Rerouting: Gps to the Soul Ark Medina,2023-05-01 This book is based on the journey I have begun. Understanding now that the journey continues every day and there is more to learn. I want to share the some of the priceless information I've learned and am still using

every day. I don't claim to know the "way", I just know I found mine, and if I'm no better than any of you, then you can all find your "way" as well. Ultimately, we must decide when it's time for a lifestyle change and commit to doing the work. While information is vital, it is not until we put it into action that it becomes wisdom. To get the information and start the trip, that is the work. Action, wherever you start, is a process with many spinning wheels so don't get lost in the mechanics of life, just rev up and take off.

GPS God's Parameters for Success Gary Lee Pyles, 2019-08-23 Part I reveals that God is not a remote and austere religious figure and by living within His parameters (design) through His covenant, we can have a successful, intimate, vital, living relationship with Him. We are created in the image and likeness of God and that influences our responsibility to our Creator. God's love, forgiveness, fruit of the Spirit, and His covenant as seen in the armor of God leads us to see our identity in Christ. Part II explains the successful practical applications of these parameters in a person's daily life, including how stress, anxiety, unforgiveness, temptations, and our choice of foods affect our mind, will, emotions, and physical body. The book outlines practical solutions so we can live in optimal health in spirit, soul, and body. At the end of each chapter are key questions for discussion. Counselors and small group settings would benefit from this format.

Your Soul's Navigational GPS: Daily Encouragement for Your Journey Through God's Word, Personal Testimonies and Songs Brandi N. Jefferson-Motley, 2017-05-15 This book was birthed out of what initially began as a Monday morning inspirational and motivational email to a few family members and friends. It eventually evolved into a weekly and then daily blog that has been blessed to reach individuals both known and unknown; residing

here in the United States and internationally in places like, Germany, Belgium, Indonesia, Russia and the Caribbean. In creating this book, Brandi Jefferson-Motley composed a daily devotional that differs from traditional yearly devotionals as it will minister to you well past 365 days. In this book, you will read about how God's love, grace, mercy, provision, protection and testing have led to Brandi to becoming the woman of God that she is today. Because of who He is and the intimate relationship that she has developed with Him, it is her assignment and joy to share His good works, to those both near and far. Brandi loves to read, write and sing. For that reason, you will find 365 different Bible verses, daily reflections and suggested songs of meditation; that are aimed to encourage you as you navigate the course that God has set before you today, tomorrow and all the other days, weeks, months and years ahead of you.

Gps from Above Sherrill Eugene Stepter, 2016-08-31 GPS from Above is about enabling God's powerful Spirit (GPS) through a careful study of the fruit of the Spirit found in Galatians 5:22-23. God has a plan for each of us, with promises of help and guidance. This book is filled with scripture, quotes, and statements that address each fruit uniquely. We may be on a temporary earthly journey while on our eternal Spiritual journey, but GPS from Above will help us soar toward heaven anytime, anywhere. If you know my friend Eugene, you will recognize his heart and character in this work. His allegiance to Jesus is evident to everyone who knows him. And that deep loyalty is revealed in every thought, every word, and every chapter in this work. I don't know how long Eugene and I have been brothers. But I know that, for thirty years, he has been a source of encouragement, grace, and has a deeper commitment to Jesus for me. When Eugene writes that Jesus is his GPS that is more

than a simple metaphor; it is the truth of his life. And it is the source of his amazing development into the man who lives beholding the glory of the Lord and being changed into his likeness (2 Corinthians 3:18 RSV). I am glad Eugene has written down his thoughts in this manuscript. And I encourage you to follow his words and his heart into the very presence of Jesus (Howard Bryan, preaching minister, Westside Church of Christ, El Paso, Texas).

Spirit Emerging Bonnie Bayly, 2011-09-22 Have you ever had the urge to do something but did not? This could have been a gentle nudge from your Spirit to take action. Spirit is here to give us guidance and direction, but it has mostly been ignored. We have allowed voices outside ourselves to have a greater influence on us than our inner voice. It is time to bring your inner world back into balance with your outer world. It is time to have equal respect for your intuition and urgings as you do for your intellect and logic. It is time to

honor that which is within you. Learn to: • find your inner voice of Spirit • trust the guidance you are given • act on your intuition • overcome the fears that hold you back • bring more of your Spirit into the world Spirit is calling. You are being invited to walk with your Spirit every moment of the day. How will you respond to the invitation and answer the call?

GPS for America Abel Gashe, 2014-09-11 The American Union is imperfect. But it is certainly motioning towards a more perfect union. It is this foundational thesis in the fulfillment of the American vision that this book focuses on. By affording an integrated and holistic approach, the book shows that the American dynamics is transformational living phenomenon framed on four major paradigms: that America is a land of freedom; that America is a land of opportunity; that America is impregnated with inertia within it that propels it to repair its faults; and that the nation has been moving to a higher ground in its motion with a concerted effort of its people as one (E pluribus Unum) to build a more perfect Union. A pragmatic but positive outlook on the American reality in the bountiful land by a first generation immigrant from Gojjam, Ethiopia, the author tries to help the reader develop a generic framework in understanding the evolving American reality since the founders took the bold step in 1776 to write an audacious proposal that all men are created equal, endowed by the creator with inalienable rights. The analysis in the book begins by framing the constitutional bases of the nation as a four dimensional compass. Using what he terms as the American GPS, he leads the reader to have a snapshot on the structure of American government, citizenship, church and state, legal, economic, political and foreign policy issues to show that in fact what is manifesting in the American socio-political

topology is not a random act but an in-built, systemic transfiguration in creating the opportunity for all children of Adam to realize their God given inalienable rights, being Geezans (freely roaming citizens of the universe) in fulfilling the vision of the nation. After reading this book, the reader will never waste time in random thoughts about the American ever unfolding reality. By all accounts America is an emergent and noble idea whose better days are yet to come. That is the projection whose totality can be meaningfully captured through a living compass: The American GPS!

Abundant Life for Your Spirit, Soul and Body Trevor Bartley, 2017-03-29 Our

opening verse for this book is from John 10:10b, I came that they may have and enjoy life, and have it in abundance (to the full, till it overflows). The Greek word used here for life is zo. So we can conclude that Jesus came to show us how to have and enjoy the god kind of life. As a born-again believer you have been recreated and given a new life code (or DNA) to live by, and Jesus came to show us how to live that new creation reality here on earth. The Bible tells us in John 3:16, For God so greatly loved and dearly prized the world that He (even) gave up His only begotten (unique) Son, so that whoever believes in (trusts in, clings to, relies on) Him shall not perish (come to destruction, be lost) but have eternal (everlasting) life. Then in Romans 6:23 it tells us, For the wages which sin pays is death, but the bountiful free gift of God is eternal (the god kind of) life through and in union with Jesus Christ our Lord. This eternal life he came to give us is the very nature of God. In John 1:4 we can get a better understanding of what this life will do for us: In Him was Life, and the Life was the Light of men. One of the meanings for light in the dictionary is a state of understanding or awareness. So we could read this verse like this: in him was the god kind of life, and the god kind of life was the state of understanding and awareness for men. Let us live out of the zo kind of life and determine to be led by the spirit of God in all that we do so we can live in the actual abundance of God. Amen.

In 7 chapters, Conner leads the reader on a journey of self-discovery. he instructs readers to Feed your divine spark. Listen to your soul's stories. Honor your soul's birth choice.
