Michael Fuhr

*PSY: Gangnam Style* **Rapper Sarah Tieck**,2014-09-01 Colorful graphics, oversized photographs, and short, engaging sentences draw readers in to the fascinating life of rapper Park Jae-sang, better known as PSY, the creator of 'Gangnam Style'! Readers will follow PSY's journey, from his youth in the Gangnam District of Seoul, South Korea, to his time at Boston University and Berklee College of Music, to his thriving career in the K-pop industry. They'll learn about PSY's albums, from his debut PSY from the PSYcho World! up through PSY's Best 6th Part 1, his 2012 album containing 'Gangnam Style.' Thanks to YouTube, 'Gangnam Style' quickly became a pop culture phenomenon, enticing millions worldwide to do the famous horse dance! Also covered is PSY's family life, his work with well-known manager Scooter Braun, and his 2012 MTV award. Features include a table of contents, a map, 'Did You Know?' facts, a 'Snapshot' of vital information, a glossary with phonetic spellings, and an index. Aligned to Common Core Standards and correlated to state standards. Big Buddy BOOKS is an imprint of ABDO Publishing Company.

**10 Amazing Gangnam Style Tips** **Jack Goldstein,Jimmy Russell**,2012-10-24 So, you want a bit of Gangnam Style do you? You've heard that it's what all the cool kids have and you want a bit of it? It's recently come to your attention that there's this horse dance as well, yes? Right, this is the book for you. Within these (digital) pages are ten amazing tips which will help you get that all-important Gangnam Style. You too can be like PSY! Find out what Gangnam Style is, how to display it in public, and of course what to do once you've got it. Don't take it too seriously though, otherwise you won't have any Gangnam Style.

**Success Gangnam Style - Children Edition** **Krish Venkat**,2013-04-16 First, a few words for parents: This little book promotes values amongst children, using the story of 'Gangnam Style' which is liked by kids from almost the whole of the world. It covers universal principles which are applicable to all cultures across the globe. It will not interfere with any existing family or religious values. Since children around the world love Gangnam Style, it is a good idea to use this to facilitate some values-based learning for them. Encourage them to watch the video from youtube as they read through the book. This will make the reading lively and interesting. You may also read the book along with the child, engaging them with questions and discussions. ? This sign indicates that there is something for the child to think about, ask parents and get some information before reading further. This ensures that the child thinks and assimilates more information rather than quickly completing the book. **Gangnam Style Activity:** At the end of each chapter, there is a fun activity for the child. I strongly recommend that the child completes the activity before proceeding to the next chapter. Also, encourage the child to send these to us through email. We would publish it for the world to see and also send an e-Book as gift!

**Theological Reflections on "Gangnam Style": A Racial, Sexual, and Cultural Critique** **Joseph Cheah,Grace Ji-Sun Kim**,2014-07-11 As we listen to Psy's music are we laughing at him or with him? This book responds to this question from historical and theological perspectives and tackles the pressing issues concerning racial stereotypes, imposed masculinity, and imitating another in order to ridicule him/her.

**Success Gangnam Style - Teen / Young Adult Edition** **Krish Venkat**,2013-04-16 This book is a result of extensive research into the success of 'Gangnam

Style'. Going beyond the glamour of the video, this book brings out the hidden factors that have taken both the video and the creator on top of the world. It encompasses self-confidence, self-esteem, charming personality, creativity and team work, amongst others. Of course, it also analyses how Psy was able to achieve this incredible popularity around the world and make millions of dollars through this. There is definitely a science behind the huge success, which is elaborated throughout the book through examples and anecdotes, making it an interesting reading. Boys and girls willing to learn, absorb and adopt even a part of the many principles mentioned should see a big leap in their confidence, self-esteem and of course fame.

**Hallyu 2.0** Sangjoon Lee, Abé Markus Nornes, 2015-06-01 Collectively known as Hallyu, Korean music, television programs, films, online games, and comics enjoy global popularity, thanks to new communication technologies. In recent years, Korean popular culture has also become the subject of academic inquiry. Whereas the Hallyu's impact on Korea's national image and domestic economy, as well as on transnational cultural flows, have received much scholarly attention, there has been little discussion of the role of social media in Hallyu's propagation. Contributors to *Hallyu 2.0: The Korean Wave in the Age of Social Media* explore the ways in which Korean popular cultural products are shared by audiences around the globe; how they generate new fans, markets, and consumers through social media networks; and how scholars can analyze, interpret, and envision the future of this unprecedented cultural phenomenon.

*Gangnam Style* Kyung Suk Oh, 2016-02-16 There are not many travelers who know the wonderful stream of Yangjaecheon in Seoul. Even locals know little about the superb stream which is well-prepared at Gangnam District. It's a perfect park, you may say, to take a stroll on the long promenades beautifully prepared on both sides of the stream. You will meet 3 fantastic promenades prepared by the stream for walking, jogging and cycling. When you travel to Seoul, it's really worthy for you to pay a visit Yangjaecheon Stream which is designated as one of Seoul Future Heritages. Metro Hangnyeoul Station is situated just by the promenade of the stream. Yangjaecheon Stream is originated from Mount Gwanaksan and sails towards the Han River, which is running through Seoul, the capital city of South Korea. Different from other streams, when you take a walk on the upper one out of the 3 promenades on both sides of the stream, you will look down on Yangjaecheon Stream. You can call them, Upper, Middle and Lower Promenade. You can also enjoy fresh air provided by the green mounts, Daemosan and Guryongsan, which are located near the stream. You will easily find the difference of air between downtown and the Yangjaecheon Stream. It would take around 2 hours for a round trip on foot between metro Hangnyeoul St. and Yeongdong Bridge 1, which is one of many bridges built on the stream. When you follow the itinerary introduced by this book, you will pass more than 7 bridges, which are prepared around 500 meters away each. If you have time, you can also pay a visit the Han River through Yangjaecheon Stream. Additional option for your visit the Han River is provided at the finish. Only take a subway and stop at Hangnyeoul Station. Then, you will shortly get the promenades by the stream. Yangjaecheon Stream welcomes you with 8 perspectives. You will meet beautiful promenades, stepping stones on the stream, pavilions for a break, white cherry blossoms in spring, tunnels covered with green trees in summer, colorful paths in autumn, a rice paddy prepared by the stream, which turns into an ice rink for

children in winter, many clean toilets, small parks near the stream, a basketball court under the bridge, exercise equipments well-prepared by the promenades, and so forth. After Yangjaecheon Stream, a summary on Seoul and the introduction about the public transportation of the mega city will follow at the finish. Keep this book in your pack and stop at metro Hangnyeoul Station. Then, this book will show you all the ways of the Yangjaecheon Stream for your fantastic experience of walking, jogging and cycling. You need neither to chase after a guide nor to ask passers-by for your destination. You can enjoy the wonderful stream by your own self.

**Pop Culture in Asia and Oceania** Jeremy A. Murray, Kathleen Nadeau, 2016-08-15 This ready reference is a comprehensive guide to pop culture in Asia and Oceania, including topics such as top Korean singers, Thailand's sports heroes, and Japanese fashion. This entertaining introduction to Asian pop culture covers the global superstars, music idols, blockbuster films, and current trends—from the eclectic to the underground—of East Asia and South Asia, including China, Japan, Korea, India, the Philippines, Thailand, Vietnam, and Pakistan, as well as Oceania. The rich content features an exploration of the politics and personalities of Bollywood, a look at how baseball became a huge phenomenon in Taiwan and Japan, the ways in which censorship affects social media use in these regions, and the influence of the United States on the movies, music, and Internet in Asia. Topics include contemporary literature, movies, television and radio, the Internet, sports, video games, and fashion. Brief overviews of each topic precede entries featuring key musicians, songs, published works, actors and actresses, popular websites, top athletes, video games, and clothing fads and designers. The book also contains top-ten lists, a chronology of pop culture events, and a bibliography. Sidebars throughout the text provide additional anecdotal information.

**The Psy Quiz Book** Chris Cowlin, Harry Cowlin, 2015-02-05 Are you a fan of South Korean singing sensation Psy? Did you discover his unique style of music on YouTube and liked what you heard? Would you like to find out more about the talented performer? If you answered yes to any of these questions, you are certain to enjoy The Psy Quiz Book. Which MTV Europe Music Award did Psy win in Frankfurt, Germany, in 2012, for his song 'Gangnam Style'? In what year did Psy marry his girlfriend Yoo Hye-yeon? Who featured on Psy's track 'In a Sauna Bath' which appears on his album 'Ssa2'? The answers to these and many similar questions can be found in this new quiz book all about Psy. Bringing you up to date with all the singles and albums as well as fascinating trivia about this popular and versatile performer, this is an entertaining and fun book for the whole family. With 100 brain-teasing questions for you to have a go at, this is a must-have book for Psy fans across the globe.

**Big Buddy Biographies Set 2** Sarah Tieck, 2009 Winning personalities come to life in Big Buddy Biographies! This dynamic group of kid-friendly sports standouts, singing sensations, and television and movie superstars will inspire young readers. Each book highlights a star's background, claim to fame, and dreams for the future. Colorful graphics, oversized photographs, and short, engaging sentences and paragraphs will encourage reluctant readers to dive into these fascinating lives! Buddy Books is an imprint of ABDO Publishing Company.

Inter-Asia in Motion Emily Wilcox, Soo Ryon Yoon, 2023-10-03 This book

explores dance and choreography as sites for the articulation of new theoretical and historical paradigms in inter-Asia cultural studies. The chapters in this volume cover a wide range of dance works, artists, genres, and media, from Kathak to K-pop flash mob dance, from Cold War diplomacy to avant-garde dance collaborations, and from festival dance to dance on screen. Working against the Western-centric category of “Asian dance” and Western-centric theorizations of intercultural performance that foreground “East-West” relationships, each contribution shows how dances in Asia make one another as their key aesthetic references beyond Eurocentric influences, as well as how inter-Asia relations emerge from cultural, geographical, and aesthetic diversity within the region. This book is the first of its kind in both cultural studies and dance studies. It will contribute greatly to readers’ understanding of how performance shapes and transforms the cultural and political dynamics of inter-Asia, with a focus on dance circulations in and across East, South, and Southeast Asia. *Inter-Asia in Motion: Dance as Method* will be a key resource for academics, researchers, and advanced students of Dance Studies, Performance Studies, Cultural Studies, Asian Studies, International Relations and Politics, History, and Sociology. The chapters included in this book were originally published in *Inter-Asia Cultural Studies*.

**Seoul, Korea's Global City** Kyoung-Ho Shin, Michael Timberlake, 2020-05-27 Seoul, as one of Asia’s rising global cities, has been a place where enormous changes in politics, industry, and culture have taken place over the last five decades. This book explores the new urbanism in Seoul from the perspective of global political economy, focusing on the contexts in which the city has witnessed the transformation of its population structure, such as the rise of the global urban middle class and the city’s increased nodal function in commodity chains. The burgeoning signs of Seoul’s status as a global city are discussed in terms of transnational tourism and the frequency of study abroad, the immigrant community, and cross-border cultural flows. Examining the labour structures within the city, economic growth policy, the role of advanced information technology, and neoliberal urban development, the authors also examine the local response in the city to its emerging status. A study of the development of the Korean capital and its deep embeddedness in the world economy, *Seoul, Korea’s Global City* will appeal to scholars of sociology, geography and economics with interests in political economy, urban studies and Asian studies.

**Decentering Musical Modernity** Tobias Janz, Chien-Chang Yang, 2019-06-30 This collection investigates the concept of modernity in music and its multiple interpretations in Europe and East Asia. Through contributions by both European and East Asian musicologists it discusses how a decentered understanding of musical modernity could be matched on multiple historiographical perspectives while being attentive to the specificities of local music and their narratives in East Asia and Europe. The essays connect local, global and transnational history with sociological theories of modernity and modernization, making the volume an important contribution to overcoming the Eurocentric dichotomy between western music and world music within the field of historical musicology.

**Complex Identities in a Shifting World** Pamela Couture, Robert Mager, Pamela McCarroll, Natalie Wigg-Stevenson, 2015 Clear and well-defined identities are hard to sustain in a rapidly shifting world. Peoples, goods, and cultures are

on the move. The internet and other technologies increase the amount, the speed, and the intensity of cultural exchanges. Individuals, organizations, and nations develop complex identities out of many traditions, different ideals, various ways of life, and many models of organization. Religious traditions both collide and interact, with spiritual journeys crossing religious boundaries. In this book, more than 20 contributors from different backgrounds and academic disciplines offer an array of practical theological perspectives to help understand these complex identities and negotiate this shifting world. (Series: International Practical Theology - Vol. 17)  
[Subject: Religious Studies, Cultural Studies]

**Globalization and Popular Music in South Korea** Michael Fuhr, 2015-06-12 This book offers an in-depth study of the globalization of contemporary South Korean idol pop music, or K-Pop, visiting K-Pop and its multiple intersections with political, economic, and cultural formations and transformations. It provides detailed insights into the transformative process in and around the field of Korean pop music since the 1990s, which paved the way for the recent international rise of K-Pop and the Korean Wave. Fuhr examines the conditions and effects of transnational flows, asymmetrical power relations, and the role of the imaginary other in K-Pop production and consumption, relating them to the specific aesthetic dimensions and material conditions of K-Pop stars, songs, and videos. Further, the book reveals how K-Pop is deployed for strategies of national identity construction in connection with Korean cultural politics, with transnational music production circuits, and with the transnational mobility of immigrant pop idols. The volume argues that K-Pop is a highly productive cultural arena in which South Korea's globalizing and nationalizing forces and imaginations coincide, intermingle, and counteract with each other and in which the tension between both of these poles is played out musically, visually, and discursively. This book examines a vibrant example of contemporary popular music from the non-Anglophone world and provides deeper insight into the structure of popular music and the dynamics of cultural globalization through a combined set of ethnographic, musicological, and cultural analysis. Widening the regional scope of Western-dominated popular music studies and enhancing new areas of ethnomusicology, anthropology, and cultural studies, this book will also be of interest to those studying East Asian popular culture, music globalization, and popular music.

**Global Business** Yongsun Paik, Jong-Wook Kwon, Dong Chen, 2017-05-08 This textbook is designed to help students understand the key issues of global business by connecting theory with reality. Divided into three parts, it covers critical issues of international business, introducing readers to topics they will connect with, and discussing core concepts. With a user-friendly pedagogy and a host of helpful visuals, the authors offer a practitioner's perspective on global business knowledge, examining familiar theory on trade, direct investment, and political environment alongside fresh topics, like geopolitical conflicts, emerging markets, and sustainability. Over sixty case studies are included to illustrate the magnitude and complexity of global business involving different stakeholders. Undergraduate students looking for an introduction to international business and graduate students looking to apply their knowledge will find Global Business stimulating, since it demonstrates how theories and concepts work in real-world business settings.

Korean Wave in South Asia Ratan Kumar Roy, Biswajit Das, 2022-06-28 This book is a systematic investigation of Korean cultural wave in South Asia, discovering and analysing the dynamics of fandom, mechanism of media industry and growing phenomena of Korean culture in this part of the world. This is one of the very first academic volumes in South Asia that examines cultural politics, language and literatures of Korea in a regional location when there might be some on examining the political and diplomatic relations divorced from socio-cultural interactions. It focuses on three major aspects: identity formation in the age of digital culture, fandom and aspiration in the wake of subculture, and transcultural flow in South Asia. Through these thematic indicators and empirical instances the volume explores the modes of transcultural flow vis a vis the global cultural flow. The patterns and processes of identity construction transformed among the teenagers and youths in the realm of digital media and embodying the Korean cultural elements. The book will contribute in the area of media and cultural studies, global culture and politics, arts and humanities, social sciences and area studies. Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via [link.springer.com](http://link.springer.com).

Censored 2014 Mickey Huff, Andy Lee Roth, Project Censored, 2013-10-08 Truthout's Progressive Pick of the Week Ralph Nader's 10 Books to Provoke Conversation in 2014 Every year since 1976, Project Censored, our nation's oldest news-monitoring group--a university-wide project at Sonoma State University founded by Carl Jensen, directed for many years by Peter Phillips, and now under the leadership of Mickey Huff--has produced a Top-25 list of underreported news stories and a book, Censored, dedicated to the stories that ought to be top features on the nightly news, but that are missing because of media bias and self-censorship. Seven Stories Press has been publishing this yearbook since 1994, featuring the top stories listed democratically in order of importance according to an international panel of judges. Beyond the Top-25 stories, additional chapters delve further into timely media topics: The Censored News and Media Analysis section provides annual updates on Junk Food News and News Abuse, Censored Deja Vu, signs of hope in the alternative and news media, and the state of media bias and alternative coverage around the world. In the Truth Emergency section, scholars and journalists take a critical look at the US/NATO military-industrial-media empire. And in the Project Censored International section, the meaning of media democracy worldwide is explored in close association with Project Censored affiliates in universities and at media organizations all over the world. A perennial favorite of booksellers, teachers, and readers everywhere, Censored is one of the strongest lifesigns of our current collective desire to get the news we citizens need--despite what Big Media tells us.

**Gangnam Style** Kyung Suk Oh, 2016-02-16 There are not many travelers who know the wonderful stream of Yangjaecheon in Seoul. Even locals know little about the superb stream which is well-prepared at Gangnam District. It's a perfect park, you may say, to take a stroll on the long promenades beautifully prepared on both sides of the stream. ## Gangstyle Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Gangstyle free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Gangstyle free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users

to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Gangstyle free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Gangstyle. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Gangstyle any PDF files. With these platforms, the world of PDF downloads is just a click away.
