Crippled Sunrise Paco Torch,2016-03-07 It is 1957 when thirteen-year-old Frankie "Paco" Alexander meets his adoptive godfather, Don "Mr. G" D'Amico, for the first time. Handicapped after a bout with spinal meningitis, Frankie is grateful to escape daily bullying and immerse himself in new friendships with Mr. G's children. Mr. G treats Paco as one of his sons, especially after Paco trusts a foreboding feeling one day and saves Mr. G from certain death. While Paco matures, Mr. G takes the boy under his wing and mentors him through life's challenges. But when Paco finds love at age eighteen, he has no idea that Carol's father is the godfather of another mob family. After he secretly marries her in Canada and she becomes pregnant, it seems Paco has finally found happiness. But when Mr. G arranges Carol's murder, a grief-stricken Paco is transformed into a ruthless killer. Years later as the circle of life leads Paco to a confession with a childhood priest, he finds redemption and is led to unite factions of his Italian family into one of the world's most powerful conglomerates. *Crippled Sunrise* shares the saga of a young man's coming-of-age journey into manhood after he is adopted by a prominent godfather and discovers the good, bad, and ugly of the Mafia.

Telly's Torch Bill Thomas,2004-05 This fictional, coming-of-age autobiography is well researched and describes in detail much of the early 20th Century times and customs. Peter and Katina Yiopoulos, formerly school

teachers in Greece, emigrating to America in 1893. They gave birth to three sons. Telly, as the youngest, was born in 1900. Live with Telly as he grows through his childhood, youth, and manhood, World War I, and the 1916 and 1920 Olympics. Read and feel this budding young athlete's effort, anguish, tribulations, determination, victories, and defeats in his numerous interesting incidents, predicaments, and romances. Learn how Telly got his name from his godfathers. Enjoy the time Telly and his friend played Mailmen. What happened when Telly rode a new red wagon? Read how he overcame smoking at the age of 7. Who was Daphne? Why did she leave school? How did Telly and his friends create a horrendous situation with a huge flow of soapsuds? What does a twelve-year-old boy do when he has a natural inclination to play sports and his mother insists he become a concert violinist? In 1912, this became Telly's life-altering dilemma. Telly secretly participated in sports. Keeping this from his mother was difficult but he played baseball whenever he could. Why, after many years of diligent field and track training and ultimate qualifications, were thousands of athletes denied the opportunity to participate in the 1916 Olympics? What were Barbara's two mishaps? Read about Telly's harrowing experiences in World War I. How did Telly learn to paint with Marcelle? Who did Telly meet at the Eiffel Tower and the Moulin Rouge? Who were Daphne, Barbara, Linda, Marcelle, Elly, Nancy, Roselle and Kris? Telly tells all in Telly's Torch. Read a testimonial:

Torch Lyn Miller-Lachmann, 2022-11-01 Three teens struggle to carve out futures for themselves under a totalitarian regime. Czechoslovakia, 1969 Seventeen-year-old Pavol has watched his country's freedoms disappear in the wake of the Soviet Union's invasion. He's seen his own dreams disappear too. In a desperate, fatal act of protest against the oppressive new government, he sets himself on fire in public, hoping to motivate others to fight for change. Instead, Pavol's death launches a government investigation into three of his closest friends. Štěpán finds his Olympic hockey ambitions jeopardized and must conceal his sexual orientation from authorities who could use it against him. Tomáš has already been accused of "antisocial" behavior because he struggles to follow the unwritten rules of everyday interactions, and now he must work even harder to meet the expectations of his father, the regional leader of the communist party. And aspiring film director Lída, Pavol's girlfriend, is pregnant with his child, which brands her a traitor by association and upends all her plans. With their futures hanging in the balance, all three must decide whether to keep struggling to survive in the country Pavol died hoping to save . . . or risk a perilous escape to the other side.

The Torch Peter Twohig,2015-02-01 The sequel to the much-loved novel, *The Cartographer*. Melbourne, 1960: Mrs Blayney and her twelve year old son live in South Richmond. At least, they did, until their house burnt down. the prime suspect - one Keith Aloysius Gonzaga Kavanagh, also aged 12 - has mysteriously disappeared. Our narrator, the Blayney kid, sets off on a covert mission to find young Keith, who he privately dubs 'Flame Boy', to save him from the small army of irate locals - not to mention his mother - who want to

see him put away. Flame Boy has not only made himself scarce, but he's done so with a very important briefcase of secrets, which the kid is keen to get hold of for his grandfather, a shady character who has some secrets of his own. But the kid has got a lot going on: he's also organising a new gang of kids; coping with the ups and downs of having a girl friend (who likes to kiss - a lot); trying to avoid Keith's dangerous prison-escapee father, Fergus Kavanagh, also an arsonist, who is suspected of selling secrets to the Russians; and all the while wondering how he can get his hands on the most beautiful object in the world: the Melbourne Olympic torch. A madcap, brilliantly shambolic and irresistibly fun novel about loss, discovery and living life to the full, the torch is a ripper of a ride.

Love Songs Ted Gioia, 2015-01-14 The love song is timeless. From its beginnings, it has been shaped by bohemians and renegades, slaves and oppressed minorities, prostitutes, immigrants and other excluded groups. But what do we really know about the origins of these intimate expressions of the heart? And how have our changing perceptions about topics such as sexuality and gender roles changed our attitudes towards these songs? In *Love Songs: The Hidden History*, Ted Gioia uncovers the unexplored story of the love song for the first time. Drawing on two decades of research, Gioia presents the full range of love songs, from the fertility rites of ancient cultures to the sexualized YouTube videos of the present day. The book traces the battles

over each new insurgency in the music of love--whether spurred by wandering scholars of medieval days or by four lads from Liverpool in more recent times. In these pages, Gioia reveals that the tenderest music has, in different eras, driven many of the most heated cultural conflicts, and how the humble love song has played a key role in expanding the sphere of individualism and personal autonomy in societies around the world. Gioia forefronts the conflicts, controversies, and the battles over censorship and suppression spurred by such music, revealing the outsiders and marginalized groups that have played a decisive role in shaping our songs of romance and courtship, and the ways their innovations have led to reprisals and strife. And he describes the surprising paths by which the love song has triumphed over these obstacles, and emerged as the dominant form of musical expression in modern society.

Dropping the Torch Nicholas Evan Sarantakes, 2010-09-27 Dropping the Torch: Jimmy Carter, the Olympic Boycott, and the Cold War offers a diplomatic history of the 1980 Olympic boycott. Broad in its focus, it looks at events in Washington, D.C., as well as the opposition to the boycott and how this attempted embargo affected the athletic contests in Moscow. Jimmy Carter based his foreign policy on assumptions that had fundamental flaws and reflected a superficial familiarity with the Olympic movement. These basic mistakes led to a campaign that failed to meet its basic mission objectives but did manage to insult the Soviets just enough to destroy détente and restart the Cold War. The book also includes a military history of the Soviet invasion of Afghanistan, which provoked the boycott, and an examination of the boycott's impact four years later at the Los Angeles Olympics, where the Soviet Union retaliated with its own boycott.
