*Manga Cultures and the Female Gaze* Kathryn Hemmann,2020-03-31 The female gaze is used by writers and readers to examine narratives from a perspective that sees women as subjects instead of objects, and the application of a female gaze to male-dominated discourses can open new avenues of interpretation. This book explores how female manga artists have encouraged the female gaze within their work and how female readers have challenged the male gaze pervasive in many forms of popular media. Each of the chapters offers a close reading of influential manga and fancomics to illustrate the female gaze as a mode of resistant reading and creative empowerment. By employing a female gaze, professional and amateur creators are able to shape and interpret texts in a manner that emphasizes the role of female characters while challenging and reconfiguring gendered themes and issues.

Pleasure in Profit Laura Moretti,2020-12-22 In the seventeenth century, Japanese popular prose flourished as waves of newly literate readers gained access to the printed word. Commercial publishers released vast numbers of titles in response to readers' hunger for books that promised them potent knowledge. However, traditional literary histories of this period position the writings of Ihara Saikaku at center stage, largely neglecting the breadth of popular prose. In the first comprehensive study of the birth of Japanese commercial publishing, Laura Moretti investigates the vibrant world of vernacular popular literature. She marshals new data on the magnitude of the seventeenth-century publishing business and highlights the diversity and porosity of its publishing genres. Moretti explores how booksellers sparked interest among readers across the spectrum of literacies and demonstrates how they tantalized consumers with vital ethical, religious, societal, and interpersonal knowledge. She recasts books as tools for knowledge making, arguing that popular prose engaged its audience cognitively as well as aesthetically and emotionally to satisfy a burgeoning curiosity about the world. Crucially, Moretti shows, readers experienced entertainment within the didactic, finding pleasure in the profit gained from acquiring knowledge by interacting with transformative literature. Drawing on a rich variety of archival materials to present a vivid portrait of seventeenth-century Japanese publishing, *Pleasure in Profit* also speaks to broader conversations about the category of the literary by offering a new view of popular prose that celebrates plurality.

Before long, the earth wished for more time to rest in the cycle, and Summer and Autumn were born. The ones who carry the cycle are called the Agents of the Four Seasons. Hinagiku, the Agent of Spring, disappeared from this land ten years ago, taking the season of spring with her. Now, after incredible hardship, she has returned to restore the cycle to its proper state-and, as in the myth passed down since the dawn of time, she sends her love to Winter.

**Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree** Robin D. Gill,2006-10 Cherry Blossom Epiphany - the poetry and philosophy of a flowering tree - a selection, translation and lengthy explication of 3000 haiku, waka, senryû and kyôka about a major theme from I.P.O.O.H. (In Praise Of Olde Haiku)by robin d. gill 1. Haiku -Translation from Japanese to English 2. Japanese poetry - 8c-20c - waka, haiku and senryû 3. Natural History - flowering cherries 4. Japan - Culture - Edo Era 5. Nonfiction - Literature 6. Translation - applied 7. You tell me! If the solemn yet happy New Year's is the most important celebration of Japanese (Yamato) ethnic culture, and the quiet aesthetic practice of Moon-viewing in the fall the most elegant expression of Pan-Asian Buddhism=religion, the subject of this book, Blossom-viewing - which generally means sitting down together in vast crowds to drink, dance, sing and otherwise enjoy the flowering cherry in full-bloom - is less a rite than a riot (a word originally meaning an 'uproar'). The major carnival of the year, it is unusual for being held on a date that is not determined by astronomy, astrology or the accidents of history as most such events are in literate cultures. It takes place whenever the cherry trees are good and ready. Enjoyed in the flesh, the blossom-viewing, or hanami, is also of the mind, so much so, in fact, that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo. Nobles enjoyed link-verse contests presided over by famous poet-judges. Hermits hung poems feting this flower of flowers (to say the generic flower = hana in Japanese connotes cherry!) on strips of paper from the branches of lone trees where only the wind would read them. In the Occident, too, flowers embody beauty and serve as reminders of mortality, but there is no flower that, like the cherry blossom, stands for all flowers. Even the rose, by any name, cannot compare with the sakura in depth and breadth of poetic trope or viewing practice. In Cherry Blossom Epiphany, Robin D. Gill hopes to help readers experience, metaphysically, some of this alternative world. Haiku is a hyper-short (17-syllabet or 7-beat) Japanese poem directly or indirectly touching upon seasonal phenomena, natural or cultural. Literally millions of these ku have been written, some, perhaps, many times, about the flowering cherry (sakura), and the human activity associated with it, blossom-viewing (hanami). As the most popular theme in traditional haiku (haikai), cherry-blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects; but this embarrassment of riches has much to offer the poet who is pushed to come up with something, anything, different from the rest and allows the editor to select from what is, for all practical purposes, an infinite number of ku. Literary critics, take note: Like Rise, Ye Sea Slugs! (2003) and Fly-ku! (2004), this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings (an average of two per ku) as part of a composite translation turned into an object of art by innovative clustering. Book-collectors might further note that while Cherry Blossom Epiphany may not be hardback, it takes advantage of the many symbols included with Japanese font to introduce design ornamentation (the circle within the circle, the reverse (Buddhist) swastika, etc.) hitherto not found in English language print. It is a one-of-a-kind work of design by the author.

*Gender and Globalization in Asia and the Pacific* Kathy E. Ferguson,Monique Mironesco,2008-08-01 What is globalization? How is it gendered? How does it work in Asia and the Pacific? The authors of the sixteen original and innovative essays presented here take fresh stock of globalization's complexities. They pursue critical feminist inquiry about women, gender, and sexualities and produce original insights into changing life patterns in Asian and Pacific Island societies. Each essay puts the lives and struggles of women at the center of its examination while weaving examples of global circuits in Asian and Pacific societies into a world frame of analysis. The work is generated from within Asian and Pacific spaces, bringing to the fore local voices and claims to knowledge. The geographic emphasis on Asia/Pacific highlights the complexity of globalizing practices among specific people whose dilemmas come alive on these pages. Although the book focuses on global, gendered flows, it expands its investigation to include the media and the arts, intellectual resources, activist agendas, and individual life stories. First-rate ethnographies and interviews reach beyond generalizations and bring Pacific and Asian women and men alive in their struggles against globalization. Globalization cannot be summed up in a neat political agenda but must be actively contested and creatively negotiated. Taking feminist political thinking beyond simple oppositions, the authors ask specific questions about how global practices work, how they come to be, who benefits, and what is at stake. Contributors: Nancie Caraway, Steve Derné, Cynthia Enloe, Kathy Ferguson, Maria Ibarra, Gwyn Kirk, Sally Merry, Virginia Metaxas, Min Dongchao, Monique Mironesco, Rhacel Parrenas, Lucinda Peach, Vivian Price, Jyoti Puri, Judith Raiskin, Nancy Riley, Saskia Sassen, Teresia Teaiwa, Chris Yano, Yau Ching.
