot supper like the one Mrs. Philips promised her nieces and the Meryton officers in *Pride and Prejudice*. Complete instructions for the 11 Jane Austen card games are included in this book, along with three supper menus based on period recipes for dishes mentioned in the novels and letters. Chapters on the history of card playing and the evolution of supper in English country life provide background and context.

Fan Fare Debbie Moose,2010-02 More than 51 million Americans plan to tailgate this year - and that's just during football season. Consider the legions of fans who tailgate at other professional games, college and high school sports events, or even at home, and you've got one popular American pastime. Debbie Moose's Fan Fare is the only book you'll need to throw a party for friends at home or tailgate at the big game, organized into five chapters: 'Kickoff' (appetizers and snacks), 'Bowl Games' (soups, beans, and chili), 'Hot Streak' (entrees), 'Pit Stops' (salads, sides, breakfast, and brunch), and 'Overtime' (desserts and drinks). Fan Fare features 100 classic and regional recipes - and the stories and traditions behind them - for every part of the game-day feast, from Jo Ann's Campfire Onion Blossoms (popular at NASCAR races, where tailgating often turns into a days-long camp out) to bratwurst prepared just the way Green Bay Packers fans like it to the Hibachi Seafood Mix essential at any University of Hawaii tailgate, where fans make the most of fresh, locally caught fish. Moose has also included all the important tips for an impromptu party at home or a carefully planned trip to the big game, with pointers on food transport and safety, outdoor cooking techniques, suggested menus, and a calendar of sporting events, so there's a great excuse for a tailgate party every month of the year.

Poultry & Game Ian McAndrew,2012-12-06 Poultry, but more especially game, is a subject close to my heart. Why? Wellfor the last eight years or so I have been, and indeed still am, a keen shooting man. Shooting for sport, I know, is a subject many people find disagreeable, and the an- bloodsports league is a powerful lobby. Nevertheless, it is a pastime that is becoming more and more popular as years go by and one I hope to continue enjoyingfor many years to come. Without it not only would a part of our history and culture be lost, but our wildlife would become threatened, wildlife and habitat conservancy a thing of the past, and the countryside turned into even greater areas of wheat and rape deserts. No one would know the pleasures of the first woodcock or the first English partridge of the season. Imagine a cold winter's morning: a thin covering of snow, the grey skies heavy with more, ready to discharge their cargo without notice. Pick up the gun, call the dogs and set out across the fields. Silence prevails. In the distance, a handful of pigeons are heading this way. Crouching in the hedgerow I wait for them to come within range. Pigeon terrine, pigeon salad with a few toasted kernels, all the menu ideas running through my head, but to no avail, I've been spotted. Truffle and Bella (my dogs) are worrying a patch of brambles, not too keen on going in. Bella scrambles in, belly flat to the ground.
