

Guitartrackback

Huw Price

Recording Guitar and Bass Huw Price, 2002 The definitive guide to the acoustic properties of all types of guitars and how to record and process their sounds, from microphone selection and placement to using effects and much more.

A Light That Never Goes Out Tony Fletcher, 2012-12-04 The definitive book about The Smiths, one of the most beloved, respected, and storied indie rock bands in music history. They were, their fans believe, the best band in the world. Hailing from Manchester, England, The Smiths--Morrissey, Johnny Marr, Andy Rourke, and Mike Joyce--were critical and popular favorites throughout their mid-1980s heyday and beyond. To this day, due to their unforgettable songs and lyrics, they are considered one of the greatest British rock groups of all time--up there with the Beatles, the Stones, the Who, and the Clash. Tony Fletcher paints a vivid portrait of the fascinating personalities within the group: Morrissey, the witty, literate lead singer whose loner personality and complex lyrics made him an icon for teenagers who felt forlorn and forgotten; his songwriting partner Marr, the gregarious guitarist who became a rock god for a generation of indie kids; and the talented, good-looking rhythm section duo of bassist Rourke and drummer Joyce. Despite the band's tragic breakup at the height of their success, *A Light That Never Goes Out* is a celebration: the saga of four working-class kids from a northern English city who come together despite contrasting personalities, find a musical bond, inspire a fanatical following, and leave a legacy that changed the music world--and the lives of their fans.

Idolmaker Jonelle Patrick, 2013-09-17 In the wake of a deadly disaster, Tokyo Metropolitan Police Detective Kenji Nakamura and English translator Yumi Hata suspect a killer has seized a perfect opportunity to commit the perfect crime. After an earthquake strikes Tokyo on the day of Yumi's wedding, her marriage plans are reduced to rubble. But when the dust settles, it's discovered that the reason the priest was late is because he was dead. Detective Kenji Nakamura is assigned to investigate, but although all clues point to one of Japan's most idolized pop stars as the prime suspect, he knows that's impossible--the idol and her band were swept away in the tsunami following the quake. Will Yumi and Kenji be able to act in time to catch a killer who's desperate to protect a secret that will rock the Japanese entertainment industry more powerfully than any earthquake? Like the other books in the intriguing *Only in Tokyo* mystery series, *Idolmaker* takes you behind closed doors into corners of Japan where few foreigners dare to go, and introduces you to fascinating characters you won't soon forget. Praise for *Nightshade: An Only in Tokyo Mystery* "[A] fun fast-paced read that will draw you in right away."--*BookinwithBingo* "[W]ell written and fast paced. Lots of red herrings included and not the type you eat! The glimpse we get into life in Tokyo, from the food to the locale and events, make the story different...Who knew that wearing a kimono was not comfortable?"--*myshelf.com* Praise for *Fallen Angel: An Only in Tokyo Mystery* "If you are looking for an enjoyable read, a clever little puzzle and an exotic location, you will find much to entertain and inform you in *Fallen Angel*."--*crimefictionlover.com*

Recording and Production Techniques Paul White, 2002 (Music Sales America). A revised and updated 2nd edition of the complete guide to music production. Secrets of the professional recording studio are revealed, from planning sessions right through to mastering.
