*What Happens in Tomorrow World?* Jordan Gross, 2021-03-30 Bestselling author and TEDx speaker Jordan Gross's *What Happens in Tomorrow World?* offers a poignant, relatable, and necessary parable for navigating uncertainty. *What Happens in Tomorrow World?* tells the story of Opti, Pessi, Chill, and Sage—four prizes found in a traditional arcade claw machine game, and what happens when one special player, Cayla Catch Alltoys, plays their game. As Catch maneuvers the claw over, down, and around them, the four prizes face their own crisis—the possibility of what will happen when they are removed from their safe environment and thrust into the unknown real world. Each prize reacts in one of the four typical responses most people have to facing uncertain situations. And it is through those reactions, and subsequent actions, that they—and we—learn how our own responses to uncertainty can either help or harm ourselves, those around us, and society as a whole. An urgently needed guide for managing the anxiety and ambiguity in our daily lives, this book will help readers thrive in challenging situations. Through this memorable story, you'll learn:

- How to embrace uncertainty in all parts of life
- Why no single response to uncertainty works for every situation
- How various personality types typically respond differently to uncertainty
- Why it's crucial to resist responding negatively to uncertainty
- Why it's important to take action, no matter how uncertain you feel

In the spirit of Spencer Johnson's *Who Moved My Cheese?* presents a modern, unique, and useful toolbox for confronting and managing the overwhelming amount of uncertainty we face every day.

*For Your Safety Please Hold On* Kayla Czaga, 2015-07-15 *For Your Safety Please Hold On* is a truly remarkable first poetry collection from debut talent Kayla Czaga. Her poems are already making waves—several from this collection have received award attention, including: The Fiddlehead's 23rd annual Ralph Gustafson Poetry Prize, The Malahat Review's 2012 Far Horizon's Award for Poetry and an Editor's Choice Award in ARC Poetry Magazine's 2012 Poem of the Year Contest. They have also been shortlisted for The New Quarterly's 2013 Occasional Verse Contest, longlisted for CBC's 2013 Canada Writes Poetry Contest and have appeared in literary publications across North America. The poems in *For Your Safety Please Hold On* move in thematic focus from family, to girlhood, to adulthood, each permeated by Czaga's lively voice and quick-witted, playful language. They test the line between honest humour and bitter reality in a sophisticated, incisive manner that tugs at the gut and feels true. The

linguistic hopscotch of Czaga's poems about girlhood is often beautifully juxtaposed with feelings of menace or a first taste of smothering expectations—She sits. She sips her bright pink fingers. / She slips into smart short haircuts, yes, / she does so, and does herself up just so. While her pin prick meditations on contemporary adulthood suggest a yearning for personal meaning and purpose on a larger scale—I still wander, sometimes, / my coat closing the world out of my body, with pockets / full of garbage, with my slender steady want. I still / make the bed and at bedtime unmake it. The irrepressible energy of the poems in *For Your Safety Please Hold On*, paired with their complex balancing act between light and dark, humour and melancholy, innocence and danger, make this collection an extraordinary first offering.

Sharon is new to the Charleston, West Virginia, area after moving from Cedar Bluff, North Carolina. She is still making new friends when she happens to see the Jimmy Lane Band in concert at their high school. Jimmy notices her as well in the crowded lunchroom. It takes weeks, however, for

them to actually meet in person due to previous obligations, pride, and bad timing. First they become friends, then soon begin dating. Everything is fine for a while, but Sharon has to deal with the emptiness of missing home, and Jimmy oftentimes puts the band before his girlfriend. Once they realize their true love for each other and mature to the point of a stable relationship, it is already too late for resolution. Immaturity and inexperience cause chaos, which leads to bad habits, missed opportunities, poor decisions, and recklessness--only complicating their already-dire situation.
