*Precious Gems* Sue Brady,2020-04-30 Pearl and Ruby - two precious gems - are friends for life. For eighty years, from the very first day they are put together in school, Pearl and Ruby are firm friends, through all the weddings, children, grandchildren and even great-grandchildren. The world around them may change but their friendship remains strong. We first meet them, aged nearly ninety, dealing with all that old age brings. Through flashbacks, we find out about their long, mainly happy, lives, how they met their husbands and the joy of children. Their children grow up together and are firm friends. They take great delight in each other's grandchildren and great-grandchildren, and have many happy memories to share, as well as the sadness for those who have already left this world. But how do you deal with the knowledge that your own life is probably coming to an end, even if it is after ninety years?

Gem Secret Daphne Pradeesh,2018-05-02 Two friends go on a picnic that turns out to be an amazing adventure. They encounter loads of interesting and awesome things, and work as a team with few new friends to find the gems. At the end, they get a surprise gift that no one would believe it to be true.

Friends and Gems Bonnie McPhail, 2017-01-11 To my dear sisters and cherished friends, We as women get so busy! We go to work, take care of our children and husbands, and do all the errands to keep the house running. On and on it goes. We see our friends at church, in passing, or at the grocery store, and always comment on how we should get together- but then we don't. And we say the same thing the next time we see them. Does this sound familiar? Friends and Gems Beaded Jewelry is a wonderful combination of spiritual lessons (gems) and a step by step lesson to create the beautiful necklace featured on the cover.. This is the 25th book in the Friends and Gems series; it is designed to be used by women either in a small-group setting or alone in your own personal quiet time. The course includes simple step-by-step instructions and to create the beautiful necklace featured on the cover. Step by step photographs are included. I wanted to make this not only a jewelry class but a relaxing time of peace and inner reflection. So I have included stories, poetry, simple bible lessons, scriptures and places for you to record your thoughts while you work on your project either alone or in a group. Along the way, you will learn life changing spiritual truths that you can apply to your own life, all while spending time with your friends. Sound like fun? Let's get started! Blessings dear friends!
