

🔖 **Above All Else** Dana Alison Levy,2020-10-13 In a novel as riveting, irresistible, and heartbreaking as Into Thin Air, teen climbing prodigies Rose and Tate attempt to summit--and survive--Mount Everest. Rose Keller and Tate Russo have been climbing for years, training in harsh weather and traveling all over the world. The goal that kept them going? Summiting Mount Everest, the highest point on earth. Accompanied by Tate's dad, the two will finally make the ultimate climb at the end of their senior year. But neither Rose nor Tate are fully in the game--not only is there a simmering romance between them, but Rose can't get her mind off her mother's illness, while Tate constantly fails to live up to his ambitious father's standards. Everyone on their expedition has something to prove, it seems. And not everyone is making the best decisions while short on oxygen and exhausted, body and mind. The farther up the mountain they go, the more their climbing plans unravel and the more isolated each team member becomes. Rose and Tate will have to dig deep within themselves to determine what--or who--they value above all else.

🔖 **Vain Rhetoric** Gary D. Salyer,2001-06-01 The Book of Ecclesiastes, like many ancient and modern first-person discourses, generates ambivalent responses in its readers. The book's rhetorical strategy produces both acceptance of, and suspicion towards, the major positions argued by the author. 'Vain rhetoric' aptly describes the persuasive and dissuasive properties of the narrator's peculiar characterization. It also describes how the Book of Ecclesiastes, with its abundant use of rhetorical questions, constant gapping techniques, and other strategies from the arsenal of ambiguity, is a stunning testimony to the power of the various strategies of indirection to communicate to the reader something of his or her own rhetorical liabilities and limitations, as well as those of the religious community in general.
