As the young wolf thinks about different kinds of families, it's the perfect opportunity for Mama and Papa to teach their inquisitive child about the families that God brings together. Bergren, 2016-08-23 ECPA BESTSELLER Adventurous Lil Pup is bummed that hibernating season will soon be coming to the Great North Woods. Why should so many of his friends have to go in for the winter and leave Lil Pup without pals? Mama reminds her little wolf that not all animals hibernate, and how he can be grateful for the beautiful autumn season – for jumping in leaf piles, eating apple treats, and celebrating the wonders of fall with his forest friends. And she points out... "I think the trick to having a thankful heart is thinking about the things that make us happy, rather than the things that don't." As Mama and Lil Pup explore, she reminds him that God is the giver of all good things. Lil Pup learns that even when something fun comes to an end; his heart can be thankful when he sets his mind on the best things in his life. This inviting addition to the best-selling God Gave Us series, with nearly 2.5 million books sold, helps little ones to understand how giving thanks warms hearts and brings joy.

**God Gave Me You** PJ Beckley, 2018-09-12 God Gave Me You was written to show God works in mysterious ways, his wonders to perform. Jean was raised in church, and Kenneth was not. God got a hold in Kenneth's life and changed him entirely. They were two individuals raised in entirely different environments, and God used them for his service. They met in church, married in church, called to preach in church, and raised their family in church. God did miraculous wonders in their lives: Healed their marriage several times, Healed their daughter of rheumatic fever. In their ministry, several received Christ as their Savior, And in the end, God called

Kenneth home to be with him. What a great God we serve.

God Gave Me a Miracle to Share with You! Billy

Smith,2019-12-11 God Gave Me a Miracle to Share with You! by Billy Smith is a true story about his life as a member of the Armed Forces; as the husband to the love of his life, Janet; and as a messenger of Jesus Christ. In the book, Mr. Smith details the vivid stories of his life. His life has been spared multiple times, from a close call with a copperhead snake to a malfunctioning weapon. He believes he was spared for a higher purpose - to receive visions from the Lord and to spread the Lord's Word to the people of the world. Mr. Smith also enjoyed a rich life full of travel and wonder, with his beloved wife, Janet, at his side. Ultimately, Janet would lose her battle with cancer, but Mr. Smith continues to cherish her memory. This wonderful true story is dedicated to Janet Smith, and all the veterans of the United States Armed Forces, who continue to be the reason we live such free lives. About the Author Billy Smith was born February 12, 1936, in his family home as a winter storm was raging. He has been blessed with three visions from God during his life, one that came to him early in life, in 1942. Mr. Smith enlisted in the Army in 1955 and was promptly sent to New Jersey, then on to Fort Sill, Oklahoma. After that, he volunteered for a hardship tour in Iceland. After being discharged in 1957, Mr. Smith married his wife, Janet, in 1960. This book details Mr. Smith's life and his time being shaped and prepared for his life's purpose of being a messenger for the Lord.

**Lovely** Amanda Martinez Beck,2018-11-05 All bodies are good bodies. Except fat bodies. At least that's what our society tells us. According to the prevailing dogma, thin bodies are good; fat bodies are bad. In fact, any body that fails to measure up to society's standards of perfection is bad. The perfect face has no blemishes, the perfect belly has no love handles, and the perfect skin has no wrinkles or stretch marks. According to this standard of flawlessness, a good body can have no illness, no disability, and no inadequacy. Our cultural understanding of good bodies makes

most of us feel like hopeless failures. This is not what our loving God wants for us. In *Lovely*, size-dignity activist and self-proclaimed “fat girl” Amanda Martinez Beck talks openly about the purpose of bodies, what makes a body good, and the need to reframe the way we think and speak about our own bodies and the bodies of the people around us. Much more than a “self-image” read, *Lovely* will retrain you to think about your whole self — body and soul — in terms of mercy, kindness, and wonder rather than criticism, failure, and self-loathing. Don’t let the scale, the mirror, your interior critic, or the world around you keep you trapped in lies. All bodies are good bodies, including yours. Grampa explains that all

these kinds of love come from God and that it is important to love others because... “Any time we show love, Little Cub, we’re sharing a bit of his love.” This sweet tale will warm the hearts of young children as they learn about all the different sorts of love, while the gentle explanations of each provide a valuable opportunity to encourage children to share with others a “God-sized love.”
