The Routledge Handbook of Translation and Religion Hephzibah Israel, 2022-12-19 The Routledge Handbook of Translation and Religion is the first to bring together an extensive interdisciplinary engagement with the multiple ways in which the concepts and practices of translation and religion intersect. The book engages a number of scholarly disciplines in conversation with each other, including the study of translation and interpreting, religion, philosophy, anthropology, history, art history, and area studies. A range of leading international specialists critically engage with changing understandings of the key categories 'translation' and 'religion' as discursive constructs, thus contributing to the development of a new field of academic study, translation and religion. The twenty-eight contributions, divided into six parts, analyze how translation constructs ideas, texts or objects as 'sacred' or for 'religious purposes', often in competition with what is categorized as 'non-religious.' The part played by faith communities is treated as integral to analyses of the role of translation in religion. It investigates how or why translation functions in re-constructing and transforming religion(s) and for whom and examines a range of 'sacred texts' in translation—from the written to the spoken, manuscript to print, paper to digital, architectural form to objects of sacred art, intersemiotic scriptural texts, and where commentary, exegesis and translation interweave. This Handbook is an indispensable scholarly resource for researchers in translation studies and the study of religions.

Sikhism and Spirituality Rabinder Singh Bhamra, 2015-07-16 A spiritual person is when their mind becomes one with the Creator God. Then, the mind absorbs the qualities of God and acts like a spiritual master. He is no more under the effects of Maya, which is another of God's creation in which the mind is prisoner and to its five vices (lust, anger, greed, attachments and ego). It becomes calm, quiet, peaceful, acts to the Will of God and is in bliss always. It happens when the Mind is meditating on God and thinks about God always. For this spiritual mind, everything happening in the world is OK as it's happening to His Will. He lives a life of truthful dealings with other persons, earns an honest living and shares with others. He becomes pure in thoughts, words and deeds. His mind becomes pure like its Creator, Himself. He is the most dependable friend and reliable companion. The above qualities can be achieved by one who only lives for the service of people and to whom everybody is the child of God. This person has no desires for him and lives for his family and others. His happiness lies in service and the welfare of others. Such a person has no desires and attachments in this world and lives a worry free life; always content with his/her lot. This book tells how to achieve such a state of mind. The mind is God's child and we here, on Earth, to play in the hands of God as per destiny written by Him. If we accept Him, pray to Him and meditate on him in the way this book guides, there is a chance to win freedom from the cycle of births and deaths and live with him in peace and bliss forever. The path to bliss and peace is fully explained in this book.

The History of the Rise and Fall of the World's Religions and their Evolution Younus Samadzada, 2022-01-14 This book chronologically documents the rise and fall of the major religions of the world and explores the role that various cultural factors such as dance, trance, music, song, and language have played in this evolution. The role that leaders play in the evolution of religion is also discussed. Starting from the primitive religions of hunter-gatherer societies in which religion was not part of any institution, the next stages of human life from the agricultural revolution to the modern religions of today are discussed. Among the modern religions discussed are Judaism, Buddhism, Christianity, Islam, Scientology, and numerous others. The reader is further provided with a unique perspective on the potential good and evil aspects of religion and the very reality of the existence of a God or gods, and the possible downfalls of the religious belief system.

It Is The Same Light Daljit Singh Jawa, 2014-12-30 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism, the world's fifth largest religion. But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets. It is more like a collection of divine revelations and hymns, expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being, along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times. The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss, it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith, color, caste, creed, or race. The following are a few examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib: "Mankind's religious future may be obscure, yet one thing can be foreseen. The living higher religions are going to influence each other more than ever before, in the days of increasing communications between all parts of the world and branches of the human race. In this coming religious debate, the Sikh religion and its scriptures, the Sri Guru Granth Sahib will have something of special value to say to the rest of the world." Arnold Toynbee- Historian "I have studied the scripture of great religions, but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes [of Sri Guru Granth Sahib]. There is something strangely modern about these scriptures. They speak to the people of any religion or of none. They speak for the human heart and the searching mind." Mrs. Pearl S. Buck- Nobel Laureate In Volume five of the "It Is The Same Light" series (SGGS pages 801-1000), author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language (Gurmukhi), history, or context. The following are some of the comments received on the volume 6 (pages 1001-1200 of SGGS): "This translation of Guru Granth Sahib is one of the best English translations in my view, as it is in simple understandable English, each shabad's summary message is given, there is connection between the shabads to reveal continuity of thought process in Guru Ji's message. Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Ji's message easily." -Amarjit Singh, M.D., University at Buffalo, Buffalo, NY "A monumental undertaking, reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts. Both its rendition of the original Gurmukhi script, with accompanying English transliteration, and its erudite commentary on each of the Granth's many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general." -Barry Crawford, Ph.D., Washburn University, Topeka, Kansas

Young Sikhs in a Global World Knut A. Jacobsen, Kristina Myrvold, 2016-03-09 In attempting to carve out a place for themselves in local and global contexts, young Sikhs mobilize efforts to construct, choose, and emphasize different aspects of religious and cultural identification depending on their social setting and context. *Young Sikhs in a Global World* presents current research on young Sikhs with multicultural and transnational life-styles and considers how they interpret, shape and negotiate religious identities, traditions, and authority on an individual and collective level. With a particular focus on the experiences of second generation Sikhs as they interact with various people in different social fields and cultural contexts, the book is constructed around three parts: 'family and home', 'public display and gender', and 'reflexivity and translations'. New scholarly voices and established academics present qualitative research and ethnographic fieldwork and analyse how young Sikhs try to solve social, intellectual and psychological tensions between the family and the expectations of the majority society, between Punjabi culture and religious values.

Religious Diversity and Children's Literature Connie R. Green, Sandra Brenneman Oldendorf, 2011-05-01 This book is an invaluable resource for enabling teachers, religious educators, and families to learn about religious diversity themselves and to teach children about both their own religion as well as the beliefs of others. The traditions featured include indigenous beliefs throughout the world, Native American spirituality, Hinduism, Buddhism, Judaism, Christianity (Orthodoxy, Catholicism and Protestantism), Islam, Sikhism, and other beliefs such as Bahá'í, Unitarian Universalism, Humanism, and Atheism. Each chapter highlights a specific religion or spiritual tradition with a brief discussion about major beliefs, misconceptions, sacred texts, and holy days or celebrations. This summary of each tradition is followed by extensive annotated recommendations for children's and adolescent literature as well as suggested teaching strategies. The recommended literature includes informational books, traditional religious stories, and fiction with religious themes. Teachers, religious educators, and family members will find the literature from these genres to be invaluable tools for bridging the religious experience of the child with that of the global society in which they live.

OUTSIDE SOMEWHERE, A LAMP BURNS Shivcharan Jaggi Kussa, 2019-12-24 As the saying goes, people living in Punjab undergo daily challenges each day. A mix of happiness and sorrows is what a life takes with it. This novel talks about scenario before the Indo-Pak separation and then the painful relocation of people across the border. People and life started settling down and then when things started getting a little better, Punjab got hit by the Nirankari kaand in Amritsar in the year 1978, which again disrupted peace in Punjab. It took a long time for Punjab to restore normalcy. Little did Punjab get respite that 1984 witnessed operation Blue Star which hurt the very soul of Punjab and Punjabis across the world. The rage and turmoil destroyed Punjab and killed many innocents. Humanity cried, old eyes got tired and despaired; many people migrated to Delhi in a hope of a new life and as an escape to finally become victim of riots following the assassination of the then Prime Minister. The pain and sufferings by the people of Punjab right from the days of partition till their pursuit of settlement has been expressed by the writer in this novel.
