POMES FOR GNOMES (And Everyone Else) Ron Richie,2021-10-15 To every Gnome in Rome...and elsewhere. It has been said, that in order to master anything, to hone one's talents, whatever they may be, a person must first endure a gauntlet of suffering, including being pummeled by insults and derision from friends and family. This book is the culmination of suffering years of adversity from spouse, siblings, children, workplace peers, and even sometimes, my own self-condemnation. The title; Pomes for Gnomes comes from my love for fairy tales. The term pome actually has two definitions. One is a fruit with its seeds in the middle, such as an apple, and the other is a poetic form of poem. My apologies to apples, I have chosen the latter. I have always been an avid reader and as a young boy I discovered the world of imagination in poetic literature. There is no limit to human imagination, and my favorite literature has always been science fiction, fairy tales, and fantasy. I grew up reading comic books and fairy tales, letting my imagination take me on a trip with the make-believe characters. When you read a story, you become the hero and you own the adventure, and when the story is a fantasy, you become a superhero. Someone once said that dreams are necessary to life, and I firmly believe that. In that regard, a fiction writer could be called a dream maker. This book is an expression of some of my dreams. Some of my pomes are an escape from reality, some may be a personification of it, and some are nonsensical. I hope you find them mostly humorous and entertaining. ---Ron Richie.

Bad to the Gnome Michelle M. Pillow,2022-05-31 A Collection of Four Cozy Paranormal Mystery Romances by Michelle M. Pillow! Welcome to Everlasting, Maine, where there's no such thing as normal, and to Lucky Valley, Colorado, where nothing is quite what it seems. This Collection Includes: Fooled Around and Spelled in Love Curses and Cupcakes Better Haunts and Garden Gnomes Any Witch Way But Goode A Cozy Mystery Paranormal Romantic Comedy Collection from NY Times & USA TODAY Bestselling Author, Michelle M. Pillow. _____ Fooled Around and Spelled in Love Anna Crawford is well aware her town is filled with supernaturals, but she isn't exactly willing to embrace her paranormal gifts. Her aunt says she's a witch-in-denial. All Anna wants is to live a quiet "normal" life and run her business, Witch's Brew Coffee Shop and Bakery. But everything is about to be turned upside down the moment Jackson Argent walks into her life. Jackson isn't sure why he agreed to come back to his boyhood home of Everlasting. It's like a spell was cast and he couldn't say no. Covering the Cranberry Festival isn't exactly the hard-hitting news this reporter is used to. But when a local death is ruled an accident, and the police aren't interested in investigating, he takes it upon himself to get to the bottom of the mystery. To do that, he'll need to enlist the help of the beautiful coffee shop owner. It soon becomes apparent things are not what they seem and more than coffee is brewing in Everlasting. _____ Curses and Cupcakes Marcy Lewis is cursed (honestly and truly) which makes dating very interesting. With a string of loser boyfriends behind her, she's done looking for love in all the wrong places. That is until the new firefighter arrives in the sleepy seaside town of Everlasting. Nicholas Logan is unlike any other man she's ever had in her life. When someone starts sending her photographs that raise a red flag it soon becomes apparent that she's not just cursed, she's in serious danger. Nicholas doesn't know what to make of the charismatic young woman managing the local coffee shop. As a string of mysterious fires begin popping up around town, the two unite in search of clues as to who or what is responsible, discovering along the way that things are very rarely what they seem to be. _____ Better Haunts and Garden Gnomes Lily Goode wasn't aware she had an inheritance waiting for her in the form of a huge Victorian house in Lucky Valley, Colorado. Life might finally be coming together for her. That is if you don't count the endless home repairs, dealing with eccentric Aunt Polly who claims they're both witches, and Nolan Dawson the handsome home inspector who seems to have it out for her, then, sure, life is grand. Oh and not to mention the strange hallucinations and garden gnomes who are far more than lawn ornaments. If mysterious accidents don't do her in, then the rebellious gnomes just might. With the help of Aunt Polly, it's up to Lily to discover who's sabotaging her new home and trying to drive the Goodes out of Lucky Valley once and for all. _____ Any Witch Way But Goode The Garden Gnome Bed and Breakfast might be a new kooky weekend getaway spot, but for Lily Goode the inheritance represents the promise of a stable future for her and her siblings. Unfortunately, the house isn't the only thing she inherited. The Bed and Breakfast also comes equipped with witchy Aunt Polly, troublesome garden gnomes, a town that hates her, newfound magical powers that misfire, and a werewolf boyfriend she shouldn't have asked to move in with her. When a guest is found dead during her grand opening, Lily knows she has to solve the mystery of what happened before the B&B is closed forever. Lucky for her Aunt Polly is here to help save the day.
