AJ Alan Jones,2017-07-31 Few names in international motorsport are treated with the same reverence as Alan Jones. When he speaks, they listen. He is one of only two Australians to win the Formula One World Drivers' Championship, and the first driver to do it for the now famous Williams team. His efforts brought Formula One to Australian TV screens, and today he is the voice of Formula One on Network Ten and a board member of the Australian Grand Prix. He is also a Formula One Steward at a

couple of Grands Prix a season. AJ is the son of Stan Jones, the winner of the 1959 Australian Grand Prix, and from an early age he wanted to follow in his father's footsteps and race cars. He started with billycars in Balwyn and climbed to the top of the motorsport tree in Formula One. His career was potted with highs and lows, the latter coming mainly from a lack of financial support compared with his rivals. But when he hit the big time with Williams, he turned that into the 1980 World Championship and all the fame and fortune that brought with it. But he stopped enjoying himself, the cars were painful to drive and he didn't feel he could give it his all, so he quite at the height of his powers. He did return to F1, but he wasn't the same driver and it wasn't the same team and it didn't last. He finished his racing career in touring cars in Australia. His no-nonsense style brought him both admirers and detractors, but he always spoke as he saw it. He still does that today. There are many stories to tell from his racing career, his personal life and business. Some stories that only time allows them to be told.

Auto Racing in the Shadow of the Great War Robert

Dick,2019-02-21 From 1915 through the early 1920s, American auto racing experienced rapid and exciting change. Competition by European vehicles forced American car manufacturers to incorporate new features, resulting in legendary engineering triumphs (and, essentially, works of art). Some of the greatest drivers in racing history were active during this time--Ralph

DePalma, Dario Resta, Eddie Rickenbacker, the Chevrolet brothers, Jimmy Murphy. Presenting dozens of races in detail and a wealth of engineering specs, this history recalls the era's cigar-shaped speedway specials and monumental board tracks, the heavy-footed drivers, fearless mechanics, gifted engineers and enthusiastic backers.

The White Coat Investor James M. Dahle,2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds

and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

Classic Stock Cars John Albert Craft, As he did in his smash success, Vintage and Historic Stock Cars, Craft has filled this new book with fascinating histories of some of the most significant stock cars ever to battle on the highbanks and short tracks of NASCAR. His detailed accounts of the cars and their builders, tuners, and drivers are accompanied by beautiful color photography, most of which show cars that are faithfully restored.

Readers are treated to the compelling stories behind these famous cars, some built by legendary craftsmen like Holman & Moody and others raced by champions such as Richard Petty.
