Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

**The 6-Figure Ghostwriter: How to Rapidly Earn 5-Figures Per Month Without Chasing Clients While Being Paid to Develop Your Craft and Earn Enough** Matthew Thrush,2019-03-23 Become a Six-Figure Author Now! Are you tired of not earning enough money from your book sales? Sick of throwing away thousands on marketing and promotion with little return? There's a better way to earn a solid living as a writer without publishing a single word, spending \$\$\$ on marketing, or worrying about books sales. The best news...you can do all of this immediately and scale to six-figures within a matter of weeks. Matthew reveals to you a proven method that will take you from struggling to thriving in less than six months. In The 6-Figure Ghostwriter you will discover: Matthew's 3 Factor Key that eliminates the overwhelm and shows you precisely what you need to know to hit six-figures as a writer. Why ghostwriting is the faster way to earn a great living with your words instead of self-publishing or traditional publishing. How to save thousands on marketing and promotion or earn money UPFRONT to pay for it. How to be paid to develop your craft. How to be paid to experiment with other genres. Where to start in ghostwriting. How to find & land high-paying clients who will pay you what you're worth (no more content mills!) How to determine what to charge for your work. And how to launch your career today! The 6-Figure Ghostwriter equips writers with the secret methods, principles, and belief system they need to transform their lives and finally do what they love AND get paid doing it. The 6-Figure Ghostwriter transforms aspiring or struggling writers into thriving authors. The 6-Figure Ghostwriter will help you increase your income and establish your platform as a ghostwriter. Today is your day to finally live your dream. Grab your copy and tap into the secret market of wealth just waiting for writers like you today! Matthew Thrush quit his job as a technical writer in less than four months to write full-time as a ghostwriter, earning over \$10,000 per month. Since then he's founded Six-Figure Ghostwriter Foundation 101, an online course that teaches aspiring writers the tools to set up a solid foundation for their ghostwriting careers to earn 4 or 5-figures per month within a matter of weeks, not years. The \$100K Author Mastermind, a community of likeminded writers all striving for the same goal: write full-time and demand high rates for their writing. Matthew provides monthly coaching, job listings, tips & tricks, and video trainings or walkthroughs based on members' questions or struggles. It's a great place to start if you're just getting into ghostwriting and want some guidance. He also founded Rapid Growth Accelerator for those wanting a boost of hand's on coaching to hit the ground running in an intensive 4-week boot camp. And its sister program, Six-Figure Ghostwriter Mentor Program, which is a 12-month mentorship for advanced writers wanting to scale beyond six-figures within six months or less and establish their writing careers into a business, not just a freelancer. The methods, teachings, and principles he teaches you in The 6-Figure Ghostwriter is the same process he teaches his advanced students in the 4-week Boot Camp and his year-long mentorship. While the mentor program requires an intensive vetting process, now students can gain access to the same invaluable coaching. What you'll learn in The 6-Figure Ghostwriter is REAL and PRACTICAL methods to finally live the dream you've had

*The Palgrave Handbook of Script Development* Stayci Taylor,Craig Batty,2022-01-04 The Palgrave Handbook of Script Development provides the first comprehensive overview of international script development practices. Across 40 unique chapters, readers are guided through the key challenges, roles and cultures of script development, from the perspectives of creators of original works, those in consultative roles and those giving broader contextual case studies. The authors take us inside the writers’ room, alongside the script editor, between development conversations, and outside the mainstream and into the experimental. With authors spanning upwards of 15 countries, and occupying an array of roles - including writer, script editor, producer, script consultant, executive, teacher and scholar, this is a truly international perspective on how script development functions (or otherwise) across media and platforms. Comprising four parts, the handbook guides readers behind the scenes of script development, exploring unique contexts, alternative approaches, specific production cultures and global contexts, drawing on interviews, archives, policy, case study research and the insider track. With its broad approach to a specialised practice, the Palgrave Handbook of Script Development is for anyone who practices, teaches or studies screenwriting and screen production.

**Managing Online Forums** Patrick O'Keefe,2008-04-21 Every day, millions of users log on to their favorite online forums and interact with others to get advice and discuss everything from the latest news and trends to their hobbies, professions, and whatever else strikes their fancy. Administrators have to lead these communities, deal with difficult users, and choose moderators. Legal constraints, spammers, and technical issues can turn the excitement of running an online community into chaos. With the right guidance, however, running forums can be a pleasure. Patrick O’Keefe has spent years developing and managing online communities. Now, he shows readers how to make the right decisions about every aspect of their forums, including: • choosing a name and domain name • picking the right software • deciding on user options like avatars and private messaging • setting guidelines and dealing with violators • ensuring that posts stay on topic • settling online disputes among users • involving users and keeping the site interesting Managing Online Forums is the one book that shows site owners and administrators how to create a safe and entertaining community that users will return to again and again.

Write. Publish. Repeat. Johnny B. Truant,Sean Platt,David Wright,2014-12-14 Write. Publish. Repeat. The No-Luck-Required Guide to Publishing In 2013, Johnny B. Truant and Sean Platt published 1.5 million words and made their full-time livings as indie authors. In Write. Publish. Repeat., they tell you exactly how they did it: how they created over 15 independent franchises across 50+ published works, how they turned their art into a logical, sustainable business, and how any independent author can do the same to build a sustainable, profitable career with their writing. Write. Publish. Repeat. explains the current self-publishing landscape and covers the truths and myths about what it means to be an indie author now and in the foreseeable future. It explains how to create books your readers will love and will want to return to again and again. Write. Publish. Repeat. details expert methods for building story worlds, characters, and plots, understanding your market (right down to your ideal reader), using the best tools possible to capture your draft, and explains proven best practices for editing. The book also discusses covers, titles, formatting, pricing, and publishing to multiple platforms, plus a bit on getting your books into print (and why that might not be a good idea!). But most importantly, Write. Publish. Repeat. details the psychology-driven marketing plan that Sean and Johnny built to shape their stories into products that readers couldn't help but be drawn into -- thus almost automatically generating sales -- and explores ways that smart, business-minded writers can do the same to future-proof their careers. This book is not a formula with an easy path to follow. It is a guidebook that will help you build a successful indie publishing career, no matter what type of writer you are ... so long as you're the type who's willing to do the work. What Indie Authors and Thought Leaders Are Saying: Two of the best in the biz... A gem for aspiring authors. -- Hugh Howey I have a pretty popular blog on self-publishing, and I've written a couple of books on the topic myself - meaning I've read a lot on the topic and come across lots of different strategies and approaches to building a loyal audience. For my money, this is the best book on self-publishing out there. -- David Gaughran It's tough to find more honest and straight-forward marketing advice than what you'll get from these indie authors. -- Jane Friedman, former publisher of Writer's Digest The most important book on self-publishing I've ever read. -- Karol Gajda Consider it the most valuable guide book to publishing success. -- Jim Kukral, Author Marketing Club You'll Wish You Could Have Read it Years Ago!

*Drive* Daniel H. Pink,2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose-and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

*Israeli Masculinity, Sex Work, and Consumerism* Yeela Lahav-Raz,2023-11-07 Israeli Masculinity, Sex Work, and Consumerism: Heteronormativity and Sexual Repertoires explores the inner world of Israeli sex work consumers and their use of digital technologies on which intense feelings of social togetherness and belonging create a localized form of homosociality and brotherhood. The first of its kind to offer an in-depth analysis of masculine sexual repertoires in the field of sex consumption, this book uses extensive data and observations of online ethnography among a community of Israeli sex consumers operating online. It elucidates the economics of demand in the field of sexual consumption, and highlights how the rise of the thriving online communities of sex consumers can function as a platform on which power relations between men themselves are publicly displayed and are constantly challenged. Israeli Masculinity, Sex Work, and Consumerism: Heteronormativity and Sexual Repertoires will be suitable for researchers in Gender and Sexuality Studies, Sociology, Anthropology and Criminology.

How to Make Real Money Selling Books provides a proven strategy for selling books to these enterprises. You will learn about developing a product strategy, conducting test marketing, contacting prospective buyers, promoting your product, selling to niche markets, and much, much more.

*The Leader in Me* Stephen R. Covey,2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

**Model Rules of Professional Conduct** American Bar Association. House of Delegates,Center for Professional Responsibility (American Bar Association),2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. colleagues and the courts.

**The Millionaire Messenger** Brendon Burchard,2011-09-01 When Brendon Burchard was 19 years old he was in a life-changing car crash. After speeding around a hairpin turn in the Dominican Republic he and his friend were catapulted into the air, and, as the car flipped, Brendon pondered three essential questions: Did I live? Did I love? Did I matter?When the car landed and to his amazement he was still alive, Brendon realized that he didn't yet have satisfying answers to those questions, but he did have an idea as to how to get them. He began the process of crafting his life story into one that would make a difference in the world, inspire others and show them how they too could share their passions with a wide audience. After some initial struggles, Brendon launched what has become a million dollar consulting, book writing, and speaking business, all based on his mission to spread his message to the world. In The Millionaire Messenger, Brendon offers a 10-step plan that will help readers develop their message, package their advice in an attractive way, gain a following, and, perhaps most importantly, make money in this effort. By following his program, ordinary people can learn to package their struggles, successes, research, or life's story into advice for others and become experts on any given topic. In the industry of people who share their advice and knowledge with the world and get paid for it, Burchard is the 'guru's guru.'
