Killing Time Suzanne Trauth,2020-06-02 BAD BLOOD With Halloween just around the corner, Dodie O'Dell is making preparations to transform the Windjammer Restaurant on the Jersey Shore into a haunted house, while the Etonville Little Theatre is staging Dracula. But casting the titular Transylvanian is proving challenging. The amateur actors in the company are not shy about chewing the scenery, but who among them can convincingly sink their fangs into a victim's neck? When a mysterious newcomer with a transfixing Eastern European accent lands the part, rumors that he might be an actual vampire start to take flight—not unlike the bat who's recently been spotted in the town park. But everyone's blood really runs cold when a stranger is found in the cemetery with a real stake in his heart. Dodie decides to put her Halloween theme menu on the back burner and stick her neck out to bring the killer into the light of day. She'd better keep her wits about her, though—or Dodie may be the next one to go down for the Count . . .

A Victory Garden for Trying Times Debi Goodwin,2019-09-07 "A compelling and intimate reflection on love and grief and ordinary things that comfort and sustain us." – Alison Smith, award-winning journalist Ever since her childhood on a Niagara farm, Debi has dug in the dirt to find resilience. But when her husband, Peter, was diagnosed with cancer in November, it was too late in the season to seek solace in her garden. With idle hands and a fearful mind, she sought something to sustain her through the months ahead. She soon came across Victory Gardens – the vegetable gardens cultivated during the world wars that sustained so many. During an anxious winter, she researched, drew plans, and ordered seeds. In spring, with Peter in remission, her garden thrived and life got back on track. But when Peter's cancer returned like a killing frost, the garden was a reminder that everything must come to an end. A Victory Garden for Trying Times is a personal journey of love, loss, and healing through the natural cycles of the earth.

Garden of Time J. G. Ballard,2014-04-24

Midnight in the Garden of Good and Evil John Berendt,1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author "Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime."—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag

queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

The Watcher in the Garden Joan Phipson, 2013-05-22 Trespassing in Mr Lovett's secluded garden was a welcome escape for sixteen-year-old Catherine. A haven away from the parents who didn't understand her moodiness and from her pretty, even-tempered sister, Diana, whom she resented. It was a place to be alone. But this all changes when Catherine is confronted by Mr Lovett and, realising he is blind, decides to confide in him. And so begins a remarkable friendship. Unexpectedly, a third person appears in the garden: an intruder. Terry - abrasive and sullen, menacing even - has a claim to make on the garden. It is a piece of land he feels should belong to his own family. In his plan neither Mr Lovett nor the garden is safe, and it is up to Catherine to stop him. But in Terry, she recognises something of herself. A complex and gripping novel of human relationships from one of Australia's foremost authors for young adults. Joan Phipson was born in Sydney of English parents and spent her childhood in England, Australia and India. After leaving school she did a correspondence course in journalism, then took a number of jobs in London, one of which was with Reuters. She returned to Australia in 1937 and spent several years working as a librarian and printer before joining the WAAAF. Joan Phipson won the Children's Book Council of Australia's Book of the Year Award in 1953 and 1963, for *Good Luck to the Ride* and *The Family Conspiracy*. She died in 2003. 'The Watcher in The Garden (1982) by Joan Phipson has been republished by Text Classics for a new generation of readers to appreciate this timeless tale of adolescent angst played out against the backdrop of its uniquely Australian background. The cover design and the wonderful introduction by Margo Lanagan set the mood for this remarkable tale.' ReadPlus

Life in the Garden Penelope Lively, 2019-06-11 From the Booker Prize winner and national bestselling author, reflections on gardening, art, literature, and life Penelope Lively takes up her key themes of time and memory, and her lifelong passions for art, literature, and gardening in this philosophical and poetic memoir. From the courtyards of her childhood home in Cairo to a family cottage in Somerset, to her own gardens in Oxford and London, Lively conducts an expert tour, taking us from Eden to Sissinghurst and into her own backyard, traversing the lives of writers like Virginia Woolf and Philip Larkin while imparting her own sly and spare wisdom. Her body of work proves that certain themes never go out of fashion, writes the New York Times Book Review, as true of this beautiful volume as of the rest of the Lively canon. Now in her eighty-fourth year, Lively muses, To garden is to elide past, present, and future; it is a defiance of time.

The Jewel Garden Monty Don, Sarah Don, Monty Don & Sarah Don, 2012-03-01 'TRULY INSPIRING' Mail on Sunday Now familiar to millions of Gardeners' World fans as Longmeadow (the home of Nigel & Nellie), this is the story of Monty & Sarah Don's early days there. THE JEWEL GARDEN is the story of the garden that bloomed from the muddy fields around the Dons' Tudor farmhouse, a perfect metaphor for the Monty and Sarah's own rise from the ashes of a spectacular commercial failure in the late '80s . At the same time THE JEWEL GARDEN is the story of a creative partnership that has weathered the greatest storm, and a testament to the healing powers of the soil. Monty Don has always been candid about the garden's role in helping him to pull back from the abyss of depression; THE JEWEL GARDEN elaborates on this much further. Written in an optimistic, autobiographical vein, Monty and Sarah's story is truly an exploration of what it means to be a gardener.

Japanese Stone Gardens Stephen Mansfield, 2012-03-13 Gain some new ideas along with the principles and history of Japanese stone gardening with this useful and beautiful garden design book. Japanese Stone Gardens provides a comprehensive introduction to the powerful mystique and dynamism of the Japanese stone garden—from their earliest use as props in animistic rituals, to their appropriation by Zen monks and priests to create settings conducive to contemplation and finally to their contemporary uses and meaning. With insightful text and abundant imagery, this book reveals the hidden order of stone gardens and in the process heightens the enthusiast's appreciation of them. The Japanese stone garden is an art form recognized around the globe. These meditative gardens provide tranquil

settings, where visitors can shed the burdens and stresses of modern existence, satisfy an age-old yearning for solitude and repose, and experience the restorative power of art and nature. For this reason, the value of the Japanese stone garden today is arguably even greater than when many of them were created. Fifteen gardens are featured in this book: some well known, such as the famous temple gardens of Kyoto, others less so, among them gardens spread through the south of Honshu Island and the southern islands of Shikoku and Kyushu and in faraway Okinawa.

Garden Stories Various,Diana Secker-Tesdell,2022-04-14 Spectacular gardens are viewed from the perspective of a snail in Virginia Woolf's 'Kew Gardens' and from that of a sheltered teenage girl in Katherine Mansfield's 'The Garden Party'. The family of Doris Lessing's 'Flavours of Exile' haul succulent vegetables and fruits from the rich African soil, and Colette in 'Bygone Spring' luxuriates in extravagantly blooming flowers. Children discover their own peculiar paradises in Sandra Cisneros's 'The Monkey Garden' and Italo Calvino's 'The Enchanted Garden', while adult gardeners find things that move and haunt them in William Maxwell's 'The French Scarecrow' and Jamaica Kincaid's 'The Garden I Have in Mind'. Gardens of the mind round out the anthology: the beautiful but fatal garden of Nathaniel Hawthorne's 'Rappaccini's Daughter', the crystal buds of J. G. Ballard's 'The Garden of Time', ravenous orchids in John Collier's 'Green Thoughts', and Matsudo Aoko's 'Planting', in which a young woman plants each day whatever she has been given - roses and violets, buttons and broken cups, love and fear and sorrow. An entrancing book for everyone who loves gardens and the beauty of nature.
