**Conversational Arabic Dialogues** Touri Language Learning, 2019-06-05 When face-to-face with a real Arabic speaker, do you freeze? Do you fear not knowing how to ask for directions in Arabic or even worse, not know how to communicate if there's an emergency? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's anything more challenging than learning the grammar rules of a new language, it's knowing what to say and having the courage to speak with confidence. We know how you feel - You always try to avoid making embarrassing mistakes or not getting your message through correctly, but it will happen anyway. 'How do I get out of this situation?', You may ask yourself, but have yet to find a straight-forward answer. Until now. We have compiled 50 Arabic Stories along with their translations, providing new Arabic speakers with the necessary tools to begin effectively studying how to set a meeting, how to check into a hotel and even what to say during an emergency! Our Arabic dialogues get straight to the point saving you precious time. There's no benefit learning words and phrases you will never actually use! If you want to learn Arabic quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational Arabic Dialogues works: • Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life. • A Arabic version of the conversation will take place first, followed by an English

translation. This ensures that you fully understood just what it was that they were saying! • Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. • That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational Arabic book once you have started reading and studying this one! Focus on getting from zero to conversationally fluent, so you can: -Travel or live in any Arabic speaking country without relying on Google Translate -Join Arabic conversations with your Arabic speaking coworkers, friends, or family members -Date Arabic-speakers without embarrassing yourself -Stop getting passed over for jobs or promotions for less-qualified people who are bilingual We want you to feel confident while learning Arabic; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your copy of Conversational Arabic Dialogues and start learning Arabic right now!

Learn Arabic the Fast and Fun Way Ragy H. Ibrahim, Munther Younes, 2008-11-01 All books and audio components in Barron's Fast and Fun Way series are informal introductions to their target language, especially designed for travelers and suitable for teaching older children as well as adults. They are illustrated with line art and maps. This book introduces Arabic words and phrases needed for greeting people, asking for directions, dining, shopping, banking, and more, and use both Arabic script and transliterations into the Roman alphabet. Additional language learning aids include self-testing quizzes and puzzles. The CDs that accompany the book present bilingual dialogues that reflect the book's content.

The simple structure of this vocabulary book is the result of taking all unnecessary things out allowing the learning effort to solely be spent on the parts that help you make the biggest progress in the shortest amount of time. If you are willing to put in 20 minutes of learning every day, this book is very likely the single best investment you can make if you are at a beginner or intermediate level. You will be amazed at the speed of progress within a matter of just weeks of daily practice. Who this Arabic frequency list is not for: This book is not for you if you are an advanced learner of Arabic. In this case, please go to our website or search for our Arabic vocabulary book which comes with more vocabularies and is grouped by topic which is ideal for advanced learners who want to improve their language capabilities in certain fields. Furthermore, if you are looking for an all in one Arabic learning book that guides you through the various steps of learning Arabic, this book is most likely also not what you are looking for. This book contains vocabularies only and we expect buyers to learn things like grammar and pronunciation either from other sources or through language courses. The strength of this book is its focus on quick acquisition of core vocabularies which comes at the expense of information many people might expect in a conventional language learning book. Please be aware of this when making the purchase. How to use this Arabic workbook: This book is ideally used on a daily basis, reviewing a set number of pages in each session. The book is split into sections of 50 vocabularies which allows you to step by step progress through the book. Let's for example say you are currently reviewing vocabularies 101 to 200.

Once you know vocabularies 101 to 150 very well, you can start learning vocabularies 201 to 250 and on the next day skip 101-150 and continue reviewing vocabularies 151 to 250. This way, step by step, you will work your way through the book and your language skills will jump with each page you master. Some final thoughts: Like many language hacking methods, this book is quite unconventional in its approach, but for a driven person that uses it correctly it can significantly speed up the learning process. Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work quite well – and that is what counts in the end.
