How to Install Google Apps on Kindle Fire Alex Hoffman,2017-12-28 I always wanted to install Gmail on my tablet. But all the tutorials I've found required root or at least a PC. That scared me! And now, finally, there's a way to install Google Play Store very quickly,pretty much in 15 minutes. At the same time you'll get other apps from Google including Chrome and YouTube. It's a great functionality increase for the Amazon tablet, thanks to which you get a complete device for \$50, that you can even play Angry Birds on - which my seven year old daughter loves! I also tried to gather the answers to all the questions that you might have. Download this book by scrolling up and click on the Buy Now to get this book Now.
