Human Trafficking Finances Georgios A. Antonopoulos,Andrea Di Nicola,Atanas Rusev,Fiamma Terenghi,2019-04-13 This unique volume addresses the financial mechanisms that enable human trafficking - its actors, structures, and logistics. Viewing each stage of the market, human traffickers may need significant financial resources for recruitment, transportation, and exploitation. Drawing upon cross-disciplinary research expertise in criminology, sociology, law and economics, this book offers insights from law enforcement officers, policy makers, NGOs, and traffickers and their victims. Using three European countries - Bulgaria, Italy and the United Kingdom - it provides an account on the sources of capital for initiating and sustaining a human trafficking scheme, discussing the involvement of criminal structures, legitimate businesses, financial institutions, and information and communication technologies in the running of these enterprises. It also addresses the ways in which entrepreneurs and customers settle payments, the costs of conducting business in human trafficking, and how profits from the business are spent and invested. This important contribution to the transnational organized crime knowledge base will be of interest to researchers and academics, as well as law enforcement, regulatory agencies, and policy makers combating human trafficking.

Books and Collectors, 1200-1700 Andrew G. Watson,British Library,1997 The essays that make up this collection examine 4 main themes in the history of the book over 5 centuries: monastic books and mediaeval learning, humanism and incunabula, the dispersal of monastic libraries and post-monastic collections.

The Pursuit of Porsha Porsha Williams,2021-11-30 Porsha Williams, entrepreneur and one of today’s most recognizable media personalities, opens up about family, faith, fame, and becoming an agent for change. Porsha Williams is a remarkable voice in the television and podcast communities. In The Pursuit of Porsha, she takes readers on a deeply personal journey as she searches for happiness and self-acceptance, giving fans a first-hand look into the defining moments of her life that have not been captured on-screen or in the press. Charged with candor, vulnerability, and the sharp wit Porsha is known and loved for, The Pursuit of Porsha brings readers back to the beginning and along her path of self-reflection and discovery. She details her upbringing as the granddaughter of civil rights activist Hosea Williams and her painful recollections of childhood bullying and gives readers a look at her search for love and her journey into the spotlight. Porsha shares every moment that has tried-and restored -her faith, over and over again. Through it all, Porsha proves that she is more than a soundbite, headline, or rumor. She is an empowering role model to black women and an icon for women everywhere. In The Pursuit of Porsha, readers will see Porsha as they have never seen her before.
