**G.I. Joe Classified Book One** Kelley Skovron,2022-07-26 A page-turning action-adventure story awaits middle-grade readers in this exciting new series featuring G.I. Joe! Deadly technology, missing students, and a secret organization of ninjas come together in this propulsive story set in the world of G.I. Joe. When Stan's mom gets the job offer of a lifetime at a cutting-edge tech company, Stan packs his bags and exchanges Chicago for Springfield, home to DeCobray Industries. Saying goodbye to big-city life is only the first challenge Stan faces in moving to Springfield, a town that's eerily under the thumb of his mother's powerful employer. DeCobray has its hand in everything, including the Lyre XR augmented reality headsets that Stan and his fellow students at Springfield Academy are asked to beta test. At first Stan loves his headset—data on his classmates is at his fingertips, and the Lyre's custom filters make school sort of fun—but then he meets Scarlett, Ichi no Zoro-me, and Julien, and his new friends show him there's a lot more going on behind DeCobray's flashy tech. When several kids go missing at school, Stan and his friends set out to uncover the truth behind the devices. But the further they dig, the more sinister the conspiracy at the heart of their town appears . . . This propulsive series starter is a heart-pounding thrill ride from start to finish, perfect for fans of G.I. Joe and action-adventure stories alike.

**GI Joe & Lillie** Joseph S. Bonsall,2003-03-01 In the early morning hours of June 6, tens of thousands of boys from the shores of Maine, the rivers of Mississippi, and the lakes of Minnesota were taking a boat ride that would go down in history. With the ocean spray in their faces and hearts practically beating out of their chests, American G.I.s peers through the mist and saw the beaches of France. The Allied invasion of Hitler's Europe was on! A skinny kid from Philly checked his rifle for the umpteenth time and swallowed hard. A strip of beach codenamed Utah lay just ahead.... The 1944 D-Day landings preserved freedom all over the world and affected countless individual lives including G.I. Joe and his wife, Lillie. After the war, G.I. Joe and Lillie settled into a life that included two children. Old

wounds, though, never quite let G.I. Joe leave France. Nightmares and crippling injuries left him with only one true friend, but she was all he'd ever need. Lillie embarked on a decades-long love affair, from the moment she saw that skinny boy from Philly in an army hospital. Five days of courtship and 55 years of marriage strengthened by faith saw to that. Lillie prayed daily for her husband and children in the difficult years ahead. Together, they made it all the way home. In Lillie's America, it was sacrifice that preserved cherished freedoms, and loyalty kept families united and strong. Lillie's steadfast faith and heartfelt devotion is a lesson for our time. This story of patriotism, bravery abroad and at home, and most of all, deep commitment, sets in a gold frame the very essence of America. The story of G.I. Joe and Lillie helps us all remember that true love never, ever dies.
