Dreamwalker Anthony W. Shotwell,2010-09-14 I started dreaming alot when I was around 8 years old. This would be around the time when most children are easily scared half to death with anything especially a bad dream. The story itself takes place in Lansing and Dimondale Michigan, the city where I grew up and spent a lot of time dreaming of life, love and of course monsters. There's a lot of history and spirituality involving the Native American heritage as well as some of my own small speculation where the Myans are concerned. The hero of this story starts out a boy and finds his way to becoming a man through the highly spiritual, violent and majical world of dreams. Along the way he learns his own family history and finds love in the most peculiar place. I hope you enjoy the story as much as I enjoyed writing it for you.

The inner shadows of the community and dimly lit alleyways were ideal battlements where steel-gated, fortif

Horrendous Game Changer Lucien Nzeyimana,2023-01-18 A harrowing battle against the Lords leaves the Rungans without weapons or supplies. Colm splits the tired Rungan warriors into two groups. As both make the climb to the summit, the Lords begin their pursuit. The Lords discover that they are not well suited for the climb or the cold, and their calls for reinforcements are met with confusion and catastrophe. Still, they too create two groups and each pursues the Warrior groups up the mountain. Halfway up, they decide to camp out and wait for the Warriors to run out of supplies and return to the ground and right into their hands. Though they believe they can wipe them out, the Lords instead wish to use the Rungans, to turn them against the Spears with false promises. Before these promises can be heard, however, the Warriors plan their victory, using their knowledge of the forest to their advantage, making weapons out of nature in an overwhelming defeat of the Lords.

End Game William Bahl,2022-08-30 In a race against time, survivors of a terrible global disaster must struggle against treacherous creatures and each other before it is too late. Luke, a survivor from the wastelands outside Hampton Flats, finds a treatment holding the mutations in his body at bay. He has learned to cope with his condition and thrive, leading a productive life and helping to build a new community. We enter Luke's life as the device that has allowed him to live normally among the other survivors is breaking down. The Chamber, the only known treatment for victims of mysterious creatures roaming the lands outside, will soon fail. There is only one chance to fix the device, allowing Luke and many others to stay alive, or at least continue being human. With people he trusts, Luke sets out for another settlement that may hold the answers. Roger is a man trying to get by as best he can. Living in the small community of Jacksonville, Roger and his partner scavenge the countryside for resources to sustain themselves and their people. Finding a woman who has just crashed her car on their way back from scavenging, Roger and his partner, Jensen, decide to rescue her. Little do they know she will prove troublesome beyond their imagination. Healed up from a recent attack outside the gates that nearly took his life, Roger's world is turned upside down when a monstrous creature attacks Jacksonville. His community lies in ruins, and his friends are missing. Roger agrees to join Luke in tracking down the mysterious woman who fled during Jacksonville's attack and find the one man who may be able to fix The Chamber. Join along with these reluctant heroes in their quest, overcoming dangerous beasts and themselves to stay alive in the face of impending doom.

Put Your Game Together Donnie Howell,2010-03-03 Donnie Howell was the kid who was raised on food stamps with little parental guidance. He discovered at a young age his needs would only be met through hard work and a game called football. In Put Your Game Together, Donnie puts together his story of childhood struggles and the lessons he learned along the way to illustrate how to achieve success in a fair and ethical way. Donnie Howell discovered that his success in business came from treating people fairly and responsibly. He applies these principles to coaching young people in football and adds another ingredient—parents. Most coaches of youth football want to keep parents on the outside looking in, but not Donnie, he gets the parents involved. Whatever the task—managing a business or coaching kids—he believes that a leader who practices ethical behavior and builds a program fair to all will be successful.

Sailing Toward the Son Jack Zimmerman Th. D. Ph. D.,2022-06-30 The author takes us back through the portals to the past, to glimpse the pioneer spirit of his grandparents who settled in Oklahoma Territory in 1893. He tells of the German/Irish influence on his family and the cultural changes over the years. He interprets his experience from a conservative perspective and encourages us to follow the Constitution. He tells of the war years in the 40's in Oklahoma, and his teen experience in the late 50's in Florida. He talks about his family, football, and marriage, his children and his vocation. We learn about his love for adventure, free-diving, and spearfishing in Florida and the Bahamas. In the midst of material success, he recognized there was something missing in his life. During this period, he had a spiritual encounter with the Lord. He received Jesus Christ, as Lord and Savior, and his life direction changed. He tells how he continued his education as he pastored churches in Texas and Florida. He tells of the crisis when his wife of 20 years left the family and filed for divorce. He talks about the pain of rejection for him and his children, and the challenges of raising children in a one parent home. Nine years later, the Lord brought a wonderful, godly woman into his life. They have ministered together for over thirty years and plan to continue as God leads. The author takes us on a pictorial journey that includes educational trips to the Holy Land and mission trips to South Africa. As he closes the portal, he reminds us that we are all "Sailing Toward The Son." Our final destination, The New Jerusalem, will be ours if we place our faith in our ship's "Captain."

End Game David Baldacci,2017-11-14 #1 New York Times bestselling author David Baldacci returns with his most breathtaking thriller yet! Will Robie and Jessica Reel are two of the most lethal people alive. They're the ones the government calls in when the utmost secrecy is required to take out those who plot violence and mass destruction against the United States. And through every mission, one man has always had their backs: their handler, code-named Blue Man. But now, Blue Man is missing. Last seen in rural Colorado, Blue Man had taken a rare vacation to go fly fishing in his hometown when he disappeared off the grid. With no communications since, the team can't help but fear the worst. Sent to investigate, Robie and Reel arrive in the small town of Grand to discover that it has its own share of problems. A stagnant local economy and a woefully understaffed police force have made this small community a magnet for crime, drugs, and a growing number of militant fringe groups. But lying in wait in Grand is an even more insidious and sweeping threat, one that may shake the very foundations of America. And when Robie and Reel find themselves up against an adversary with superior firepower and a home-court advantage, they'll be lucky if they make it out alive, with or without Blue Man . . .
