Classic Diners of Maine Sarah Walker Caron, 2020-06-22 Across Maine, iconic diners come in different shapes and sizes. From the fluffy pancakes as big as a plate to piles of perfectly crisped corned beef hash, these beloved spots have served classic comfort food to generations of hungry patrons. For more than ninety years, Moody's Diner in Waldoboro has offered famous homemade pies to regulars and visitors alike. From the Lumberjack Breakfast at the Palace Diner in Biddeford to the steak and cheese omelet at the Deluxe Diner in Rumford, author Sarah Walker Caron reveals the stories and recipes behind the state's most iconic community eateries.

Garfield Allan Peskin, 1978 This biography evaluates and examines James A. Garfield's military career, the congressional years and the Presidency. Allan Perkins has had access to the Garfield and other papers, as well as drawing upon other resources of the Reconstruction Era.

Charlie's Diner Dennis F. Killeen, 2021-01-13 Charlie Winter was a grieving widower who mourned not only the loss of his wife but also the death of his young daughter a few years prior to his wife's death. All of Charlie's wealth could not make up for the pain he endured, and he envied happy families. His grief and envy were enough for him to seek ruining those families who were happy. Although the Owen family struggled with ordinary household finances, they seemed to be a happy family. Paul felt he made sufficient money so that Ann could stay home and raise their two kids. Ann had a different opinion as she paid the bills. This typical family disagreement was challenging the portrayal of a happy family. A chance lunch at Charlie's favorite diner will alter the lives of the Owen family forever.

Diners John Baeder, 1978 Included here are paintings and descriptions of more than 100 diners from every part of the United States. The artist's own captions introduce each diner - many of which no longer exist - and describe their food specialties, their sometimes quirky histories, and their owners, managers, or patrons. In the first edition 50 paintings were reproduced in color; for this new, revised, and updated edition, there are 69 in color. The artist has selected forty recent paintings to replace earlier works, most of which were shown only in black and white. New reminiscences, new anecdotes, and new facts accompany the paintings. Written by Baeder in his inimitable, conversational style, these brief texts tell the reader much about diner history, fashions in food and popular architecture, and about the amiable, slightly nutty man who pursues diners obsessively, yet views them with a perception that rivals that of a connoisseur of haute cuisine.
