Want a fun, cute, tasty bite-size treat to pass around? Rachael is slider obsessed and you will be, too: try the Mexican Pulled Pork Sliders. Rachael's friends from the New York and South Beach Wine & Food Festivals' Burger Bashes also contribute their award-winning recipes, including Bobby Flay's Louisiana Burger and Masaharu Morimoto's Kakuni Burger. Twelve original videos (directly accessible by links throughout the text) make The Book of Burger a truly multimedia experience and a smart book that celebrates the infinite possibilities of everybody's favorite food.

The Bliss Experiment (with embedded videos) Sean Meshorer,2012-05-08 HAPPINESS IS GOOD. BLISS IS BETTER. We have a higher standard of living and more ways to instantaneously fulfill every desire than ever before. Then why are we unhappy? Because happiness isn't what we really want. Happiness alone is fleeting and not deeply transformative. Bliss is a spiritual state where happiness, profound meaning, and enduring truth converge. With bliss comes an unshakable joy, a practical wisdom, and a lasting solution to our personal and planetary sufferings. Based on a successful seminar taught by Sean Meshorer, a leading spiritual teacher and New Thought minister, The Bliss Experiment contains dozens of stories of real people learning from everyday situations, backed by more than five hundred scientific studies. This is the one essential book that distills and unifies seemingly competing practices, philosophies, religions, and psychologies. Meshorer includes exercises that have worked time and again for people from all walks of life—including him. Meshorer suffers with severe chronic pain and is able to live his life to the fullest through the practices he shares here. Bliss helps with stress, anxiety, and depression. It makes people more successful, better able to see and seize opportunities, and build or improve relationships. Give these ideas and practices twenty-eight days of dedicated attention and you will see results. You only need a moment of bliss to benefit the rest of your life. The text includes links to bonus videos of Sean Meshorer expanding on the book's themes and demonstrating the exercises.

A Swing for Life: Revised and Updated Nick Faldo,2012-11-06 An instructional guide to the perfect swing from one of golf's most successful players and well-known television commentators. "A Swing for Life represents the ultimate collection of lessons, swing thoughts, observations, and discoveries that I relied upon in a career dedicated to the game of golf." —Sir Nick Faldo Nick Faldo is one of the world's most accomplished and well-respected golfers. His name is synonymous with the dedication that is necessary to reach the highest levels of the professional game, and the patience with which he analyzed and fine-tuned his swing rewarded him with six major championships. In this extensive book—revised and updated from the 1995 classic—Faldo draws on the wealth of that experience to demonstrate the skills that lie at the heart of the game, tee to green. Revealing a collection of absolute musts that underpin golf's fundamentals, Faldo explains how to set in motion a chain reaction that inspires a flowing, repeating swing, a technique that can be applied to every club in the bag. There's a whole chapter dedicated to timing and tempo, featuring the drills and exercises Faldo used to maintain his own trademark rhythm, plus comprehensive lessons on modern driving strategy, short-game technique, bunker play, and the art of putting. Supporting his teaching throughout are superb photographs, as well as twenty-six original videos available for you to download from the book, adding a valuable dimension to the learning experience in every department of the game. For veteran golfers, Faldo's strategy on "working the ball" reveals the true talent of shot-making and control, while his practical advice on taking your game from the range to the course—the art of visualizing shots and reproducing your skills under pressure—is universally applicable. "At the highest level, golf is all about the respect a player has for the fundamentals—the lessons that have stood the test of time . . . and that's precisely the message that I am going to make sure comes across in this book." So says Faldo in his introduction to what is essentially a master class from one of the game's most exacting students and prolific winners. A Swing for Life promises inspiration for anyone who has ever picked up a golf club.

Teacherpreneurs Barnett Berry,Ann Byrd,Alan Wieder,2013-08-12 We need a bold new brand of teacher leadership that will create opportunities for teachers to practice, share, and grow their knowledge and expertise. This book is about teacherpreneurs—highly accomplished classroom teachers who blur the lines of distinction between those who teach in schools and those who lead them. These teacherpreneurs embody the concept that teachers can teach as well as lead the transformation of teaching and learning. It's about empowering expert teachers who can buoy the image of teaching and enforce standards among their ranks while all along making sure that their colleagues as well as education policymakers and the public know what works best for students. The book follows a small group of teacherpreneurs in their first year. We join their journey toward becoming teacher leaders whose work is not defined by administrative fiat, but by their knowledge of students and drive to influence policies that allow them and their colleagues to teach more effectively. The authors trace the teacherpreneurs' steps—and their own—in the effort to determine what it means to define and execute the concept of teacherpreneurism in the face of tough demands and resistant organizational structures.
