Worthy of the Harmony R. C. Martin, 2016-03-11 [Worthy of the Harmony is a continuation to Encore Worthy, so make sure you read that first!] She is guarded. She is inspirational. She is worthy of more than an encore. He is alluring. He is confident. He is more than she ever bargained for. Her stubbornness battles against his persistence... His optimism outshines her resistance... And their song plays on. Sage McCoy has always been the type of guy who goes after what he wants. For years, what he's desired most is to see his band, Mountains & Men, become more than Saturday night entertainment at a local bar. He swears he'll chase that dream until it comes true, or he'll die trying. Now, he senses that he and his mates are on the precipice of something amazing, and he's never wanted anything more. Except, perhaps, Millicent Valentine-the woman he craves above all others. Millicent Valentine believes in one absolute truth: Men always leave. Yet, despite her belief that Sage will eventually tire of her, she can't help but indulge her desire for him. She makes up her mind that he can have her body, but he isn't allowed her heart. Though, she never anticipated that the leading man of Mountains & Men would be so much more than the arrogant little shit she imagined him to be. [This is the second of four installments revolving around Sage and Millie. Intended for audiences 18+ years of age due to explicit

language and sexual content.]

Torment: Part One Dylan Page,2021-01-14 Torment Part One is a dark, taboo, MC, contemporary romance. How did I get here? Broken, bruised, and mentally shattered.For most of my life, my older stepbrother, Shay, was my hero, my rock, and my best friend. The one I knew I could always rely on. For many

years, I accepted everyone and everything around me. But as I grew up, the veil was lifted, and I slowly came to understand how f*cked up it all really is. These men, who I considered uncles and close family friends, are members of the dominant MC, The Celtic Beasts. Shay is not only a proud member. He is the one they send in to do their dirty work. For some reason, this tough, muscled, terrifying guy, needs me to ground and comfort him. But I have always had bigger plans. Bigger dreams. I don't want to be trapped here, in this life that is dark, bloody and violent. I want to get out, escape... but Shay has other plans for me. What do you do when your protector becomes the very root of your torment? **Warning: This book is meant for mature readers, 18+. Torment Part One is a dark romance and contains scenes and situations that may be upsetting for some readers. Includes several triggers and sensitive material such as: domestic abuse, profanity, gang violence, PTSD, depression, anxiety disorders, and sexual assault. Please do not read if you are uncomfortable with any of the above. Thank you.

The Crimson Countess Brynn Myers, 2021-06-02 When a god and a vampire queen desire you, things can get complicated. Nola Blair is a free-spirited artist who's been offered a hefty sum to create a unique piece for a party at Elizabeth Bathory's ruined castle. It's an assignment she declined--twice. However, at the behest of her sister and her best friend, she finally gave in, choosing her career over her annoyance with the misogynist ass trying to

secure her services. Erzsebet Bathory has been trapped for centuries and would do anything to escape, including using her own son, Paul, to do her bidding. Soon she'll be free and take her place among the ferals as their queen. Andrik Kane had no idea his life would change when he saved Nola from a band of rogue vampires. Charged with the hunting of ferals and their creators, one broken rule and the blood of a beautiful brunette in distress ends up giving him more than he ever bargained for. One wants her blood, the other wants her to be his. Who will decide Nola's fate? (Previously published as Captivated by Crimson)

Perfect Alignment Silvia Violet, 2016-11-15 Thorne proposed to Riley. Riley accepted. Thorne thought that was that. They'd take a nice trip, get married, and spend a week luxuriating in a five-star hotel with occasional excursions to fabulous restaurants. Riley imagined a traditional wedding with all the trappings. With all their friends and family. At Christmas. Thorne concedes reluctantly, and a flurry of wedding planning ensues. At the same time, Thorne is wrestling with a recalcitrant client, and Riley and his business partner, Susan, are consumed with renovations and planning for the opening of their bakery. Stress on top of stress makes both Riley and Thorne doubt their relationship, and a major misunderstanding nearly silences the wedding bells. By the time they reach their happily ever after, they're both going to deserve all the romance they've been dreaming of.
