Book by Book: a Bible Study Companion from the Daily Grace Co The Daily Grace Co.,2020-10
Still Life Henrietta L. Moore,2013-05-20 How adequate are our theories of globalisation for analysing the worlds we share with others? In this provocative new book, Henrietta Moore asks us to step back and re-examine in a fresh way the interconnections normally labeled 'globalisation'. Rather than beginning with abstract processes and flows, Moore starts by analyzing the hopes, desires and satisfactions of individuals in their day-to-day lives. Drawing on a wide range of examples, from African initiation rituals to Japanese anime, from sex in virtual worlds to Schubert songs, Moore develops a theory of the ethical imagination, exploring how ideas about the human subject, and its capacities for self-making and social transformation, form a basis for reconceptualizing the role and significance of culture in a global age. She shows how the ideas of social analysts and ordinary people intertwine and diverge, and argues for an ethics of engagement based on an understanding of the human need to engage with cultural problems and seek social change. This innovative and challenging book is essential reading for anyone interested in the key debates about culture and globalization in the contemporary world.

Not My Problem Ciara Smyth,2021-05-25 Perfect for fans of Becky Albertalli and Nina LaCour, this queer coming-of-age story from the author of The Falling in Love Montage is wry, multilayered, and unflinchingly honest. Aideen has plenty of problems she can’t solve. But when she stumbles upon overachiever Meabh Kowalska having a full-blown meltdown, she sees one that she can actually fix. Meabh is desperate to escape her crushing pile of extracurriculars. Aideen volunteers to help—by pushing her down the stairs. Problem? Solved. Meabh’s sprained ankle is the perfect excuse to ditch her overwhelming schedule. But when one of their classmates learns about their little scheme, more “clients” start asking for Aideen’s “help”—kicking off a semester of traded favors, ill-advised hijinks, and even an unexpected chance at love. Fixing other people’s problems won’t fix her own. But it might be the push Aideen needs to start.
