The Truce Karen Umemoto,2018-07-05 This ethnography of a gang war in the Los Angeles neighborhood of Oakwood, just blocks from the famed Venice Beach boardwalk, provides a rare eyewitness account of the urban violence pervasive in the recent history of the United States. With seventeen people killed and more than fifty injured, the hostilities over ten months in 1993 and 1994 marked the peak of gang violence in the history of Los Angeles, a city once labeled the gang capital of the nation. The conflict began as a quarrel among individuals, some of whom had gang affiliations. Over time, the feud engulfed families and soon grew into a sustained clash between African American and Latino gangs. Eventually, victims fell who were not members of opposing gangs, but who fit certain racial and gender profiles. The conflict began to take on the attributes of what one local newspaper sensationalized as a race war. Karen Umemoto lived nearby during this conflict and undertook two years of ethnographic research during and immediately following the spate of killings. She now offers a nuanced analysis of the trajectory and eventual end of this acute crisis. Her interviews with gang members, neighborhood residents, business leaders, police officers, and gang-intervention workers reveal the complexity of contemporary American urban conflict. The Truce highlights the differences in interpretations among combatants, witnesses, and law enforcement agents and others whose actions often had unintended consequences. Drawing on her experience living in multicultural Los Angeles and on the latest scholarship in a wide variety of disciplines, Umemoto provides much-needed guidance for policymakers and concerned members of the public faced with violence in an ever-changing urban landscape.

Gang Wars on the Costa - The True Story of the Bloody Conflict Raging in Paradise Wensley Clarkson,2010-10-04 For more than a decade, an intense gang war has been raging between British and foreign criminals in Spain's sunny coastal regions. The warring factions have left more than a hundred people dead and scores injured, making headlines around the world. These vicious conflicts for control of drugs turf, protection rackets, people smuggling and sex slavery have blighted the reputation of what was once Europe's number one holiday destination and given it a sinister epithet: Costa del Crime. Gang Wars on the Costa reveals the inside story of the crime mobs, their deadly feuds and how this chilling criminal gang culture has evolved at a rate and intensity unlike anything seen before in Europe. With unprecedented access to senior gang members and police officers, Wensley Clarkson traces the roots of these criminals - from Britain, southern Europe, South America and the former Soviet block - and focuses on the emergence of the main gangs, whose rise to power has sparked gun battles and even professional hits.

Fog on the Tyne Bernard O'Mahoney,2011-05-05 For more than fifty years, two ruthless gangs have dominated the Tyneside underworld. Initially, the Conroy and the Sayers families lived side by side in relative harmony in the West End of Newcastle, but the birth of the drug-fuelled rave culture in the late 1980s changed everything. Drunk on power and with an intense desire to take complete control of the north-east, the families went to war with one another and with anyone else who stood in their way. What followed was an orgy of mindless violence. In Fog on the Tyne, bestselling true-crime author Bernard O'Mahoney explores the origins of this gangland war and reveals for the first time how and why it spiralled out of control, leaving many injured and others dead.

Gangs and the Military Carter F. Smith,2019-09-20 Gangs are expanding, evolving, and posing an increasing threat to communities nationwide. The Gang Capitol Raymoutez Price,2013-06-17 The graphic details of gang wars and racism is mentioned on a wide world aspect designed to vindicate the minds of the youth whom are involved in gangs, my views are intense and genuine facts, some methods of gang prevention applied can increase life expectancy of gang members seeking to exit before an untimely demise result of being murdered in gang wars. I have discussed many topics relating to gang wars how gang wars are initiated due to many diverse reasons. I truly disagree that there are many books that exist that describe in vivid constructive details of gang war. The very broad story told millions of times but never before with so much intel so exclusively with real people living in the battle zone of the concrete jungles with genuine full fl edge up front exposure. Police officers would agree that these views are very enlightening and expressive with vital concepts that are identical to a vet whom have endured many tours of conflict. The dark side of Watts exposure of the riots of 1965 and 1992 the vague topic of racism that people dodge frequently dropping the ball of unwanted troubles. The truth to combat gangs you must combat racism. Long ago the black panther were groups that evolved to decrease racial conflicts. Today those groups are called gangs. Loved and Feared Larry Leavitt,2019-02-04 Mention the Winter Hill Gang and most people immediately think of James “Whitey” Bulger. But Bulger was not the founder of the gang. He was not even the second leader. That title belonged to Howard T. Winter. The gang, named after a Somerville, Massachusetts, neighborhood, came about during the late 1940s when a teenager from Somerville recruited a few of his friends to help pilfer some goods from the nearby Charlestown ship docks. The friends soon discovered how lucrative that could be. They were prepared to follow the lead of their pal in what became the Winter Hill Gang. The friend was Buddy McLean. Larry Leavitt states: “When I was a young boy, my father told me stories about Buddy McLean. I became fascinated with him. Years later, several books were published about Whitey Bulger and the Winter Hill Gang. There was never much written about Buddy, though I thought his story was much better. I mentioned the idea of writing a book about Buddy to my Dad. He said, ‘Absolutely, who better to write about.’ “Many of those with knowledge of Buddy passed away or refused to talk. Several people who agreed to meet with me demanded to remain anonymous. Sometimes they held back information, feeling like they would be breaking a code of silence. The folks who did agree to share what they knew of Buddy, provided an in-depth view of a man who stood at the forefront of a historic time in Boston crime.” During the 1950s and ‘60s, Buddy McLean had the reputation as the toughest man walking the streets of Boston. Hundreds challenged him. No one could take him. In the same time span, the young truck driver/longshoreman from Somerville began building a criminal enterprise. Years later, it became known as the Winter Hill Gang. In 1961, Buddy faced confrontation with the ruthless and violent McLaughlin brothers of nearby Charlestown. When he wouldn’t concede to them, a feud started. More than sixty people died. From those who knew Buddy McLean best, this is his life story.

No Gang War In '74 Stephen C Satell,2013-02 Representative Chaka Fattah and Councilman Curtis Jones Jr. went through the House of Umoja and were witnesses to the transformational process of young people who identified with individual gangs. Many of these gangs were started in the fifties and expanded throughout the sixties. However in 1968 gang warfare became much more deadly. Once the body counts went up gangs wanted to even the score. It took two dedicated parents who were not only concerned about their own children but their community as well, to set in motion a transformational process which started with their own house and in five years ripped across the city. Through these well organized gangs young people had seen the mean things they could do to each other. David and Falaka Fattah showed them the beautiful things they could do, the importance of community and civic duty. They connected them with both family and African tradition. This is a story that must be told and cannot be forgotten.
