**The Oresteia** Aeschylus, 2014-08-06 One of the founding documents of Western culture and the only surviving ancient Greek trilogy, the Oresteia of Aeschylus is one of the great tragedies of all time. The three plays of the Oresteia portray the bloody events that follow the victorious return of King Agamemnon from the Trojan War, at the start of which he had sacrificed his daughter Iphigeneia to secure divine favor. After Iphigeneia's mother, Clytemnestra, kills her husband in revenge, she in turn is murdered by their son Orestes with his sister Electra's encouragement. Orestes is pursued by the Furies and put on trial, his fate decided by the goddess Athena. Far more than the story of murder and vengeance in the royal house of Atreus, the Oresteia serves as a dramatic parable of the evolution of justice and civilization that is still powerful after 2,500 years. The trilogy is presented here in George Thomson's classic translation, renowned for its fidelity to the rhythms and richness of the original Greek.

**The Ambitious Woman** Esther Spina,2014 The Ambitious Woman illustrates how ambitious women embody characteristics such as inspiration, empowerment, and motivation to help others accomplish their goals, and create win-win relationships in all areas of life. When you think of the word 'ambitious', what comes to mind? Power hungry? Getting ahead no matter what it takes? Someone who runs over others to accomplish their goals? While many people may have a negative view of what it means to be ambitious, author, motivational speaker and women's movement leader, Esther Spina, is not one of them. In fact, in The Ambitious Woman, Esther shows that Ambitious Women are found in all walks of life - the famous and the not-so-famous. They embody characteristics such as inspiration, empowerment and motivation to help people accomplish their goals. Ambitious Women can be humble and loyal; they are disciplined and have a never-give-up attitude. Real and genuine ambitious people care about others; they are not self-centered. They are ambitious about seeing others succeed, and creating win-win relationships in all areas of life. Using profiles of people such as Diana Nyad and Barbara Walters, The Ambitious Woman offers contemporary illustrations of people who have lived ambitious lives and what we can learn from them. The book also profiles ambitious people who are close to the author, people who live with passion, confidence and consistency in their everyday lives. Women from all walks of life will find ambitious characteristics to strive for, ones that will improve their lives, their relationships, and who they are deep down. When you become an Ambitious Woman, you, too, can help others change their lives!
