

# Godfather Theme Ringtonses

Eric Klopfer, Jason Haas

The Ringtone Dialectic Sumanth Gopinath, 2013-07-19 The rise and fall of the ringtone industry and its effect on mobile entertainment, music, television, film, and politics. A decade ago, the customizable ringtone was ubiquitous. Almost any crowd of cell phone owners could produce a carillon of tinkly, beeping, synthy, musicalized ringer signals. Ringtones quickly became a multi-billion-dollar global industry and almost as quickly faded away. In *The Ringtone Dialectic*, Sumanth Gopinath charts the rise and fall of the ringtone economy and assesses its effect on cultural production. Gopinath describes the technical and economic structure of the ringtone industry, considering the transformation of ringtones from monophonic, single-line synthesizer files to polyphonic MIDI files to digital sound files and the concomitant change in the nature of capital and rent accumulation within the industry. He discusses sociocultural practices that seemed to wane as a result of these shifts, including ringtone labor, certain forms of musical notation and representation, and the creation of musical and artistic works quoting ringtones. Gopinath examines “declines,” “reversals,” and “revivals” of cultural forms associated with the ringtone and its changes, including the Crazy Frog fad, the use of ringtones in political movements (as in the Philippine “Gloriagate” scandal), the ringtone's narrative function in film and television (including its striking use in the films of the Chinese director Jia Zhangke), and the ringtone's relation to pop music (including possible race and class aspects of ringtone consumption). Finally, Gopinath considers the attempt to rebrand ringtones as “mobile music” and the emergence of cloud computing.

**Dying Was Easy** Larry J Kachik, MD, 2024-01-24 About the Book Recipe for a fun read: 1. Start with four college roommates who banded together to beat heroin addiction 2. Reunite them years later in an effort to save a school for special needs children 3. Add in a generous helping of adrenaline rush that only a busy emergency department can provide 4. Top with exciting harness racing action 5. Season well with humor and intrigue Save room for dessert. A sequel, “Never Becomes Now,” is in progress. About the Author Larry J Kachik, MD grew up in western Pennsylvania. He obtained his premedical education at Johns Hopkins University. He never graduated because he was accepted into medical school after his junior year. He received his MD degree from Jefferson Medical College. Although his main interest throughout medical school was emergency medicine, he elected to complete a residency in Family Medicine. Although there were emergency medicine residencies at the time, emergency medicine was not an ABMS approved specialty. Upon completion of his residency, he began his career in emergency medicine. During his career he obtained and maintained board certification from both the American Board of Emergency Medicine and The American Academy of Family Physicians. His clinical work in the emergency department spanned twenty-five years and included fifteen years as the Chair of his department. In addition, Dr Kachik also was appointed as the medical director of an acute care hospital. Upon completion of his clinical career Dr Kachik transitioned to working as a physician surveyor for The Joint Commission. He felt it was, and still is, the premier healthcare accrediting body in the world. While working for The Joint Commission he became a member of their Speaker's Bureau and wrote occasional items for various Joint Commission Resources publications. He was a surveyor in the hospital

accreditation division. He surveyed acute care hospitals, critical access hospitals, Department of Defense hospitals and hospitals run by the Bureau of Prisons. He also participated frequently in "for cause" surveys done to investigate serious hospital complaints. Dr. Kachik became infatuated with harness racing while in college. Shortly after he began his clinical career, he embarked upon racehorse ownership. Over a span of greater than twenty years, he owned interests in more than fifty horses. He is still an avid race fan to this day.

**Young Mr. Obama** Edward McClelland, 2010-10-19 Barack Obama's inspirational politics and personal mythology have overshadowed his fascinating history. Young Mr. Obama gives us the missing chapter: the portrait of the politician as a young leader, often too ambitious for his own good, but still equipped with a rare ability to inspire change. The route to the White House began on the streets of Chicago's South Side. Edward McClelland, a veteran Chicago journalist, tells the real story of the first black president's political education in the capital of the African American political community. Obama's touch wasn't always golden, and the unflappable and charismatic campaigner we know today nearly derailed his political career with a disastrous run for Congress in 2000. Obama learned from his mistakes, and rebuilt his public persona. Young Mr. Obama is a masterpiece of political reporting, peeling away the audacity, the T-shirts, and the inspiring speeches to craft a compelling and surpassingly readable account of how local politics shaped a national leader.

*Nino Rota's The Godfather Trilogy* Franco Sciannameo, 2010-10-11 This volume reintroduces critics, film musicologists, cinemagoers, and fans of Francis Ford Coppola's cinema and Nino Rota's music to the events that led to the realization of the three films that make up The Godfather Trilogy, commenting on their significance both musically and culturally. Released in 1972, 1974, and 1990 respectively, Coppola's three-part saga is one of the greatest artistic accomplishments (and financial successes) in the history of Hollywood cinema.

The Prosecutor Adrienne Giordano, 2014 Two attorneys with everything to lose fight for justice in THE PROSECUTOR by USA TODAY bestselling author Adrienne Giordano Chicago assistant state's attorney Zac Hennings just got handed a political hot potato: keeping the convicted murderer in a high-profile case behind bars. He's up against his most formidable--and alluring--adversary. First-year law student Emma Sinclair is passionately fighting to free her brother. But she needs the take-no-prisoners prosecutor's help. Caught between attraction and letting a killer go free, Zac walks a tightrope. Until evidence surfaces that the real culprit's still out there. With his career and Emma's life on the line, Zac races to right a terrible wrong. Refusing to back down, he'll bring a cunning lawbreaker to justice--or die trying.

*Rescued* David Rosenfelt, 2018-07-17 In *Rescued*, David Rosenfelt again delights his readers with the charm and wit they've come to expect. Even the most fervent fans of the sardonic Andy Carpenter and his team will be enthralled by this latest case, where the stakes have never been higher. Defense lawyer Andy Carpenter is reluctant to take on any more cases. He'd much rather spend his time working for his dog rescue organization, the Tara Foundation, than find himself back in a courtroom. However, when a truck carrying over seventy dogs from the South to the rescue-friendly northeast turns up with a murdered driver, Andy can't help but get involved. Of course Andy is

eager to help the dogs, many of whom come to the Tara Foundation while awaiting forever homes – it's the man accused of murder who he has a problem defending. The accused just happens to be his wife Laurie's ex-fiance; her tall, good looking, ex-Marine ex-fiance. Even though he acknowledges having argued with the victim, he swears that he is not a killer, and though he would rather not, Andy has to admit he believes he's telling the truth. For Andy, even with dozens of successful cases behind him, this case that his wife insists he take may prove to be his most difficult.

*Music of Japan Today* E. Michael Richards, Kazuko Tanosaki, 2021-01-20 *Music of Japan Today* examines cross-cultural confluences in contemporary Japanese art-music through multiple approaches from twenty international composers, performers, and scholars. Like the format of the MOJT symposia (1992-2007) held in the United States, the book is in two parts. In Part I, three award-winning Japanese composers discuss the construction of their compositional techniques and aesthetic orientations. Part II contains nineteen essays by scholars and creative musicians, arranged in a general chronological frame. The first section discusses connections of the music and ideas of Japanese composers during the time surrounding the Second World War to Japan's politics; section two presents recent perspectives on the music and legacy of Japan's most internationally renowned composer, Toru Takemitsu (1930-96). Section three investigates innovative, cross-cultural uses of Japanese and Western instruments (grouped by common instrumental families - voice, flutes, strings), shaped by historical traditions, physical design, and acoustic characteristics and constraints. Section four examines computer music by mid-career composers, and the final section looks at four current Japanese societies, within and "off-shore" Japan, and their music: spirituality and wind band music in Japan, avant-garde sound artists in Tokyo, Japanese composers in the UK, and the role of cell phone ringtones in the Japanese music market.

Courage under Fire Steven A. Sund, 2023-01-03 One of the darkest days in American history became an extraordinary story of courage under fire. *Courage under Fire* is United States Capitol Police Chief Steven A. Sund's gripping personal account that takes readers inside the events leading up to January 6, and provides a detailed and harrowing minute-by-minute account of the attack on the US Capitol, which was valiantly defended in hand-to-hand combat by the US Capitol Police officers who found themselves outnumbered fifty-eight to one. *Courage under Fire* draws upon audio recordings, key documents, and government records as it traces Sund's extraordinary journey from his command post on January 6 to his explosive behind-closed-doors testimony before the January 6 committee. Steven A. Sund, one of only ten men in history to hold the title of Chief of the US Capitol Police, has coordinated dozens of National Special Security Events, responded to numerous critical incidents and active shooter events, and has protected every living US president. But nothing could have prepared him for the violent attack on the US Capitol on January 6, 2021. Three days before the attack, Chief Sund requested the assistance of the National Guard. This request was denied. In preparation for the Joint Session of Congress, Chief Sund directed every available sworn officer to be on duty to protect the Capitol and all of its members and staff. But it wasn't enough. The savage attack that followed was a well-planned and carefully coordinated armed assault on the United

States Capitol, involving thousands. The shock and horror of this attack exploded on TV screens worldwide as US Capitol Police officers under Chief Sund's command found themselves facing a violent siege, hit with pipes, fire extinguishers, boards, and flag poles. Dedicated men and women were knocked unconscious and sprayed with mace and bear spray as live pipe bombs were discovered at the national headquarters of both major political parties. Finally, multiple police lines were breached. Then the building was breached. The National Guard didn't arrive until it was much too late. In the end, 150 officers were seriously injured, and nine Americans were dead. Now, for the first time, Chief Steven Sund has written the definitive inside story of the perfect storm of events that led up to the attack on the US Capitol on January 6, a day that rocked the nation and threatened our democracy. As the Capitol descended into chaos, insurrectionists infiltrated and stormed its hallowed halls and democracy was pushed to the brink. Few people realize just how close we came to seeing the Vice President, the Speaker of the House, and countless members of Congress beaten, maimed, or killed. There have been many false reports and outright lies concerning the conduct of the US Capitol Police on January 6, and there has been no accountability for the individuals who bear most of the responsibility for the failures that left the USCP unprepared that day—from the shocking failures in intelligence to the outright stonewalling Chief Sund received from the Pentagon when he repeatedly called for the National Guard's help, even as the attack on the Capitol was raging. Two years later, so many questions still remain unanswered: What did the intelligence community know about the plans of the insurrectionists before the attack? Why was the request for the National Guard continually denied and delayed? Why was the nation's capital so vulnerable? Forced to take the fall and resign, this is Chief Sund's chance to answer those questions and to tell the full truth about what really happened on January 6.

**Harlequin Intrigue March 2014 - Bundle 1 of 2** Paula Graves, Cassie Miles, Adrienne Giordano, 2014-03-01 Harlequin Intrigue brings you three new edge-of-your-seat romances for one great price, available now! This Harlequin Intrigue bundle includes *The Secret of Cherokee Cove* by Paula Graves, *Snowed In* by Cassie Miles and *The Prosecutor* by Adrienne Giordano. Catch a thrill with 6 new edge-of-your-seat romances every month from Harlequin Intrigue!

*Transnational Television Remakes* Claire Perkins, Constantine Verevis, 2018-02-02 Providing a cross-cultural investigation of the current phenomenon of transnational television remakes, and assembling an international team of scholars, this book draws upon ideas from transnational media and cultural studies to offer an understanding of global cultural borrowings and format translation. While recognising the commercial logic of global television formats that animates these remakes, the collection describes the traffic in transnational television remakes not as a one-way process of cultural homogenisation, but rather as an interstitial process through which cultures borrow from and interact with one another. More specifically, the chapters attend to recent debates around the transnational flows of local and global media cultures to focus on questions in the televisual realm, where issues of serialisation and distribution are prevalent. What happens when a series is remade from one national television system to another? How is cultural translation handled across series and seasons of differing length and scope? What are the narrative and dramaturgical proximities and differences between local and other versions? How does

the ready availability of original, foreign series shape an audience's reception of a local remake? How does the rhetoric of 'Quality TV' impact on how these remakes are understood and valued? In answering these and other questions, this volume at once acknowledges both the historical antecedents to transnational trade in broadcast culture, and the global explosion in, and cultural significance of, transnational television remakes since the beginning of the twenty-first century. This book was originally published as a special issue of *Continuum*.

*The Price of the Ticket* Fredrick Harris, 2014-02 In *The Price of the Ticket*, Fred Harris contends that Obama's success has, in reality, exacted a negative price. His victory has not only utterly transformed the forms of black politics that emerged in the 1960s and which laid the foundation for his eventual ascendance, Harris claims-it has profoundly weakened them.

*iPhone For Dummies* Edward C. Baig, Bob LeVitus, 2014-10-20 The perennial bestseller on having fun with your iPhone - updated for iPhone 6 and iPhone 6 Plus! Finding it hard to put your iPhone down, but still haven't figured out how to make the most of its capabilities? Packed with fun instructions, tips, and advice, *iPhone For Dummies* makes it easy to navigate your way around your new device and unlock all of its state-of-the-art features. The book walks you through surfing the web, staying connected with Facebook and FaceTime, sharing photos and videos, rocking out with music, and much more. Inside, veteran Dummies authors and Mac gurus Edward C. Baig and Bob Dr. Mac LeVitus share their insights to help you make the most of your iPhone. Beginning with the basics about getting started with your iPhone, this hands-on guide quickly gets you up and running on setting up e-mail, downloading applications from the App Store, getting organized with Reminders, finding your way around with Maps, synching your stuff to iCloud, buying music and movies from the iTunes store—and a whole lot more! Covers Apple's iPhone 6, iPhone 6 Plus, iPhone 5s, iPhone 5c, and other iPhone models Full-color interior brings the information to life Provides details on connecting to a Wi-Fi network Includes easy-to-follow instructions on troubleshooting your iPhone If you've never used a smartphone or are just making the switch over to Apple, take a bite out of *iPhone For Dummies*.

*WARSEC 1: Regulation (2094-2095)* Ash Gawain, 2018-10-01 2094. The successful testing of the Alcubierre metric makes faster-than-light travel possible. For Michael Vahlroos, CEO of V-Space, this is the start of a new era. Not only will his company be able to sell new spaceships, but it will also spearhead the exploitation of extraterrestrial resources, a must to ensure welfare to our overpopulated earth. Private corporations are the right players to boldly do what no-one has done before. For UN diplomat Ralf Åhman, however, the added value of private corporations in space is overrated. Has not the failure of the Martian colony been caused by a greedy entrepreneur, leaving the last Martian survivor on her own? Space has to be better regulated. *REGULATION (2094-2095)* is the first book of the *WARSEC* series, a race to the stars between private corporations and the United Nations organization. It is a grounded space saga for readers interested in geopolitics, science, and the future of mankind.

**The Best American Magazine Writing 2009** The American Society of Magazine Editors, 2009-12-03 Chosen from among

the winners and finalists of the 2009 National Magazine Awards, this collection features a mixture of reviews, profiles, and reporting that caught both readers' and critics' attention.

Billboard ,2007-02-10 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Dirty Bargain A Dark Mafia Romance** Zoe Beth Geller,2023-10-17 Marchello Micheli is a man with a mission. Tasked with shadowing Prende, the headstrong daughter of a powerful mafia patriarch, his job is clear: ensure she remains oblivious to the sinister secrets behind her father's untimely demise. Prende, a vibrant young woman with an enchanting flower shop nestled in the heart of Florence, has always lived in the shadows of her family's dark dealings. Sparks fly when her path crosses with the enigmatic Marchello, a dashing Italian with a dangerous allure. But the deeper she delves into her father's secrets, the more perilous her world becomes. As Prende stumbles upon her father's cryptic little black book, she unwittingly becomes a target, pursued by ruthless strangers who will stop at nothing to get their hands on it. Marchello, bound by duty and captivated by Prende's beauty and spirit, has no choice but to offer her protection. In a world where trust is scarce, and betrayal lurks at every corner, he proposes a solution that could save her life—a forced marriage. Together, Marchello and Prende must unravel the mystery shrouding her father's death. As they dig deeper into the treacherous underworld of the Albanian mafia, they find themselves drawn to each other in ways they never anticipated. Will they uncover the truth about her father's murder, exposing the mafia family's dangerous secrets that bind them? And in the midst of chaos and danger, could their forced union blossom into a love strong enough to defy even the darkest forces conspiring against them? In *Dirty Bargain*, passion, danger, and desire entwine as two unlikely souls navigate a perilous path toward love which can be the deadliest currency of all. Grab your copy today!

*The Dread Line* Bruce DeSilva,2016-09-06 *The Dread Line*: the latest Liam Mulligan novel from award winning author Bruce DeSilva. Since he got fired in spectacular fashion from his newspaper job last year, former investigative reporter Liam Mulligan has been piecing together a new life--one that straddles both sides of the law. He's getting some part-time work with his friend McCracken's detective agency. He's picking up beer money by freelancing for a local news website. And he's looking after his semi-retired mobster-friend's bookmaking business. But Mulligan still manages to find trouble. He's feuding with a cat that keeps leaving its kills on his porch. He's obsessed with a baffling jewelry heist. And he's enraged that someone in town is torturing animals. All this keeps distracting him from a big case that needs his full attention. The New England Patriots, shaken by a series of murder charges against a star player, have hired Mulligan and McCracken to investigate the background of a college athlete they're thinking of drafting. At first, the job seems routine, but as soon as they begin asking questions, they get push-back. The player, it seems, has something to hide--and someone is willing to kill to make sure it remains secret. At the Publisher's request, this title is being sold without Digital Rights

Management Software (DRM) applied.

A Scourge of Vipers Bruce DeSilva, 2015-04-07 Bruce DeSilva's *A Scourge of Vipers* is at once a suspenseful crime story and a serious exploration of the hypocrisy surrounding sports gambling and the corrupting influence of big money on politics. To solve Rhode Island's budget crisis, the state's colorful governor, Attila the Nun, wants to legalize sports gambling; but her plan has unexpected consequences. Organized crime, professional sports leagues, and others who have a lot to lose—or gain—if gambling is made legal flood the state with money to buy the votes of state legislators. Liam Mulligan, investigative reporter for *The Providence Dispatch*, wants to investigate, but his bottom-feeding corporate bosses at the dying newspaper have no interest in serious reporting. So Mulligan goes rogue, digging into the story on his own time. When a powerful state legislator turns up dead, an out-of-state bag man gets shot, and his cash-stuffed briefcase goes missing, Mulligan finds himself the target of shadowy forces who seek to derail his investigation by destroying his career, his reputation, and perhaps even his life. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**This is our Story** Ian Murray, 2020-02-15 Imagine if your club, the love of your life, was about to play its last ever game. The club you've cheered on as a child, which your family has supported for generations, whose colours you have dressed in every Saturday. How would you feel? This is his story of Heart of Midlothian, Edinburgh's oldest football club, and the 8,000 heroic fans (or Jambos, as they're affectionately known), who donated their own money to help rescue 'the boys in maroon'. Former Chair of the Foundation of Hearts Ian Murray here chronicles the unprecedented story of the turmoil and uncertainty that the club battled in the fight against liquidation. This book honours Hearts fans and their sheer determination to rescue their beloved club from the brink of extinction and raise it back up to the top of Scottish football. This is our story, this is our song...

**The More We Know** Eric Klopfer, Jason Haas, 2012-09-21 The rise and fall of iCue: lessons about new media, old media, and education from an NBC-MIT joint venture into interactive learning. In 2006, young people were flocking to MySpace, discovering the joys of watching videos of cute animals on YouTube, and playing online games. Not many of them were watching network news on television; they got most of their information online. So when NBC and MIT launched iCue, an interactive learning venture that combined social networking, online video, and gaming in one multimedia educational site, it was perfectly in tune with the times. iCue was a surefire way for NBC to reach younger viewers and for MIT to test innovative educational methods in the real world. But iCue was a failure: it never developed an audience and was canceled as if it were a sitcom with bad ratings. In *The More We Know*, Eric Klopfer and Jason Haas, both part of the MIT development team, describe the rise and fall of iCue and what it can teach us about new media, old media, education, and the challenges of innovating in educational media. Klopfer and Haas show that iCue was hampered by, among other things, an educational establishment focused on “teaching to the test,” television producers uncomfortable with participatory media, and confusion about the market. But this is not just a cautionary tale; sometimes more can be learned from an interesting failure than a string of successes. Today's educational technology visionaries (iPads for everyone!) might keep this lesson in mind.

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Tender Moments: **Godfather Theme Ringtonses** .
