*Ghost Camera* Darcy Coates,2014 A small number of cameras have the ability to capture ghosts on film. This gift comes at a steep price; the ghosts are resentful and hungry, and the cameras offer them a rare chance to reach their favourite prey... humans. Jenine doesn't know any of this when she finds an abandoned Polaroid camera in a lighthouse. At first she assumes the ghostly shapes in the photos are a glitch or a prank - but then the spirits begin to hunt her down, and she's forced into a deadly race to free herself from the camera's curse.

*Phantoms on Film - Real Ghosts Caught on Camera* Craig Hamilton-Parker,2015-03-31 Phantoms on Film is an intriguing collection of real ghost photographs and paranormal phenomena captured on camera. Bestselling author Craig Hamilton-Parker is an internationally recognized medium with TV shows on the BBC and programs around the world. With 40 years experiences as a medium communicating with the dead and an expert on photography and image analysis Craig uses his skills to sort the phantoms from the fakes. In this book he covers everything from never-before-seen Edwardian seance photographs, unfathomable ghost encounters, and some impossible to explain phenomena. He analyses orbs, strange lights, spirit extras, photos that predict the future, spirit lights and pictures of dead family appearing in images. Never before has there been such an extraordinary collection of unique pictures brought together in one book. These strange images are accompanied by the back story and an illuminating commentary by the world's leading expert on spirit photography.

*Ghost Camera* Darcy Coates,2024-07-30 When Jenine finds an abandoned polaroid camera, she playfully snaps a photo without a second thought. But there's something wrong with the image: a ghostly figure stands in the background, watching her. Fixated on her. Moving one step closer with every picture she takes. Desperate, Jenine shares her secret with her best friend, Bree. Together they realize the camera captures unsettling impressions of the dead. But now the ghosts seem to be following the two friends. And with each new photo taken, a terrible danger grows ever clearer... DISCOVER CHILLING NEW BONUS STORIES, INCLUDING: A woman survives a plane crash in a remote arctic tundra, accompanied only by a stranger who seems fixated on something moving through the blinding snow. A house stands empty. Hungry. Waiting for the children drawn to it like moths to a flame. A woman finds a shoebox filled with old VHS tapes. They have a note attached: Don't watch. You'll regret it. And more

*Ghost Photography 101* Fiona Broome,2011-09-26 Ghost photos... are they real? \* Is that orb just dust or pollen or fog? \* Is that vortex actually a piece of hair? \* Is that apparition really smoke? Chances are, the answer is no. Professional photographer (and paranormal researcher) Fiona Broome shows the results of over four years of experiments with a variety of cameras, testing the normal explanations for orbs, vortices, and eerie figures. Her conclusions...? She -- and many other experts -- have been wrong about anomalies: As the subtitle says, it's not just dust. Whether you're a believer or a skeptic, this book contains something to shock (or at least annoy) almost everyone who thought they understood ghost photos. Written for beginning and intermediate ghost hunters, this 180+ page book tells you: \* How to select a camera. \* What settings to use. \* Where to take photos. \* How to decide if they're really ghosts. However, even professionals will find some unsettling ideas and disturbing evidence in this book. Fiona invites you to try these same tests. Prove her wrong, if you can. You may never look at ghost photos the same way, again.

*The Best of Ghosts Caught on Film* Melvyn Willin,2012-09-05 The Best of Ghosts and the Paranormal Caught on Film is an extraordinary supernatural collection of photographs which brings together the finest visual evidence for the existence of ghosts and paranormal activity from around the world. From early photographs of psychics, mediums and ghostly happenings, to celebrated recent photos and the most interesting examples of the unexplained. The images have been selected by SPR researcher Dr Melvyn Willin, and Jim Eaton, webmaster of one of the most popular websites on ghosts. Each picture is accompanied by a description of its circumstances and the steps taken by researchers to establish that there is no normal explanation for the phenomena. A treat for all fans of ghosts and the paranormal and an opportunity to explore the unexplainable. Exploring every aspect of the supernatural and paranormal subjects from angels, fairies and UFOs to near-death experiences, vampires, and ghosts. The book is excellently researched using a myriad of sources including historical and first-hand accounts, and of course the author's own thorough investigations. Who is the mysterious black figure at Covent Garden? What was the apparition at Hampton Court Palace? Is there a ghostly prisoner still trying to escape from Old Newgate Prison? Was that really an angel at the Vatican? Decide for yourself with this extraordinary collection of Mysterious figures, ghostly lights, heavenly apparitions and Unexplained phenomena. Is this photographic evidence of a world beyond our understanding? You decide!

**Ghostly Photographs** Julie Griffin,2012-10-02 This phenomenal collection of photographs, coupled with the stories which illuminate each image, will enrich any reader's mind with deeply thought-provoking concepts. What Julie Griffin has captured on film is equally compelling and significant. It will prove to be an outstanding contribution to a supernatural conversation occurring worldwide. Andrea Perron, Author House of Darkness House of Light [www.houseofdarknesshouselight.com](http://www.houseofdarknesshouselight.com) ~ o ~ The spirit world is constantly around us; they don't wait until the middle of the night. I have photographed spirit energy as early as 11:30 in the morning, outdoors on a clear sunny day in May. Learn out about the full body apparitions that were captured indoors by the camera not once, but twice as they moved. My travels have taken me to the Lizzie Borden House, Gettysburg, Rolling Hills Asylum, Eastern State Penitentiary, an amazing haunted B&B in NY State, and many other places. These are the stories behind the photographs and what happened on the investigations. I have experienced objects physically moved by an unknown source, a frightened spirit rush out of a basement and pass through the right side of my body, plus a disembodied male voice whose comment was directed at me. And an unexpected message given by a Medium from a friend's late husband. I was told a list of many items to tell her about, including a broken gravy boat. So enjoy these real ghost encounters from the comfort of your favorite chair. They are ghost stories you can see with your own eyes.

*Ghost Camera* David Semanki,2024-04 Pictures of the fleeting moment, capturing more than the eye can see--these are the essence of David Semanki's Ghost Camera.

**How to Photograph the Paranormal** Leonore Sweet,2004-12-08 A Must-Have Guide for Investigating the ParanormalHave inexplicable spheres and fogs ever ruined any of your photographs? If you discarded them, thinking dirt on the lens or camera glitches were to blame, you may want to retrieve them and reconsider. These spheres and fogs may be paranormal light forms. Light forms are mentioned in literature on angels, aliens, UFOs, ghosts, crop circles, near-death experiences, inter-dimensional beings, magick, and thought forms. Hypnotized subjects describe the lights as the forms we become between lives on Earth.This entertaining book examines the many theories about what these energies may be and presents evidence throughout history that confirms their existence.Starting out as a novice photographer, the author captured the apparent spirit of her sister's dog. That began her great adventure into researching orbs, vortexes, and ectoplasms that are appearing in pictures worldwide. In this book, you will learn as she did how, when, and where to photograph and interact with these intelligent life forms.How to Photograph the Paranormal has something for everyone--from the simply curious to ghost hunters and paranormal researchers. The book features dozens of original paranormal photographs--many in full color.Mysterious lights evidently have been with us all along but they are now making extra efforts to reveal themselves to humanity. This book is an eye-opening glimpse into their world.

*Lights ... Camera ... Ghost!* Tempny Deckert,2005 Deckert's experiences as a child actor make her well qualified to write a series set in the television industry. No job could be better: the whole gang on location shooting a film in an old manor. The best setting for pranks, thinks mischevious Tahnee. But weird things start to happen, things Tahnee knows she didn't do. What's going on?

*Ghosts on Film* Troy Taylor,2005-09-01 Author and ghost researcher Troy Taylor once again delves into the supernatural with a guide to the history and mystery of spirit photography. In this latest installment in the popular Haunted Field Guide series, the author takes an in-depth look at the

controversial and mysterious history of spirit photography, including a look at the mediums and scientists who pioneered the field and the most famous pictures that allege to be ghosts captured on film. The book also includes a detailed exploration of the way that cameras have impacted the field of paranormal research and a recounting of some of the best-known cases where cameras played a crucial role, as well as a detailed guide for using your own camera in ghost investigations. Other sections of the book feature an examination of how cameras capture ghostly images, the forms that paranormal energy takes, hints and tips on using cameras in ghost research, step by step guides to photographic investigations and chapters on analyzing photos, detecting photographic trickery, accidental photos, camera operations and much more! This is a must-have book for any ghost hunter's collection!

**The Haunted Camera** Drac Von Stoller, 2012-05-23 Delbert Gray was an amateur photographer with a hunger for fame. The camera Delbert used was a cheap Kodak Instamatic. You can see why Delbert dreamed of owning a Nikon like his rich friend Michael. Michael would let his friend Delbert develop his pictures in his dark room while he was developing his own. Delbert envied Michael's photographs and would often close his eyes and daydream about being a famous photographer someday. Delbert was only fifteen years old. He wasn't old enough to get a job like his friend Michael and bring in a big paycheck. As Michael was puffing on his cigarette in the dark room developing his film beside Delbert, Michael would often make remarks about Delbert's photographs and tell him if he wanted to take pictures like him he needed to throw that cheap camera in the trash and buy one like his. Delbert replied with a lump in his throat You know I don't have a job and my parents wouldn't even consider buying me a camera such as yours. Michael replied, You know something Delbert, either you get a good quality camera or I'm going to ask you to stop developing your photographs in my dark room. Your photographs are pathetic. Delbert answered back in a sad tone of voice, That wasn't a very nice thing to say to your friend. I know, but it's the truth and sometimes the truth hurts, exclaimed Michael. Well let me tell you something Michael, I'm going to own a camera like yours someday and when I do you'll be jealous of me, said Delbert in a stern voice. Delbert took his Instamatic camera and photographs with him and told Michael he wouldn't be back to see him until he found that special camera. Michael just laughed and said to Delbert, Looks like I'll be in the old folks home when that happens. Delbert exited the dark room and slammed the door behind him, walked home, and threw his Instamatic camera at his bedroom wall. Delbert said, What have I done, now I don't have a camera. What am I going to do now? Delbert sat on his bed crying because he knew he had no way of replacing the Instamatic camera he had just broken. Delbert made up a story about how the camera broke, but his father just laughed and said, Are you out of your mind? You'll be able to get a job in about a year then you can buy yourself a new camera. Delbert's father turned away and told Delbert he didn't want to hear any whining about how I should buy him a new camera. Delbert yelled at his father saying, But Dad it was an accident. Delbert's father turned back around and kicked him in his rear end and slammed the door behind him. Delbert lay down on his bed and cried his eyes out the rest of the night. Morning came and Delbert wiped the remaining tears from his cheeks. Delbert took a deep breath and said a prayer. Delbert decided instead of lying in bed all day sulking about why his friend Michael would be saying I told you so. Delbert got dressed and grabbed an apple from the kitchen and a soda headed down the road on foot in search of that special camera. As Delbert was walking around the town square he came across an Antique shop that had an old bellows camera in the display window. Delbert said to himself, If I could just have that camera I bet it would take better pictures than Michael's. Delbert slumped over with tears again flowing down his cheeks knowing in reality there was no way he could afford such a beautiful camera. Just as Delbert was walking past the Antique shop, an old man opened the door came up to Delbert, and said, I noticed you were looking at that old camera in the window as if it belonged to you. Delbert answered, Yes, Sir, I was only wishing. I knew in my heart I could not afford such a beautiful camera. Besides, I don't even have a job or any money to give you and my father told me the only way I could buy a new camera was to get a job next year. By that time your camera would be gone and I would be heartbroken once more. Well, I better be on my way, because if I don't get home soon my dad is going to whoop me. Not so fast!" the old man said in a tender voice. I've never had anyone come by my shop and want any of my antiques like you have. I tell you what if you want the camera it's yours to keep. Don't worry about the money your money is no good to me. There's only one condition. Bring me a copy of the photos you take. I have a scrapbook that I would like to place them in. That's all I ask of you. What do you say? Delbert answered back eagerly, Yes, Sir, Delbert started crying because his prayer had been answered.

**Taryn's Camera: Beginnings** Rebecca Patrick-Howard, 2016-05-24 Taryn Magill can see the past through her camera and she's never met an old house she didn't like. But what happened before she fought for her life at the Devil's House? What is the mysterious presence that haunts her Aunt Sarah's farmhouse in New Hampshire? Was she the first to see and hear ghosts at the historic Shaker Village? Taryn's Camera: Beginnings includes 4 novellas that act as prequels to the Taryn's Camera series. All ghost stories, all spooky fun! In Pieces you'll travel back to Shaker Town and follow Susan, a spitfire woman who learned the secret of the haunted pond long before Taryn. In The Devil's House you'll return to Windwood Farm and follow four teenagers in the 1950s who spend an evening at the haunted house that none of them will ever forget. In Stella, you'll meet Taryn's grandmother, a woman who finds that there's more to her spooky old house than she ever imagined. Lastly, in Sarah you'll finally meet Taryn's Aunt Sarah. Alone in her rambling old farmhouse in New Hampshire, Sarah is about to come face-to-face with something unspeakable-something that will act as the catalyst for everything that follows in Taryn's life. \*\*These are companion stories to the Taryn's Camera series. It is not necessary to have read the rest of the books in the series first. The Taryn's Camera series follows multi-media artist Taryn Magill, a woman who can see the past through her camera. If you like ghosts, mysteries, and old houses than she's your gal!\*\*
