Single Mothers are for Grown Men, ONLY! Derrick Jaxn,2017-09-07 Our understanding of single mothers is broken. Not like, The x-ray came back and you may need a cast, broken; but, It's time to evacuate. The levy has been demolished, broken. Mentally, our streets are flooded with ignorance, yet we simply paddle along as if this is the way things are going to be. All things common sense seem to be immersed under the murky waters of, She should've known better, She should've been married first, and It's her fault he ran out. She's the one who chose him. It's bizarre that in a world where cars can drive themselves and phones can recognize thumb prints, we're still committed to such ignorance, but that's about to change. For the last few years I've posted articles, memes, poems, and even viral videos with tens of millions of views on this subject, but like sandbags to an ocean, they've gotten swallowed whole without us, as a society, moving forward one inch. So, I've decided to take things up a notch with Single Mothers are for Grown Men, ONLY! and drain the preconceived notions, biases, and stereotypes once and for all, particularly as they pertain to dating and relationships. This is not some pity-ridden manual about how single moms should feel sorry for themselves. They have nothing to feel sorry about. In fact, they should be feeling the exact opposite if despite what they have to put up with, they're still able to hold their heads up and put one foot in front of the other. This is 130 pages of facts, analogies, and practical examples of how single mothers have been framed for moral crimes they've never committed, and underappreciated for the should-be obvious positive qualities they possess. It's time for a perspective adjustment. If you agree, then you've found the right book. If you don't, then challenge me to change your mind, and yes, I accept.

Changing the World Is the Only Fit Work for a Grown Man Steve Harrison,2012-02 This is the story of a 'sixties adman who harnessed the big ideas of his age and set out to reinvent advertising - and then change the world. In so doing he introduced interactive, PR-generating stunts, and social media - way back in the 1960s. Then he used them to save the Grand Canyon, kick-start the Green Movement, free a Caribbean island and launch Wired magazine's 'patron saint', Marshall McLuhan. And he did it all with a flamboyance that inspired the likes of Tom Wolfe, John Steinbeck and the makers of the counterculture. His name was Howard Luck Gossage. These are his life and times.

Though she takes him as her lover, by summer's end, she realizes the vast differences in their backgrounds and she leaves the small southern town abruptly. Ben had planned to graduate from high school and attend college. But his dreams fade when both parents die within years of each other, leaving young Ben heir to the family cotton farm. Through the years, Ben is bewitched by a cast of female characters, each harboring their own secrets, but he never forgets Anna. In his pursuit of her, Ben finds parts of his past, forcing him to search more closely for pieces that will help him move toward peace within himself and with those who scripted his life. Grown Men Sheelagh Mawe,2007-07-01 Austin Sinclair and Jack Winston grew up together on the poor side of town--one quiet sober and tenacious; the other a reckless charmer always seeking a challenge. And they shared a love for tennis that forged an unlikely bond--and incited a fierce rivalry--between them. Then adult life took them in different directions. Now they are grown men - mature, accomplished and middle-aged. And a chance reunion in a crowded restaurant results in a friendly, fateful invitation to compete once again at Austin's exclusive tennis club. But from the first serve on an impeccable clay court to the final, breathless point of a truly unforgettable match, unresolved resentments and tensions will determine the pace of the play. For every lob and backhand, every point surrendered or won, brings with it serious questions about the past and the choices made. With each set comes potentially explosive revelations about love, money and the nature of competition.

He has no intentions of finding or looking for anyone else to love any time soon, but that doesn't mean the universe agrees with him. After meeting Danielle Lewis, Ben thought the universe had to be a cruel entity because there's no way he could be in love, again, so soon after his beloved Gail has left the planet. The doubt falls all over Ben when he tries to live in the moment and love Danielle, but being A Grown Man who knows how to handle his Business, there's no way that he'd make Danielle his rebound woman--she deserves better than that. As time moves along, Ben decides what's best for him, and, although, he doesn't know it yet everything revolves around Danielle.

Grown Men Don't Cry Michael J. Roberts,2013-12 Throughout his childhood and during his twenty years of professional service in the New Zealand Army, author Michael J. Roberts repeatedly heard a message: grown men don't cry. To cope with life's ups and downs, Roberts put on a mask and effectively concealed his emotions behind it--that is, until he was diagnosed with cancer. In *Grown Men Don't Cry*, Roberts shares his story and describes how he found inner peace by allowing himself to cry and by turning to Jesus to be saved. This memoir narrates his personal journey as he faced recovery from a major operation, the fight against late stage-three cancer, radiation, and chemotherapy and ensuing depression. He tells how through these challenges and despair he found hope and God. A story about one man's triumph over great odds and the fear of death, *Grown Men Don't Cry* shows that no matter the despair or the pain, one must always have hope.

Grown-A\$\$ Man Cedric (the Entertainer),Cedric the Entertainer,2002 Grown-A\$\$ Man. What does it mean? It means I ain't got time to play-no nonsense. For one thing, it means I don't wear baggy pants sagging off my bootie. I can't let you see my underwear label. That's not cute. I'm a grown-a\$\$ man. Grown-a\$\$ man is more than a catch phrase. It's a way of life. It's a perspective. Say you got a younger cousin. He's got one of those ghetto nicknames. He calls himself Delicious. Says, Hey, call me Delicious. You say: Listen, I'm a grown-a\$\$ man. I ain't going to call a guy Delicious. Making love is no longer a full time occupation, not the way it once was. I used to do it all night, but now it takes me all night to do it. It's not that I don't like sex, but I'm a grown-a\$\$ man. I got other things to do. You know those 500 mile walkathon people? I'm a grown-a\$\$ man. I got a driver's license. ***** Cedric the Entertainer has sold out major theaters across America, starred in Spike Lee's hit movie The Original Kings of Comedy, added his lovable appeal to the WB's The Steve Harvey Show, and his Bud Light commercial was voted the #1 ad on the Super Bowl. Now in Grown-A\$\$ Man-his laugh-out-loud, first ever book-he proudly presents the very best of his unique brand of comedy. Here's the red-hot comic in all his hilarity, talking about everything from old music vs. new (I like Big, curl-ain't-quite-right Luther. His curl never really curled all the way over. Always concerned me.) to the pain of political correctness (You can't even smoke cigarettes on Earth now. You got to leave Earth to do it.) to the differences between black people and white folks. He talks about the influences that shaped him while growingup in small town Missouri, a town so small anyone could whip your butt, not just your mama. In Grown-A\$\$ Man, you'll see the many faces of Cedric, all outrageously funny and delivered with his trademark warmth and wit.
